

Coolbinia Junior Football Club

FAIREST AND BEST VOTING

Background

The Coolbinia Junior Football Club allocated Fairest and Best Trophies as per the Club Constitution and By-laws

Fairest and Best voting Procedure

Only Youth Teams of Year 8 and above are to keep Fairest and Best Votes

OVERVIEW:

Voting Slips shall consist of allocations of votes in 5, 4, 3, 2, 1 format

Prior to game start a total of 3 x Voting Slips are to be distributed by the Team Manager. We recommend these go to;

- 1) A Coach
- 2) A Parent (not the same parent each week) and if possible
- 3) An Opposition Coach or Supporter (If not available then another coach or parent may be substituted)

At the end of the game Voting slips are to be collected and placed in a Sealed and Marked Envelope by the Team Manager. These are to be stored securely until the end of the season.

We ask Team Managers to not keep a running tally of votes other than for back up purposes. If keeping a backup copy please ensure that is kept confidential so only the Team Manager has access until the end of the season
