PRESIDENT'S REPORT

Dear Parents,

As another season draws to an end we can reflect upon another successful season both on and off the field. This year we fielded teams from Auskick to 12s in the junior division with two teams in the tens competition. In the youth grades we fielded sides from 13s to 16s.

The junior grades enjoyed another successful year with numbers up in all grades. We had some 80 Auskickers this season and approx 110 boys and girls in the 9s to 12s teams making us one of the more viable clubs in the Royals Junior District Competition. In addition, the healthy financial status of the club means we can continue to provide outstanding facilities, equipment and resources to all our teams. The highlight this year being the erection of the new light towers which will provide a safer and secure environment on training nights. In addition, we completed our jumper replacement program which means all teams now have new playing guernseys.

Auskick was once again coordinated by the ever-reliable Keith Henneker whose efforts and hardwork in this area are second to none. The season commenced with the annual Family Day which was an outstanding success and ended with a mums and dads kicking contest. Keith also organised various activities throughout the season including a trip to Bayswater as well as games against Cougars and Morley. The Auskickers were also a part of the East Perth FC centenary celebrations and provided a demonstration of the grid games.

The 9s were once again coached by Brad Sumpter who continues to provide a fun environment for the boys to learn and develop their footy skills. This year he was ably assisted by Jacquie DeGrussa as manager, who then made way for Alan Taylor for the second half of the season. Thanks again for their hard work and efforts throughout the year.

This year we fielded two tens teams with both teams having outstanding seasons. Congratulations to Silvio and Greg on further developing and enhancing the skills of the Black team and to Billy and Dom for their hardwork with the Red team. Thanks also to Kaylene who handled managerial duties for their team.

The 11s this year were coached by Anthony Beaty, who was ably assisted by Graham Keefe with Errol Shaw handling managerial duties. This year saw the 11s play some outstanding footy and the future really looks bright for this team. The 12s were well drilled by rookie coaches Wayne Hartzler and Kevin McSweeney. The team had some new players join the squad this year who showed great improvement as the season progressed ensuring their transition to the youth competition should be a smooth one.

Thanks also to the many parents who assisted as goal umpires, washed jumpers, provided oranges and supported their teams and made the Bombers club one of the most welcoming clubs for opposition teams and umpires.

There was no doubt the highlight of the season for our juniors was the Essendon FC Clinic. 3 of their league players attended to run a few training drills, talk to players and sign autographs. Thanks to all those who made that day possible and made it the success that it was.

On a personal note I would also like to extend a special thanks to Chris and Jenny Sara for their continued support and hard work during the season to all the coaches and managers and the hardworking executive who continue to make this very much a family orientated club. The club can look forward to a fruitful and productive 2006 Season

AUSKICK SUMMARY

We had 79 kids for the season which is great for our club and football's future.

The season has been a very productive one and on reflection looking at the kids progress is very satisfying especially the 5/6 year olds, the young girls and the couple of kids in general who until this year had never picked up a footy. Well done on your efforts. For the older kids who have been around the club this their second or third year your skills have also been great to watch and the way you have set an example for the younger kids with the enthusiasm and positive attitude that you've shown throughout the year. Well done.

The season began the first Sunday after the April school holidays in which approx 60 kids were involved. A "parents in service" session with Mr Gavin Rose our East Perth District Junior Officer. The parents were shown a few tricks with a footy and a few laughs were had by all. We also held the club's family fun day.

The next few weeks the kids were split into groups and were shown the basic fundamentals of our game and played some grid games against each other. On Mother's Day, the mums were made to form a circle and kids surprised them all with a chocolate. The looks on the mum's faces were just great.

We had our first outing in June when we played on Leederville Oval at the half time break of the East Perth v Claremont league match. 50 kids played in the rain. The air of nervous anticipation amongst the players was exciting and the proud look in their eyes as they ran onto the oval was something to remember. The fifteen odd minutes we had to play our game seemed to go forever, yet when the siren went it was a sudden "oh we've just started" feeling. Once back in the rooms however, the kids were quite satisfied with their efforts and thrilled for the opportunity to play on the "Big Boys" turf. A good afternoon had by all.

The following weekend we were privileged to have players from the Essendon Football Club down at the club. Mark Johnson, Joel Reynolds and Jason Winderlich helped out with training drills with approx 30 Auskick kids, then took part in an autograph session. Our club received Australia-wide exposure with channel 7 and 10 taking footage and showing it on their sport news that night. The Community Newspapers also had a photo and write-up.

We had our first "FOOTY BUS TRIP" to Bayswater Bears for a round robin morning against 4 other clubs. About 55 to 60 kids from Bombers participated on a cold but sunny morning. They played 5 games each but as the morning went on, the little kids were tuckered out and just couldn't see out the last game.

The next few weeks we continued with training drills and were involved in the East Perth district Junior day parade. The kids marched onto Leederville oval in front of a large crowd to parade the colours of the club. We then travelled to Nollamara and played a grid game against Cougars and Balga football clubs.

At the end of July our kids were invited to be a part of East Perth's Centenary Year celebrations with a training and grid game exhibition on Leederville Oval. This ended with a sausage sizzle and some giveaways and a photo with a legend of football in W A - Mal Brown, and the current coach of East Perth, Warren Mahoney,

The 8's ventured into new territory and played a grid game against Cardinals at their ground and accounted for themselves magnificently with a great display of teamwork and some individual passages of play they would be proud of.

We then hosted Cougars, Balga and a few kids from Morley Bulldogs at our ground. With some training drills and a grid game lots of fun had by all.

Our 2nd last training will finish off with a twilight training and grid game under lights in which the kids will love. Our season will culminate with a presentation day windup which will start with a grid game to finish off the season.

Thankyou to the parents who have helped out during the year with training and at grid games especially Russell Wain, Ric Monastra, Jason Thomas, Shaun Murphy, Neil Purdy and Clark Youens. Without help it is hard to make things run smoothly. Good luck to the 8's moving up to under 9's next year See you all hopefully next year.

Keith Henneker, Auskick Co-ordinator

10's BLUE – COACH'S REPORT

Well the football season has come and gone and I hope all the players had as good a time playing as I had coaching. As a first year coach I found the role challenging at times but extremely rewarding. Watching the boys' improvement in their skills and in the teamwork was always an encouragement.

Training was always well attended and showed the boys enthusiasm. I believe my rotational policy of playing everyone in every position throughout the year worked really well and gave all players an opportunity to try different positions.

Given that 10 of our 17 players were new members of the club and 8 of these were first year players our team performed exceptionally well. The boys bonded well as a team and helped and encouraged each other at training and during games. The team was extremely competitive throughout the year and played an exciting style of game that kept the parents and spectators coming back each week.

I would like to congratulate all the players; Lee Beaty, Jordan Bowker, Jack DeRay, Aiden Dimpleby, Mathew Dixon, Alon Dukorski, Zac Freund, Rory Glacken, Michael Houston, Mathew McSweeney, James Mijoski, Stefan Mirauda, Christopher Moody, Zibeon Schildkraut, Jay Trinca , Jordan Vuong and Thomas Watson.

I would very much like to thank our team manager, Greg Houston. His organization and assistance at training and on game days was fantastic and made my job a lot easier. Greg was always positive and his ideas on training drills certainly helped the team.

Finally on behalf of Greg, the boys and myself thanks to all the parents for your assistance and support throughout the year.

It was a pleasure coaching the team and I hope to see everyone back at the club next year.

Silvio Trinca

Brett Hutchinson (19) - lively/improving tryer

This season has seen some highs and lows; we have suffered some crushing defeats and have had some crowd jumping and cheering wins (not that we keep score). Mostly, we are a competitive side; we have received many compliments from the umpires, especially with regards the skills of our players, and how much they have improved over the year.

As many of you know my aim as a coach is for each of the boys to enjoy their game of football. I also believe that they are starting to work as a team, they are backing up their teammates and actually calling for the ball. Very proud of you all.

As a team we owe a huge thank you to Kaylene Bozich, she has been an outstanding team manager, with well organized rosters, a newsletter every second week, and great support to the coaching team on game day. Parents, your support has been appreciated, a big turn out every Saturday, roster duties done, and all there to support the boys after a game at the awards ceremony. Well done!

Have a good summer (keep practicing your skills) and I will see you all next year.

Billy Menegola – Coach

“A good team is one that works together, so we must be great!”

11's COACH'S REPORT

It has been a very successful season for our under 11s side this season. Not only have we had an excellent win loss ratio but also the conduct of our team has been a credit to the Bombers Junior Football Club. Depending on who you talk to we have only lost one or two games this season, the players say one and others who think they know say two so one and a half losses sounds good to me. Anyhow we are not scoring are we. Graham and myself were fortunate enough to inherit a well-balanced team at the start of the season, and then add a couple of recruits from a soccer background who already have very good skills and our season is taking shape. Blessed with a number of players who could play down the spine our only problem was how to keep them all happy.

John Allen – A very talented and skilful footballer who obviously has inherited his fathers talents. I will enjoy watching him mature as a player.

Con Angelkov- Con is right at home in the engine room. A tireless worker Con would be of most honest player.

Leonard Beaty- Leonard has good foot and hand skills and this year has made a big effort to add a physical element to his game. Well done Leonard.

Sean Bennett- Sean is a very consistent player who is very eager to contribute to the team effort. Is showing he has ability to play the game.

Jack Davis- Jack is a very eager participant at both training and on game day. With hard work Jack has shown great improvement in his skills throughout the year.

Tom Fairclough- An honest trier who has shown great improvement. Works very hard at his game.

Alex Galipo- One of our new recruits Alex is a very capable player with pace to burn and great skills to compliment his speed.

Alexander Gill- Shows great determination and has a great attitude. Always considerate of his teammates. Our most improved player.

Jake Goldman- Jake has come to us from I hope it is right to say a rugby background and has adapted to our game extremely well. Works very hard on his skills. Keep up the good work Jake.

Langdon Heath- I remember watching Langdon kick three goals in a quaRter of football this year. Langdon proved throughout the year he knows how to kick a goal.

Jake Keefe- Jake is a tireless worker all over the ground, with advanced skills for his age. Can take a good overhead mark and uses the footy well when he has possession.

Jason Lopresti- The smallest player on the field and one of the bravest this young man never took a backward step all year. Eligible to play with the under tens he was one of our most consistent players.

Armani May- A good solid contributor who uses his bulk well for some one of this age group. Armani's great smile and mischievous ways have kept us all entertained on a cold night at training.

Jackson Ramsay- We were very glad to see Jackson return to football early in the season. A key member of our team, with all the skills of a good player.

Marcus Ruggiero- Marcus does not speak a lot but boy his actions speak loudly on a football field. A very good pair of hands and an excellent team player.

Tom Ryan- I do not feel comfortable positioning Tom as a backman at such a young age but with his straight running and eyes only for the football he saved many an opposition goal this year. Well done Tom.

Patrick Sara- Patrick is our most competitive player. He has to win at everything even at training. When we find away to get him to focus that energy on the football he will go from being a good player to the best on the team.

John Shaw- John is a very capable player and a tireless worker. Even pouring rain and water on the ground does not put this young man off training.

Rhys Taylor- Rhys is a quiet achiever who you do not seem to notice until he does that something special. That happens quite often.

Adam Tynas- We were goalless in a game against Mt Lawley just before half time, I said to Graham we need someone to kick a goal to get us started. One of our players took a pack mark went back and kicked a goal. After being five goals down we (won or lost) by a couple of points. A great highlight of our year Adam.

On that note on behalf of Graham and myself I would like to congratulate all of our players for a wonderful season. Thank you for your efforts on and off the field you can all be very proud of your achievements this year.

Tony Beaty

REGISTRAR'S REPORT

Well!! What a successful year we have had.

We had 193 players in the 9's-16's competition, including 17 clearances in and 10 clearances out.

Again, we were faced with mastering a new computer programme. The coaches and managers coped admirably, and I am still working towards further improvements. One aim I have is for the inclusion of games played tallies for each player. It has been a season long struggle to obtain these figures from the association. I have attached a list of players and their totals so far. These figures do NOT include the junior carnival games (players will be credited with one game) or finals games. I will add these prior to the 2006 season. If any names are missing, please contact me ASAP to rectify the matter.

Thank you to all families for paying fees prior to the end of the season. Next season, you will notice a slightly different format for registration and fee paying- all to make my life easier.

I would like to take this opportunity to thank all the coaches, managers, committee parents and mostly, my husband Chris, for all their help, patience and support over the season.

Thank you and cheers,
Jenny SARA

CLEAN UP COOLBINIA DAY

On Sunday 18th September, at 9am, we will be having our final clean-up and pack away morning at the clubrooms.

Coaches/managers are to return all equipment and jumpers (washed of course) on this day.

Assistance with the general tidy-up of the rooms by any other parents who can make it down will make the morning quicker and merrier. (Some refreshments will be provided for the helpers!)
