

Coolbinia Junior Football Club

FAIREST AND BEST VOTING

Background

The Coolbinia Junior Football Club allocated Fairest and Best Trophies as per the Club Constitution and By-laws

Fairest and Best voting Procedure

Fairest and Best voting only applies for Youth grades (i.e. Year 8 upwards).

For each home and away fixture votes shall be awarded as follows:

5 votes (best player), 4 votes, 3 votes, 2 votes, 1 vote

Prior to the game the Team Manager should distribute 3 (Three) voting slips for completion, preferably as follows:

1. A Coach
2. A Parent (not the same parent each week), and, if possible
3. An opposition Coach or Supporter (if not possible, another Coach or Parent)

At the conclusion of the game the voting slips are to be collected, checked for completeness, and then placed in a envelope and sealed (without any recording of votes given). The envelope shall be deposited in a secure location within the club. Votes will be counted at a function to be organised after the completion of the final home-and-away round of the season.

Voting for Finals games (under the same format) will be kept separate and will only apply for the purpose of determining the Best player of the Finals.

If possible the Team Manager should provide a team list with player guernsey numbers to parents (in the past some Team Managers have produced a laminated player list once players and guernsey numbers have been determined and finalised)
