PRESIDENT'S REPORT, 1973.

The Year 1973 has been a very busy one for all connected with the organisation of the Club, and I can see that 1974 and the future years will be even busier.

Your Committee has done a wonderful job throughout the year, and I thank all of them for their co-operation and loyalty. Those of you who attended games and various social functions probably did not stop to think of all the work which had gone into each one. Without a Committee, and the not to be forgotten Ladies' Committee, no Club can function, and all members of both Committees have carried out their allotted tasks in an enthusiastic and commendable manner.

In my report last year I asked for greater assistance from parents with regard to the organisation of the Club. I am sorry to say that very little help was forthcoming, although we did have a few fathers who added their assistance to the Committee.

No Club can function and flourish without the co-operation and support of parents. This year, even the support on the side-lines was down to a very low ebb. While it is realised that we are in an era of working parents, surely a little effort can be given to the small band of workers in your Club.

We are receiving your support financially. While this is greatly appreciated it is not enough. There are many duties in a Club as active and large as ours, and it is your duty to your children to see that you take an active part in this Club.

Please remember that each member of the Committees also has work and family commitments. They push themselves a little harder to find time, so why can't you? The greater the physical help given, the lighter the load will be for the worker!

Our Walk-a-thon and Cabarets this year have been successful. You have backed these and helped the Club with its financial commitments. Without this help we would have been in an embarrassing position as, believe it or not, we need \$3000 to \$4000 each year to run this Club.

Our newly formed Social Committee has done a wonderful job, even though, I feel sure, they must at times have had some doubts. This Committee is now trying to raise money to ensure that the Club will commence the 1974 Season in a healthy manner. I know that next season we will have to purchase new jumpers for some teams, and these are a costly item.

To discuss the future of the Club a special Social Meeting will be held at our Clubrooms on Monday, 17th September, and we invite ALL fathers of present and future players to this meeting, as its result will have a great bearing on the Club and its future. PLEASE make an effort to be there, it is very important, and will affect YOUR SON(S).

After using so much space in my report on requesting assistance for the 1974 Season, you may find strange the announcement that I will not be standing for the position of President, or any other position, next year.

PRESIDENT'S REPORT Cont.

I have been connected with the Club since 1961, and I feel I have done my share. This I have greatly enjoyed and more importantly, I have made many good friends. I would like to retire knowing that the Club has a full work force, and the future for it will be all that I expect.

No report would be complete without mention of the players. I thank all players for the assistance given to the Club throughout 1973, especially those who have taken on the extra duties of running boundaries and waving flags.

There have been occasions this year when I have had to speak to some players regarding their conduct on and off the field. This has been unfortunate, and it certainly is no way for them to thank their Coaches and other Officials working for the team. However, it is pleasing to say that it was necessary to speak only once to these boys, they then gave of their best to the Club.

I would like to congratulate all players who have received Trophies this year. The same congratulations go to players who completed 100 games for the Club this Season. It must be a thrill for you and your families to run out onto the field on that day, and I would like to say a special thank-you for all you have done for this Club.

At this time of the year it is always sad to say farewell to those players who complete their playing activities with our Club. May I again say thank-you and wish you well for the future, both in your private and sporting futures. Give a thought to taking a position on one of the many Committees of your Club. I think you will find it a rewarding and satisfying experience.

Our thanks must also go to the East Perth Junior Football Council, under the Chairmanship of Mr. Jack Clayton. This Council which is comprised of delegates from all Junior Clubs has done much for the Junior Football in our area. I know that in 1974 they have plans to better our game, but again they will require all the co-operation possible from Clubs.

To our Umpires, I say Thank You, and I feel that as each year passes they are becoming more efficient, and will continue to do so. A noticeable feature of this year has been the effort made to help players on the field, by demonstrating and advising them on errors. Surely this must go a long way towards making a better game.

In closing, I would like to thank my Committee again, for without their assistance there would be no games, and I would like to thank especially Mrs. Woodley, Mrs. Sheard, Mrs. Jones, Mr. Bob Stewart, Treasurer, and Mr. Dave Cargill, Registrar, all of whom carried out extra tasks. They have all been greatly appreciated by

Max White
President

SECRETARY'S REPORT, 1973.

I have now completed two years as Secretary of the Coolbinia-Yokine Junior Football Club and most rewarding years they have been. It has often been stated that one has to be in a position such as this for at least two years as the first year is spent in learning the job and then this knowledge can be used in the second and subsequent years. This has certainly been the position in my case. It has been a great pleasure to work with such efficient and dedicated Office Bearers and Committee Members.

For a Club to run as efficiently as the Coolbinia-Yokine does, demands a team of efficient and industrious fathers, who must be prepared to give up a great deal of their leisure to assist the Club. I have made mention in circulars of fathers who volunteer their services to the Club. Each weekend, during the football season we have fielded six teams and this in itself requires many Officials. Unfortunately, during this season, some fathers have had two jobs to do. When one considers the number of fathers represented in our Club, we feel that this is wrong. I am asking any father, who reads this and is not actively engaged in the Club, to come forward and volunteer his services.

During this season, we have been able to use our own ground for home matches for the first time. This has helped to consolidate the Club. At first we were dubious as to whether the surface of the Oval would stand up to the wear and tear. For this reason our No. 2 Oval, Alexander and Coolbinia School Oval were used for training purposes. It is to be hoped that with correct manuring and watering the surface will become first class. An innovation has been the selling of drinks and morning teas during our home games. The Club is greatly indebted to Mrs. Woodley and her band of helpers who have worked hard to provide these amenities.

1973 SEASON

At the beginning of this season the ages were altered, being changed to Under 11, 13, 15 and 17. Our Club met with mixed success during the season. Three teams finished in the final four. The Under 17 team was beaten in the first semi-final while the Under 13a and 13b made the final but were defeated. Congratulations to these teams! On the credit side some 125 boys had a game of football each weekend and thoroughly enjoyed themselves. At present indications are that we will also field six teams next year.

TROPHY WINNERS

I wish to congratulate boys who won trophies during the season. To those boys who have completed their football with this Club, I am asking for your assistance. There are several positions which you could fill to help your club. This year, two ex-players volunteered their services as a result of a circular sent to all past players and did an excellent job. During the season, I saw all the games played by the Under 11 and 15 teams and I was most impressed by the way the boys conducted themselves on the field.

SECRETARY'S REPORT Cont.

In conclusion, I wish to thank Mr. Dave Cargill, the Club Registrar, who has the difficult and exacting task of registering all players, keeping the necessary statistics and compiling most of the material in this report and secondly, Mr. Ron Jones and his Social Committee, who have had the arduous task of arranging and conducting all our social functions. As a result of their efforts, the Club finances are in a very healthy state.

In the early years of the Club, the trophy was presented to the player who was awarded the highest number of Umpires' votes. In recent times the Award has been made to the player who is awarded the highest number of Club Notes.

Three of the past recipients of the award have made the league ranks mainly Paul Cook, John Daniel and Peter Trott (East Perth) and Terry South (East Fremantle).

Nigel Pratt, aged 9 years, the winner of the award this year, obviously has great ability and can look forward to a fine future with the Club.

Congratulations, Nigel Pratt, the Outstanding Player of the Season.

CLUB AWARDS 1973 SEASONTHE TONY ZIMBULIS MEMORIAL TROPHY

(Awarded Annually to the Best Clubman)

The Winner for 1973: Mr. Peter Woodley

This trophy was first awarded in 1964 in memory of Tony Zimbulis a great sportsman in our district. His sons have been members of our Club over the past years, and they have been a credit to us and themselves.

In an endeavour to perpetuate the memory of Tony, your Club decided to present a trophy each year to the person who, by his enthusiasm and loyalty to our Club, deserved to be thanked in a special way.

Peter Woodley has more than earned this trophy because, other than carrying out the duties of a Committeeman and Property man for the Under 17 team, he has voluntarily undertaken many jobs which otherwise would probably not have been done. All these duties he carried out in a quiet and efficient manner. He has helped the Club in a year which has produced more work and duties than usual, mainly because of the acquisition of our own Clubrooms and Oval.

This trophy is awarded for outstanding services in any one year. Although Peter's family has been involved with the Club for several years, he was unable to participate actively until the 1972 season because he was working in the country. However, since then he has been a very active Clubman and an outstanding Committee man.

Your Committee has great pleasure in announcing this presentation.

WELL DONE, AND THANK YOU, PETER WOODLEY - THE BEST CLUBMAN FOR 1973!

Our Ladies

This Club has always been fortunate in having a band of hard-working mothers ready to assist wherever needed, often behind the scenes. Three such mothers have given outstanding service this year, particularly in arranging refreshments at home games and the Club expressed its appreciation by making presentations to :-

Mrs. Joy Sheard
Mrs. May Woodley
Mrs. Elva Jones

CLUB PRESENTATIONS Cont.Stewart Eales - Assistant to the Coach U/15 Grade

A presentation was made to Stuart Eales in appreciation of the assistance he gave to the U/15 Team during the Season.

Goal Umpires

Philip Devereux - Goal Umpire U/11 Grade
 David Devereux - Goal Umpire U/11 Grade
 David Motteram - Goal Umpire U/13b Grade

Presentations were made to these players for the assistance they gave to the younger grades during the year in a most useful manner.

Tony White - Official Timekeeper U/17 Grade

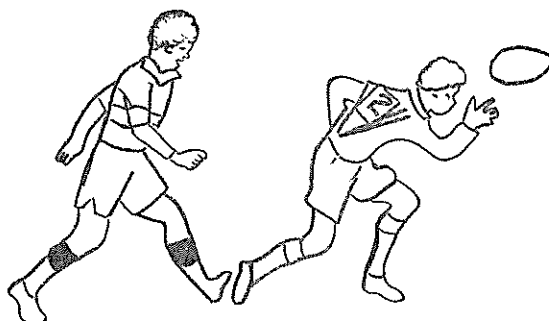

Tony has been a most valuable official of the Club in giving assistance to the U/17 team, as timekeeper for the 1973 Season.

To show our appreciation of the efficient way in which he has carried out the duty, a presentation was made to him.

Mr. Merv Townsend - Ground Marking

Now that we have our own ground, it is indeed fortunate that Mr. Merv Townsend has consented to keep it marked out for us.

We are most grateful for this, and to show our appreciation of this valuable help, a presentation to him was made on behalf of the Club.

CLUB AWARDS 1973 SEASONPRESENTATIONS 100 GAMES

At the end of each Season, the Club makes a Presentation to those players who have reached this most important milestone by playing 100 games for the Club. In any grade of football, this is a notable achievement.

The Coolbinia-Yokine J.F.C. places great emphasis on this Award because it needs dedication on the part of every young lad if he is to strive for this goal. Many of the players who receive these presentations may never receive Club trophies but quite often their dedication to the game will result in them attaining greater rewards in Senior Football.

Presentations were made to the following players:-

The following players were named or played in every match during the Season (14 Games):

M. Canning, E. Delfos, P. Duschka, G. Ferrier, G. Mackie, C. Magriplis, B. Musca, P. Newton, B. O'Farrell, N. Pratt, A. Stevenson.

UNDER 10'S TEAM COACH'S REPORT

10 Teams participated in the Competition and our side finished the season in 8th position with 5 wins out of the 14 games played.

The ages of our side ranged from 6 years to under 10 and a total of 29 boys participated. Because of this age factor our team had to continuously face opposition physically bigger and stronger. The small number of boys in our area interested in Australian Rules in comparison to other clubs in the competition must be cause for concern. Fortunately our new home ground is close to the Yokine section of our Club and this area will provide a good proportion of future players.

While the boys did not win many games the way they stuck to their task against better equipped sides was gratifying.

The boys were very well behaved and a pleasure to coach with participation in a team sport generally assisting their character build, which at this age is the real purpose of playing.

Special mention must be made of assistance to the team by parents of the boys especially Mr. Canning who acted as Team Manager until going overseas on business in the latter portion of the Season, also Mr. Muska who was our goal umpire during the year and Mr. Newton who was our Timekeeper at home games.

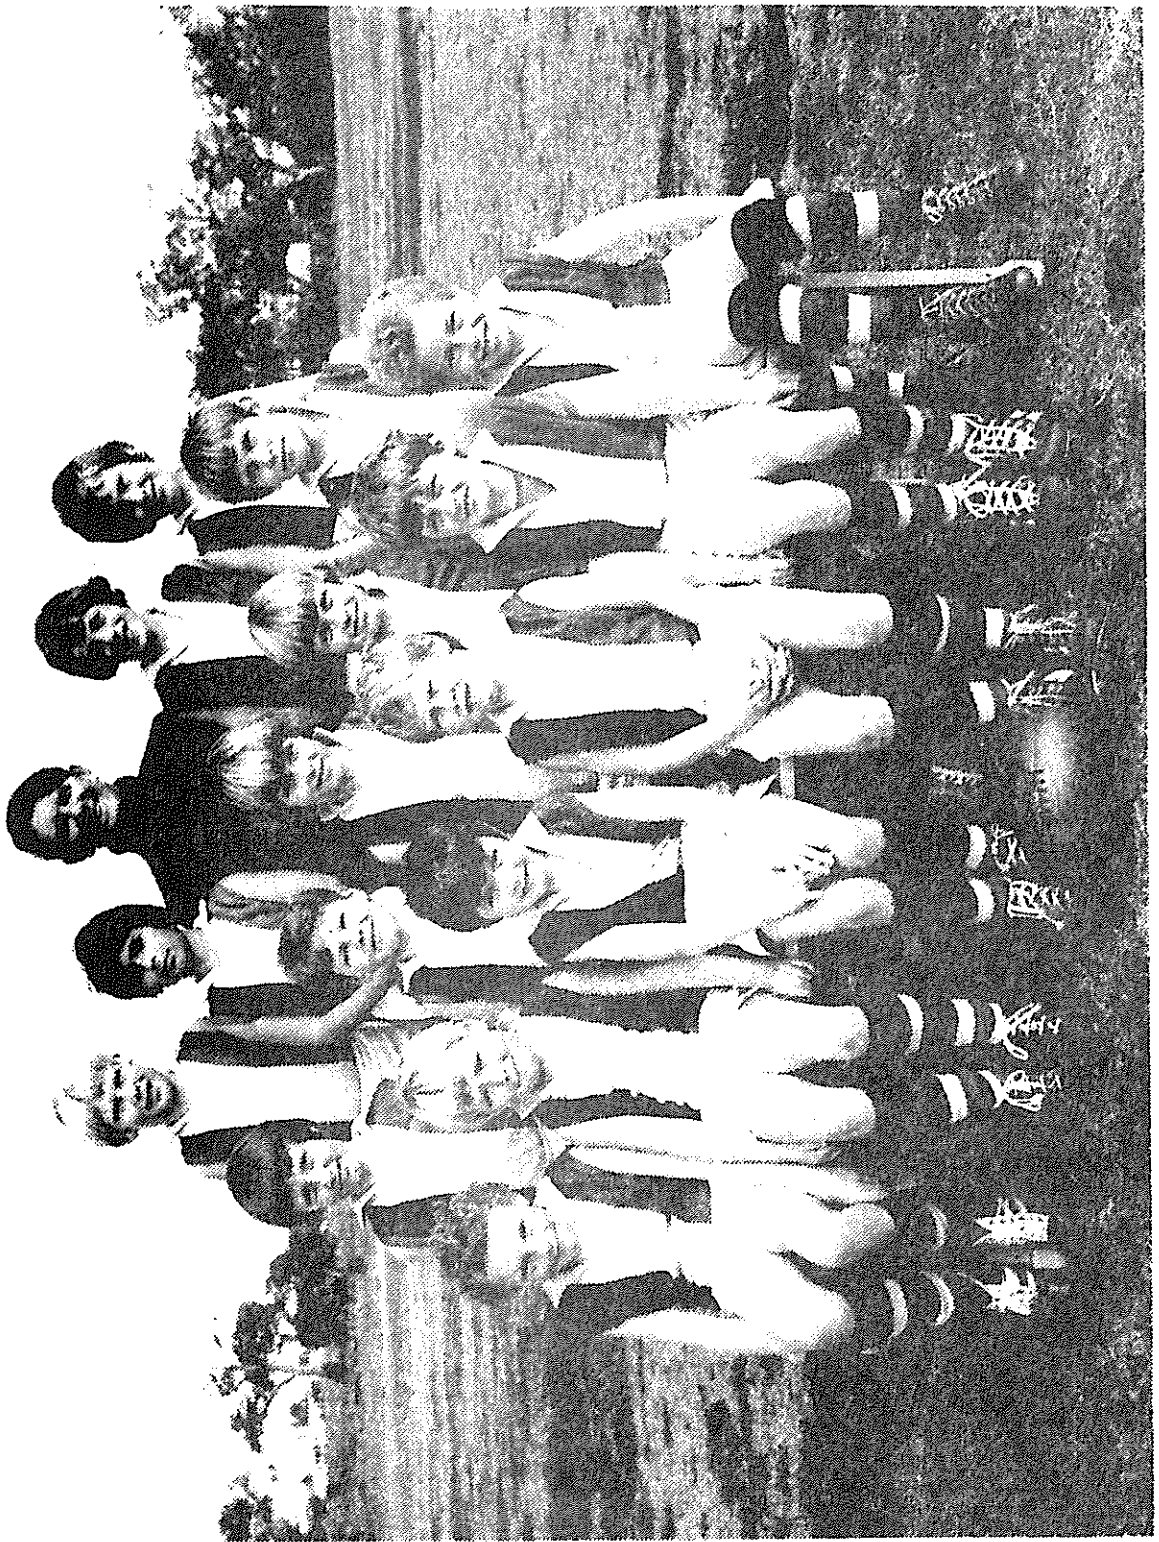

The womenfolk also assisted with Mrs. Canning in looking after the jumper situation in a year when there was plenty of wet and mud about and my wife being very popular looked after the drinks. Generally support from parents at the games was good but we can always do with more.

Individually the team has a number of talented players who will serve the Club well in future years.

The administration of the Club generally was maintained at its accepted high standard.

UNDER 11's TEAM COACH'S REPORT

The Season for the U/11's resulted in 4 wins and 10 losses which I feel is a false indication of the teams ability. Had we been able to field a full side early in the Season instead of playing 3 and 4 short, and a little luck towards the end of the Season, we would have been close to a position in the final four.

The improvement of players such as Kevin Africh, Kim Brennan, Glen Burston, Adnrew Daniel, Douis Dobrowics, Paul Gross, Peter Halbert and Kim Lowes, together with the consistently strong performances from Glenn Jones (Capt), Nicholas Zisson (V/Capt), Geoff Withers, Peter Moos, Michael Kalaf, Cameron Birch, Jamie Devereux, Mark Elphinstone, Tony Hobson, Roeland Jansen and David McSweeney made them into a very courageous and enthusiastic combination. The sides that defeated us during the season knew they had played a game of football because of the boys "never say die" attitude and their determination to do well even when faced with mission impossible in quest of victory. They were a credit to the Club.

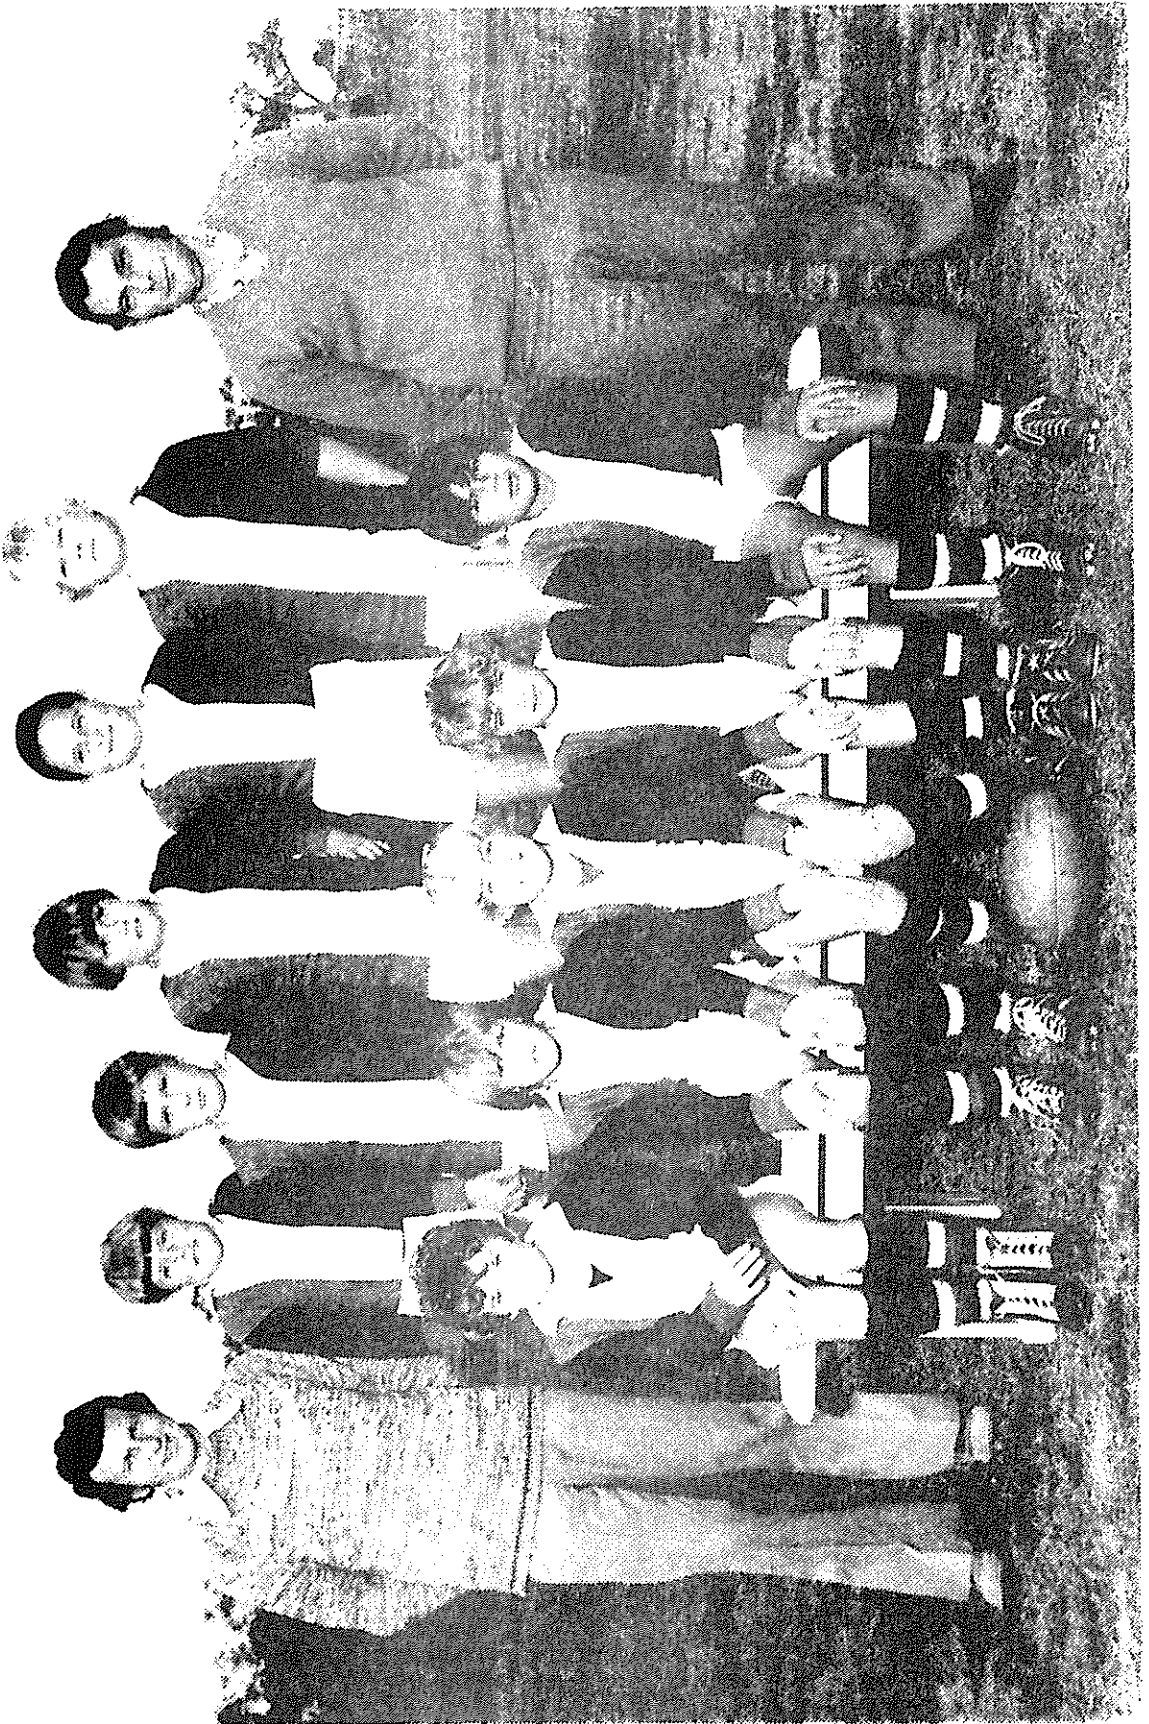

To run a football team a great amount of work was put in behind the scenes by the parents of the boys and I would like to thank Messrs Devereux, Elphinstone, Hobson, Jones, Withers and Zisson and a special thanks to David and Philip Devereux for their efforts in doing the Boundary and Goal umpiring rain, hail or shine throughout the season. Not forgetting Mrs. Devereux and Mrs. Woodley who so capably handled the catering for the players tea.

I would like to express my thanks to the President and Committee of the Coolbinia Yokine Junior Football Club for their assistance and for allowing me the opportunity of coaching during the past season.

In concluding, I would like to wish the Club the best of luck for the coming years and wish the boys in the team the best of luck for their future football careers and lives and thank them all for the enjoyable year I had in 1973.

UNDER 13b TEAM COACH'S REPORT

Even though we had a better team this year we were unable to make the Grand Final, however overall the season could be regarded as successful.

My thanks to the Team Captain, Glen Andrews, who set all players an example of courage.

The usual nucleus of John Motteram, Anthony Sheard, David Raven, Chris Tidy, Stephen James and Peter Lynch played well throughout, ably supported by newcomers in Steven Fleming and Gary Utterson.

Ken Travers proved, as usual, a handful at training, however this year he had a good mate in Gary Veitch who nearly got the better of me; their determination is terrific.

There were a number of boys who only had a few games and were reserves for most of the season, it was pleasing to see the way they continued to come to training and ensured that we did not go short of numbers.

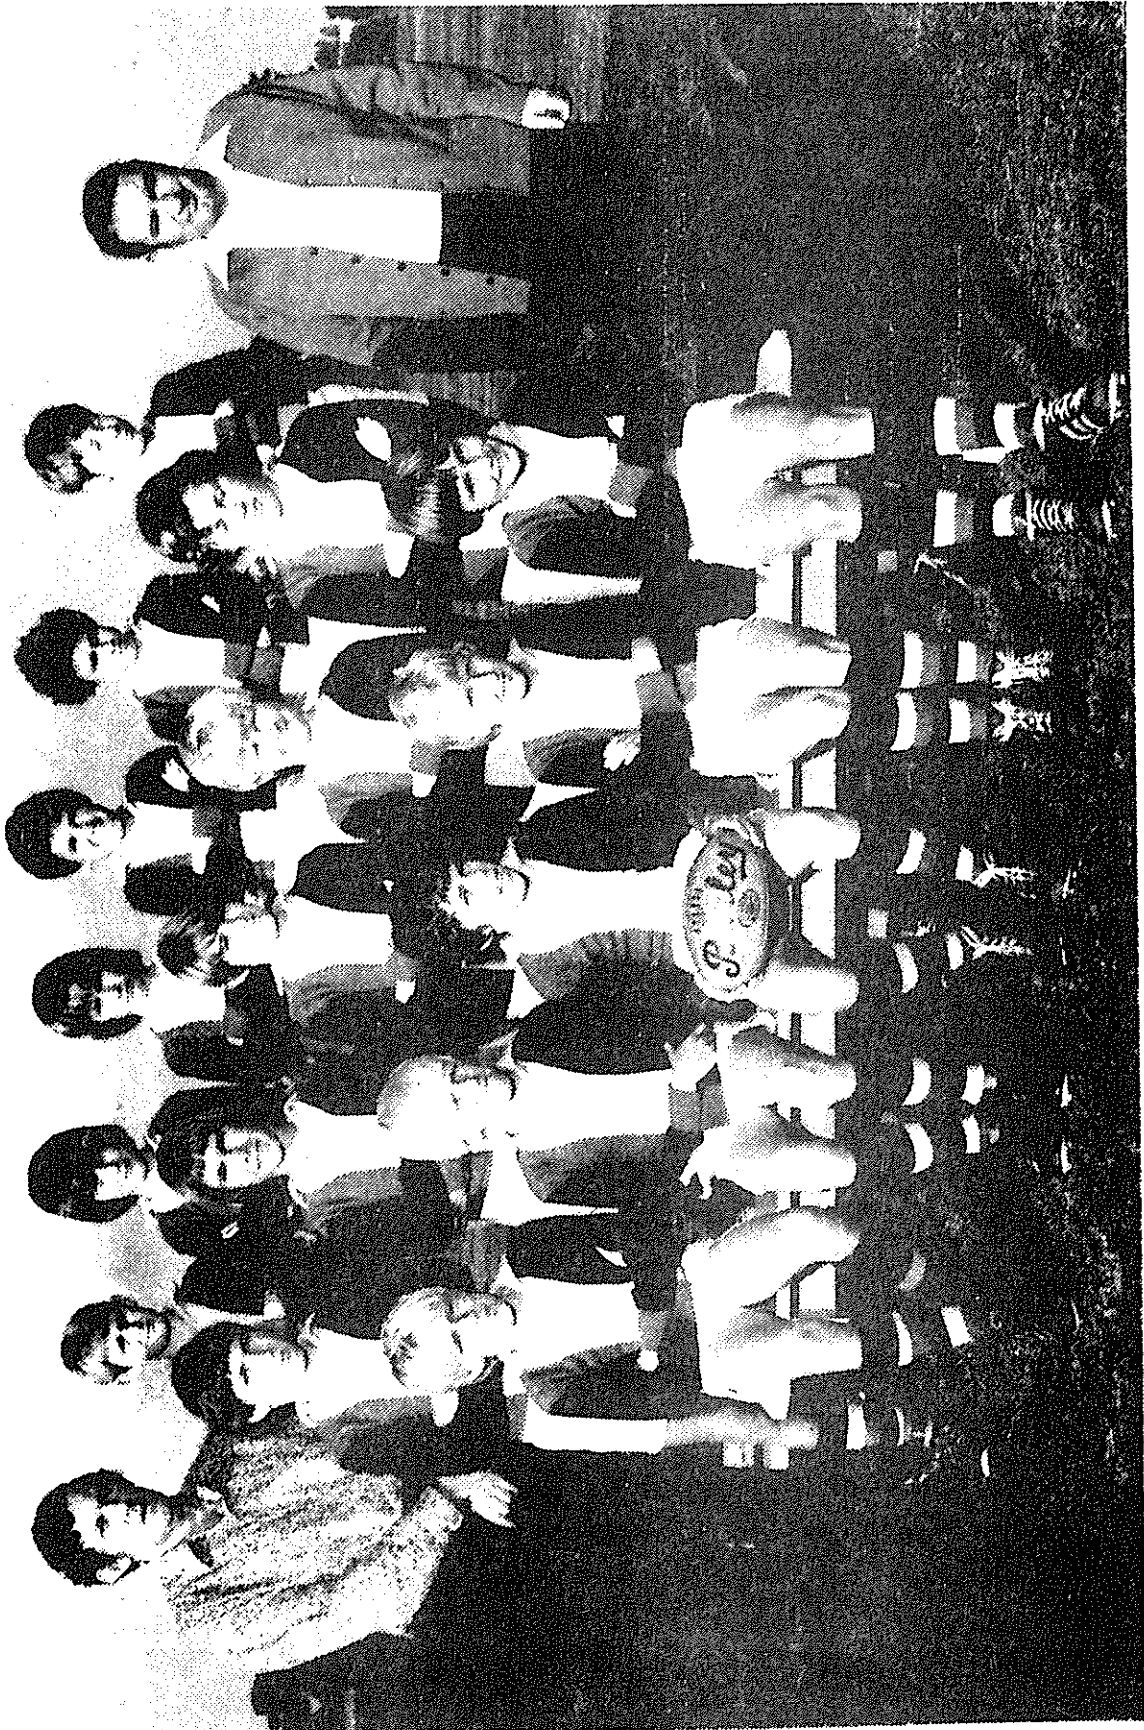

Special mention must be made of Ken Myles who set an example to the other players in how to be a "team" man.

The efforts of Mr. & Mrs. Lynch, Messrs. Taylor, Sheard, Raven and Stewart, were greatly appreciated throughout the Season.

Thanks also to a willing group of younger helpers in David Motteram, Malcolm Stewart and Trevor Lynch, who performed their duties very well.

U/13a TEAM COACH'S REPORT

The 1973 Season has been one of ups and downs for us. We played 14 games won 8 lost 5 and 1 drawn to finish in 4th place in a ten team competition.

Our win in the first Semi-Final was the result of extremely good team football. We were beaten the next Saturday in the Final by a much stronger and faster team on the day.

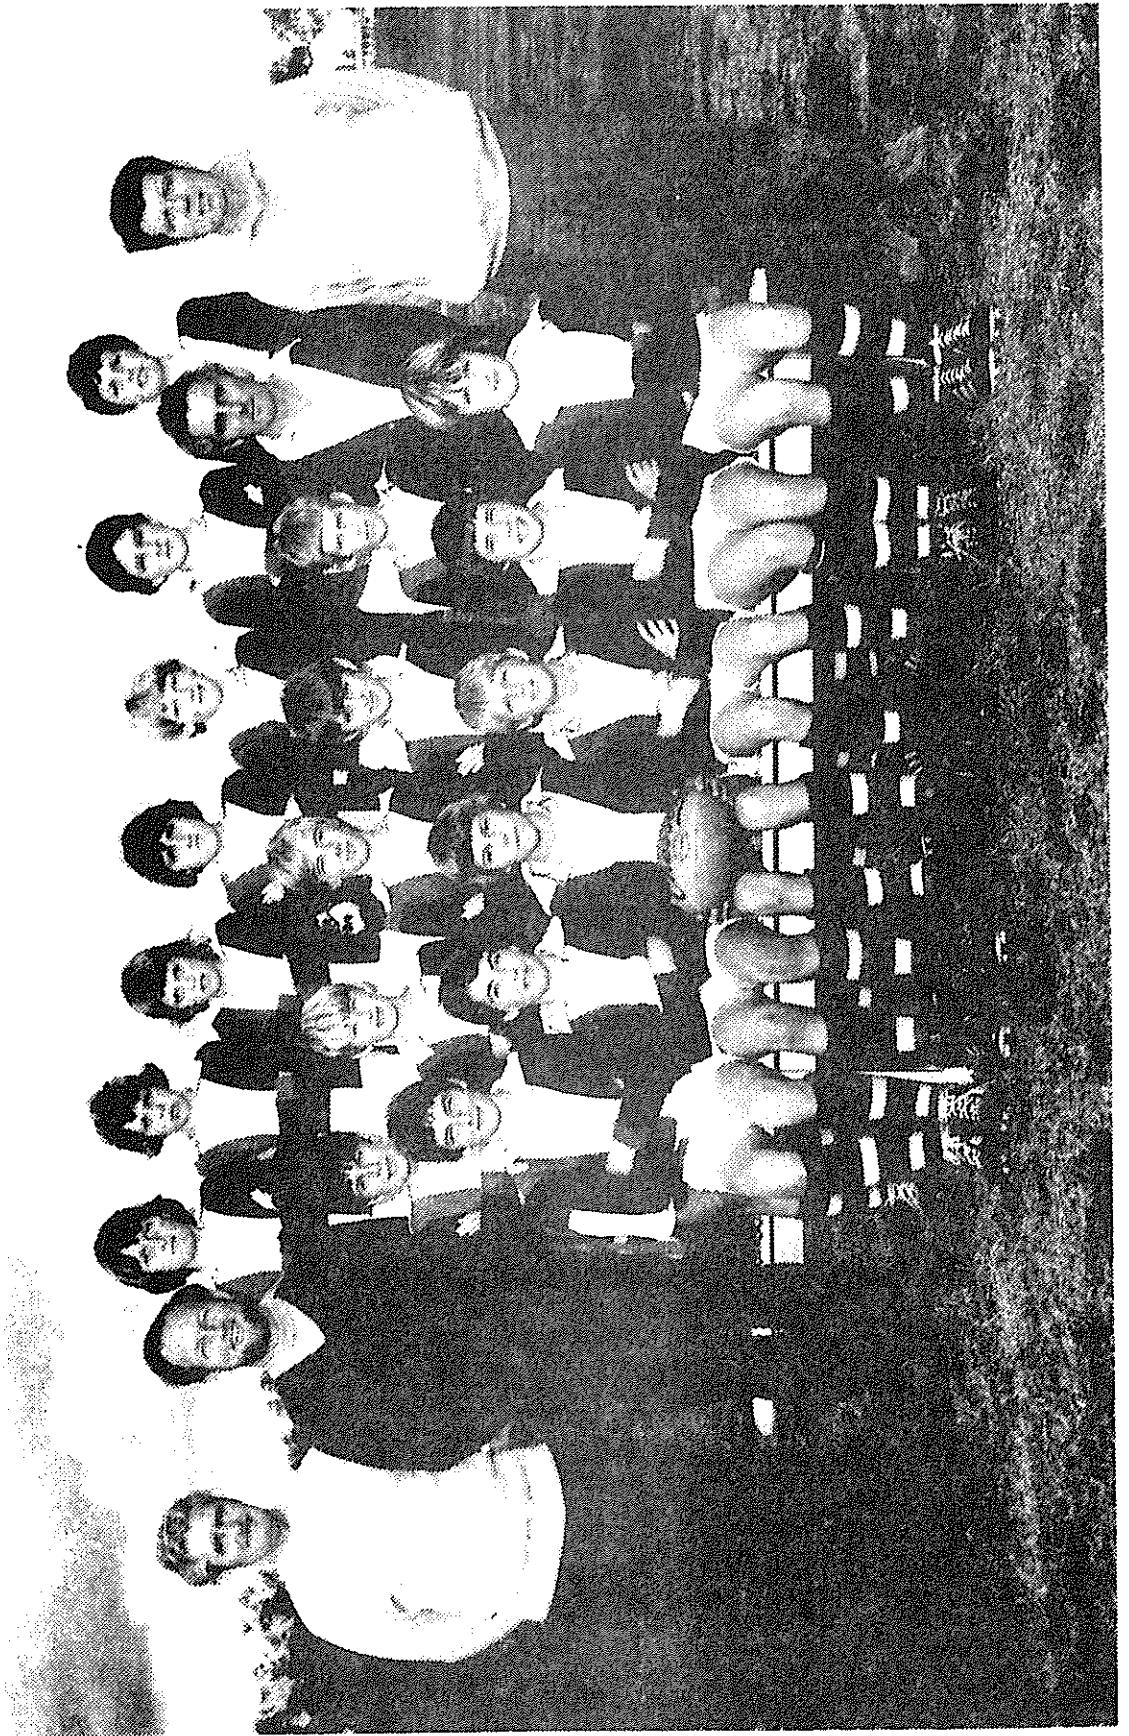

During the Season we had many good players backed up by a team of conscientious Officials, my thanks to Jack Ferrier, Manager, Brian Churchward, Propertyman, Norm Mackay, Goal Umpire, Dave Cargill and Bob Stewart, Time Keepers. My thanks also to Ken Washbourne and Mal Stewart for running the boundary.

My congratulations to the five trophy winners Washy, Kim, Wesley, Mark and Glen and also to Washy for playing his 100th game in the 1st Semi-Final.

Finally I would like to say thanks to every boy in the team for their efforts and dedication throughout the Season and for their excellent attendance at training.

U/15's TEAM COACH'S REPORT

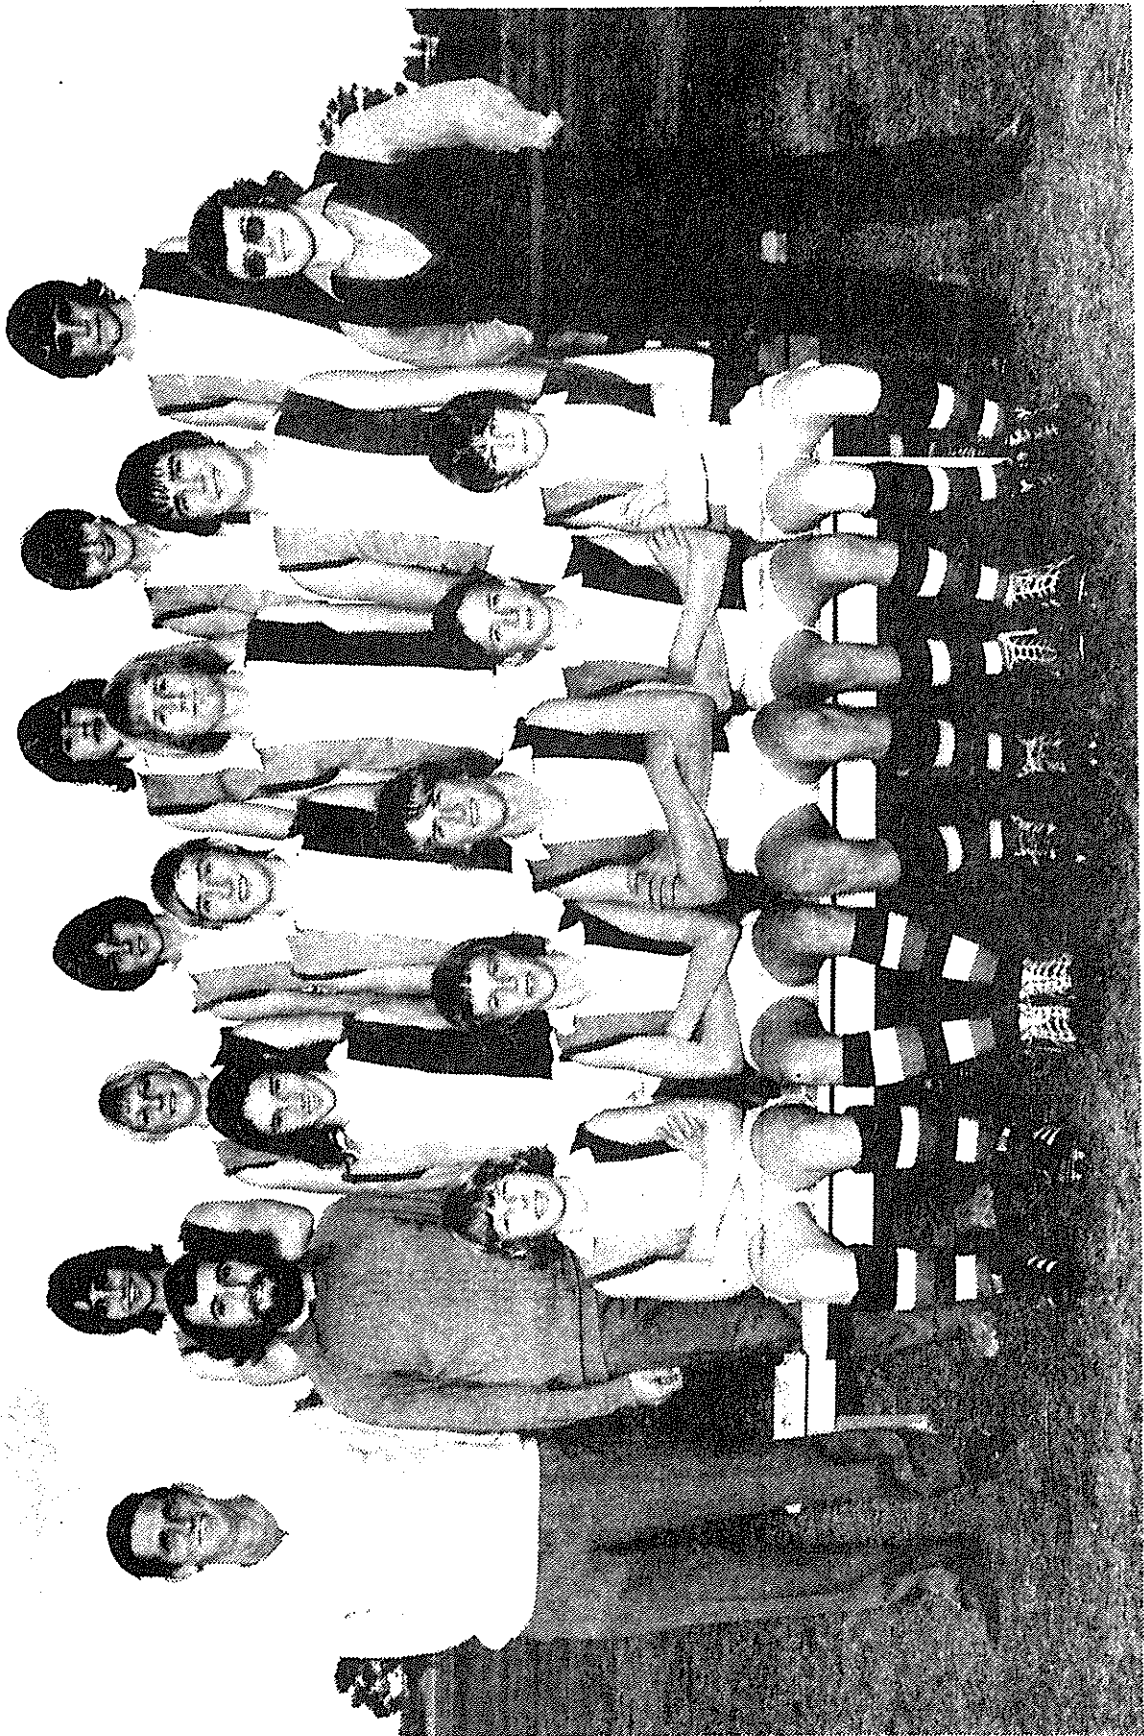

The 1973 Season has not been a successful Season for winning matches due mainly to a shortage of players and lack of application by a few of the more senior players both at training and during the matches.

These players however, were a minority and I am pleased to say that the others were a credit to the Club and themselves.

Team spirit and fellowship between the players have become stronger as the Season has progressed and this augers well for next Season. I would personally like to thank and congratulate Graham Sheard and Malcolm Stewart (Captain & V. Captain resp.) in regards to training, self discipline and their performances throughout the year.

In conclusion, I would like to wish all the players every success for the 1974 football Season.

UNDER 17's COACH'S REPORT

As with the 1972 Season, the 1973 Season started slowly. This was a little disappointing, but after a few games the boys began to combine and play as a team, which was encouraging.

Many things occurred during the year, both good and bad. The recruiting of four former St. Mark's players, Paul O'Mara, John Morrissey, Michael Curran and Terry Gaunt, proved valuable. The selection of Michael Magripilis in the State Schoolboys' team was an honour which he deserved. But an injury to Roger Lekias came just when this boy was beginning to settle into some good football.

Although the team finished 4th, the boys proved they could hold their own with the top sides, and lack of height was a major factor in the team's loss to East Perth in the first semi-final.

I would like to thank Peter and May Woodley, Peter Radford and Tony White for their assistance to me and my team. These helpers were enthusiastic and 100% co-operative all the Season, all of which I greatly appreciated.

As this will be my last year with the Club, I would like to thank the Committee for giving me the opportunity to coach, and I hope I have in some way repaid the Club for the help and encouragement I was given when I was a playing member.

To everyone of the players, I say thank you for providing me with the rewarding experience of knowing you and coaching you. I wish you all the best of everything in your football careers, as well as in your private careers. I hope that some day you will remember the Club and all it has done for you, and return to help in some way.

To all connected with the Coolbinia Yokine J.F.C., may I say thank you for giving me a great two years which I will never forget.

" SPECIAL THANKS "

We would like to sincerely record "Thanks" to those who in some way or another, have done something special for the Club, during the Year and the first who should be mentioned is *Mr. Trevor SHEARD*, who by his generous donation of a Scoreboard to Coolbinia Oval, made a lasting impact that will assist all members of the club for many years to come. It was not an easy task, as the Board had to be designed to City of Stirling Specifications, which meant hours of planning and time. I am sure that the gesture by *Trevor* is appreciated by all who attend matches.

Our Thanks also go to *Peter Radford* who voluntarily took on the task of photographing all the Teams, copies of which were given to all players on Presentation Night, and this at no cost to the parents. All playing members now have a lasting memento of this year through the generous gesture of *Peter*.

Those who use the dart boards can thank *Mr. Peter Morgan*, as he provided the materials and the labour to provide us with this amenity.

When next you look at our Honour Board think of *Mr. Bill Crowe* and *Mr. Bill Forrest* who designed the board after many hours of searching minutes to make sure all the details were correct.

Our thanks also to *Mr. Ray Taylor* who so kindly and efficiently erected the board at our Clubrooms.

Others, who by their support have assisted the Club are *Jim Washborne*, who never refused the use of his shop freezer, whenever we asked, *Ron Devereux* who kindly and quickly made the wooden cover for the pool table, *Alex Dunham* who supplied the blackboards which were used by the Coaches in our rooms, and *Mr. Nick Magripilis* who assisted us whenever we needed nice fresh salads.

I am sure that you will all agree that this is a small way to thank those who have been so kind to us, but all mentioned in this "Special Thanks" I feel sure will realise what we are trying to say.
