## PRESIDENT'S REPORT

Dear Members & Players,

It is with a great deal of pleasure that I present the 1987 Annual Report - the Clubs 26th year.

With a rejuvenated committee early in the season, the Club embarked on an extensive player recruiting campaign with the intention of increasing the number of teams.

Although the number of boys did increase it was not sufficient to field an additional team. However, it was an encouraging sign to see the numbers increase in the 9's and 10's.

Every effort should be made by the Club in 1988 to field a 9's team.

At the commencement of the season the 15's team looked very shaky in numbers, however, with some very hard work by our coach Charles Musca and Max Coleman from Dianella, they encouraged a successful amalgamation with the Dianella 15's who were also struggling in numbers.

Although the team did not win many games they were very competitive and improved as the season progressed.

Not having a 12's Coach three weeks before the commencement of season was posing a problem until Leno Santella accepted the position.

I must congratulate Leno for his tremendous effort throughout the season. A person not having any coaching experience and taking up the challenge to Coach 20 odd 11 and 12 year olds and doing such a fine job should be very proud.

The 10's coached by Cliff Spencer commenced the season with approximately 28 boys, however 4 or 5 were a little too young for that grade and unfortunately the numbers were not enough to provide a 9's team in 1988.

Thanks Cliff for your enthusiastic and dedicated efforts over the past two seasons.

Members may not be aware but the club initiated a sub-committee of Mr Tom O'Farrell and Charles Musca to discuss the possibility of an amalgamation with the Dianella Football Club. At this point in time no formal recommendations have been proposed by this Clubs Committee. It appears a decision will not be made until early 1988.

To all Committee members may I thank them for their efforts throughout the season, a special note of thanks to Dianne Melvin and Tom O'Farrell for their untiring work.

SOCIAL - all teams enjoyed players teas or barbecues throughout the season, and the drink of cordial after each training session which was kindly donated by Harry Bozin of Quick Stop Bassendean was greatly appreciated by all, thanks on behalf of the club.

Although the social evening held by the Club for parents was poorly attended, those who did attend thoroughly enjoyed themselves, thanks to Reg Beall and his lovely music.

In closing, I would like to thank my wife, Carol for her assistance and support.

The Club is in a very sound financial position and when the Amateurs do move across to their new premises it is envisaged to carry out some improvements to our social and change rooms.

Our association with the amateur club this year has been extremely amicable and they are very keen to maintain a good relationship with the view of eventually having the services of young players as they progress out of junior football. A special mention must also be made of their kind offer of three Eagles jumpers to be awarded to one lucky boy from each team.

Whilst on awards the club this year has followed the W.A.N.F.L. policy of not providing trophies to boys playing modified football. The emphasis is now being placed on team participation, not winning premierships and being awarded trophies to a limited number. Each boy is to receive an "Aussie Footy" Skill Certificate Award.

Due to work and Council commitments, this will be my last President's report. I would like to thank those people that have helped me in both my capacity as a coach and President. I have thoroughly enjoyed my 7 years with the club.

Although I am standing down I hope to be elected to Committee to assist wherever possible.

Best wishes for 1988.

T W CLAREY

PRESIDENT

## LIFE MEMBERSHIP

It is with great pleasure that the Committee recommend to this meeting Life Membership to Mr Tom O'Farrell.

Tom first became involved with the Coolbinia Yokine Junior Football Club when his eldest son Bevan commenced playing in 1973. Since then Tom has served in the Committee during the years of 1980,81,85, Vice President in 1982,83, and 1986, and team manager for the 12's in 1985, 13's in 1986 and 15's in 1987.

Even when Tom was not officially involved he has never stopped providing assistance to the club when ever called on and is a person who never finds an excuse for not being able to assist.

As President I would personally like to convey my sincere thanks for his efforts over the many years and also include his wife, Joy, for her continued support to Tom and the Club.

Best Wishes and congratulations from us all.

SECRETARY / TREASURER'S REPORT.

The club this year continued with the policy of keeping fees down to a minimum and there was no increase from 1986.

Although at the time of writing this report the Club's books of accounts have not been finalised and audited, I am pleased to advise that the club completed the season with a small profit of approximately \$200.00.

The club's present standing is in a general club running account and \$4,672.00 placed in a term deposit for three months at 15%.

As you can see the Club is financially viable and is in a sound position to proceed with improvements to the club facilities prior to the 1988 season.

Before closing I would like to thank those boys who made the effort to sell the chocolates.

It has been the Club's policy for the past two years to proceed through each season just to cover costs. This we have more than achieved and I thank all those who have assisted me.

DIANE MELVIN.

TREASURER.

10'S AND UNDER - COACHES REPORT.

The 87 season commenced in great spirit by our youngest players in our club, Some only 6 - 7 years of age until we were able to persuade these little ones to play Freeball and be able to learn the basics of the game in their correct age group. After a few weeks we were able to get down to the serious business of running a 10's grade made up of approximately  $\frac{1}{2}$  9's and  $\frac{1}{2}$  10's.

Of the 13 games played this season we won six and lost seven and acquitted ourselves very well in the 10's carnival finishing in equal third position. Also having one of the players being runner-up in the district for the longest kicking competition at the carnival.

In conclusion I would like to thank all the mums and dads who helped out during the season. Special thanks going to Bob Duschka our drinks and oranges man, Stuart Middleton for acting as Teams Manager when available, Trevor Williams and Mrs Williams for helping out with the jumpers and last but not least, Alan Davison for our Goal Flagging on most occasions.

Thank you all,

CLIFF SPENCER

COACH

## 10'S AND UNDER PLAYER PROFILE.

JOEL DUSCHKA..has this season gone from strength to strength with his skills. Both at training and in the games played and will in my opinion be a great footballer in the years ahead. Good one Joel.

CRAIG SPENCER.has again shown quite uncanny ability to read the play and not lost any of the speed and ball handling skill that is part of the requirement needed in our game of "Aussie Rules". Well done Craig.

BENJAMIN WILKINSON is without doubt in my opinion the best centre half back that I have had the pleasure to coach in a lower grade for many many years and is a delight to have at training. A very good year Wilks.

SHANE CRIDDLE. has again shown very good commonsense for a youngster when playing at full back but when let loose on the ball in the forward line really gives other sides some curry when he ducks and dives toward goal and as stated last year never grumbles. Pleasure to have been your coach Shane.

NATHAN DAVISON. has the determination and desire that is needed in any footy team and does not know the word quit even when the odds have been stacked against us but is prone to chattering when the coach wants to talk, a good season Natham.

BROCK BEALE... if he wanted to would develop into a good junior footballer and has good commonsense on the field during games, training is not one of Brock's specialities which is a pity but all in all I think he has shown that he can if he would.

CHRIS SPENCER. has again this season shown courage that puts others to shame and never gives in when the going gets tough. Courage wins all the way in life. A very good season Chris.

JONATHON GARROOD is our quiet achiever who goes about the business of junior footy in a level pleasant manner never grumbles and always available to take on any task given him. Good boy Jono.

ANTHONY MALLIS Is our youngest member of the 10's teams but by no means the youngest in talent but has shown very good improvement this season and will be a great player for the next season in 9's or 10's.

LEIGH WILLIAMS has this season come along well and is beginning to show a great deal of skill for a young player and will I am sure be quite a valuable player next season in the 10's Well done Leigh. Keep up the good work.

RAYMOND DUNN. came to our club from Nollamara JFC where he played in their 9's grade. Raymond is quite a gifted youngster who is capable of being placed in any position on the field and who can keep that position under control. A very good season Raymond.

TIM HIGGS..is one of our 1st year players who has shown natural ability and good commonsense, also not afraid to ask questions so as to improve his performance. Tim is a delight to have and can go a long way in junior footy, keep your head up and keep at it. Good season Tim.

JARRAD DAVIDSON started this year and immediatly took over our centre where he dominated in most games when available. Jarrad would if he put his mind to it become an extremely valuable player for any coach provided he listened quietly and dedicated himself a little more. All in all a good season and a lot of laughs Jarrad.

STEVEN NELLIGAN has shown at training and in games when available this season a high degree of determination, and listens to every piece of coaching advice given him. Well done Nellie.

TROY FAHY.. has become one of our half back flankers and is quite aggressive in his approach to footy and does not give in at any time. I'm sure he has enjoyed this season in Aussie Rules as opposed to soccer. Well done Troy the Boy.

STEVEN LEWIS is also one of our 1st year players who tries very hard at all times and is well liked by all the team. Louie the fly has improved with every game and will become a valuable asset in the future. Good one Louie.

ADAM MIDDLETON has this season become our lend lease man who never quite knows which team he is playing for on match day and seems to relish playing for the opposition against his own club member. Well done Adam for your unselfish attitude.

PETER DUFFY played only 7 games for us this season before going back to his home in Marble Bar and was sadly missed by his team mates. I hope that he continues his junior footy. Best of luck from your old coach.

LIRON LIPMAN came to us about half way through the season and showed us that we had at last found a full forward. Liron is a popular member of our team and has a good sense of humour when the going gets tough. Great to have coached you Liron.

BEN GILTY commenced the season with us and has shown a great deal of patience and perseverance and tries very hard to come up to the expectations of his team. Keep at it Ben and never give up.

## 12'S AND UNDER - COACHES REPORT

COACH	-	Lino Santella
MANAGER	-	Dianne Melvin
RUNNER	-	John Dunn
PROPERTY	-	Adam Melvin

Season 1987 commenced on a high for our team by winning our first game in the little league against Swans. The players enjoyed a great deal of success by winning 8 out of 11 qualifying games. Whilst there was no premiership table the players showed a tremendous desire to succeed.

Some of the most memorable occasions off the field were the players teas, indoor cricket, swimming and various different training sessions.

The week before the end of season Carnival the players trained with incredible spirit and enthusiasm with the help of Charles and Leon. The players were rewarded by remaining undefeated in the Carnival and winning the Flag. It was such a Great Team Effort that naming best players was impossible.

I would like to thank the parents who helped out all year and in particular Trevor Clarey, Charles Musca, Peter Morlock, Adam Melvin, John Dunn, Jeff Fairelough Snr, and Mrs Princi for donating the weekly oranges.

A Special Thank You must go to Dianne Melvin for her great assistance to me every day, and every week of the football season. Thank you very much Dianne.

Also I am thankful to Harry Bozin who sponsored the players cordial and generously donated other prizes. Thanks Harry.

Finally, to all the players, Thanks for giving me a most enjoyable and memorable season and I only hope that all you boys stick together in 1988 and give the Club the support and success it deserves.

ADAM DUIRS: Adam played the season in the back pocket and showed he can read the play very well and clears the ball to the advantage of his team mates - keep up the good work Adam.

## 15's GRADE - COACHES REPORT

COACH - Charles Musca  
MANAGERS - Tom O'Farrell, Max Coleman  
PROPERTY - Tom O'Farrell  
RUNNER - Leno Santella

This season the available Coolbinia players combined with Dianella and formed the Coolbinia/Dianella Yokine team compromising by wearing Coolbinia jumpers at home games and Dianella jumpers for away games. With the combining of the two groups the boys took time to settle down and adapt to each others playing styles.

The opposition teams excluding one were far more physically stronger and reflected in our performance of winning only one game. However, the team performed extremely well in most games and provided adequate opposition and improved as the season progressed.

Unfortunately throughout the season some of the players received serious injuries that kept them out of the game for several weeks thus increasing the added responsibility to the remaining players.

Socially this year the team had various functions which were well attended and enjoyed by all.

Two players I must mention who made outstanding contributions to the team were TING OH the teams captain and JIM LAZAROU. These two players did everything possible to lift the team each Sunday.

I must congratulate the two clubs on co-operating with the amalgamation of the two teams and beleive that it was worthwhile and very successful.

Finally, I must thank all those that helped (Listed above) and Dianne and Adam Melvin for helping to get the team going pre-season.

It has been a most memorable and enjoyable season having the support of both Committees and players. Thanks to all concerned.

CHARLES MUSCA...COACH

## CLUB FAIREST & BEST AWARDS 1987 15's GRADE

### FAIREST & BEST - TING OH

Ting polled votes in almost every game this season. As captain, he led by example both at training and in the games. Ting marks strongly, kicks accurately and shows a tremendous desire to be first to the ball. Not only is Ting a current member of the East Perth Special Squad he was also picked in all Australian Country Carnival side and polled 14 votes in the District Fairest and Best. Ting is a magnificent player to watch, and has a bright future.

### RUNNER UP - JIM LAZAROU

Well, what a tremendous season of football this player has had. He got within 6 points of being fairest and best to a mighty player in Ting. Jim is strongly built, marks assuredly, kicks over very long distances and is capable of playing anywhere, but plays his best football at Centre Half Back, centre or ruck roving. Jim's attitude to the game is his biggest asset. Football to him is everything. Well done Jim.

### MOST CONSISTENT - STEPHEN DANIELS

Stephen was the teams number one rover for most of the season. His consistency was welcome to a side that struggled on the ball at times. He is skillful and has a positive playing attitude towards the game. I hope you continue playing football you seem to improve with each game. All the best.

### MOST COURAGEOUS - STEPHEN BRENNAN

Stephen typifies the word courage. His approach to the ball is at full force, he doesn't know any other way. Stephen's role in the team was often to negate the skill of some of the opposition players. Stephen answered this challenge time and again with admiration. If Stephen can work on his skills, it won't be too long before opposition teams will use players to tag him. Well done Stephen, I wish you all the best.

GREG HOLLY: Greg came third in the club fairest voting and played his best football at the centre half back. Greg is a delightful boy to have in the side and is a player with a big future.

ANTHONY LEPORE: Anthony came fourth in our vote counting and was also our leading goalkicker. These two achievements plus being one of our best utility players capped off a good season for him.

DUNCAN NICHOLAS - Was having a good season as our ruck rover until he received a painful injury. I hope you have better luck next season.

TRAVIS COOK - Had a few ups and downs this year but continues to show improvement and is a team orientated player.

BRADLEY HUTCHINSON - A very speedy player who lacks a bit of physical strength but always trys his best.

ROBERT MIRCHEFF - Plays below his true capability. With an improved attitude Rob will become an exciting footballer.

TREVOR HARDIGAN - At times, I was very worried for trevor in amongst some of the bigger players, however, he coped and showed tremendous enthusiasm towards his football.

GEORGE CRIPPS - George is a player who has potential but needs to improve in both his attitude and his level of skills.

ADAM MELVIN - Adam played in a very hard competition for his first year in football and gave it his best shot. He is a team orientated player who enjoys his football.

DARRYL WATTERSON - Darryl was the big surprise packet this year. He matured considerably as a player and gave some outstanding performances.

RICHARD LOGAN - A small but very courageous player in his first year 15's game. Great potential and should have a good season again in the 15's next year.

SHANE MCKENZIE - Shane was the winner of the most improved trophy last year, and in his first season 15's grade played some great games from a half back flank.

CORRY JOHNSON - Corry found the going fairly tough this season but never gave up and kicked some handy goals.

JOHN CLAREY - John was having a great season until injured. He represented the interdistricts 14's team and played impressively.

SPIRO MALLIS - Spiro played some very good games but found consistency a problem in a high grade of football. Next season Spiro should gain more confidence.

LEON O'FARRELL - Leon started the season off slowly but soon found some form of a half back flank and played some brilliant games. Leon's attitude to training and playing is tremendous.

PAUL GIARDINA - It took Paul about 7 games to warm up. His last few games were most encouraging. I am certain he will have a good season next year.

In previous years the President's Trophy was awarded to the player who polled the highest number of Club Fairest and Best votes throughout the season thereby becoming the clubs most outstanding player. However this year because of the clubs policy to adopt the W.A.N.F.L. recommendations of no fairest and best awards for modified football, each Coach nominated two players and the Committee voted on the nominations.

This year the trophy has been won by Ben Wilkinson who had an outstanding year in the 10's and under grade..

## NEVILLE REYNOLDS TROPHY

The Neville Reynolds Trophy commenced in 1982 and is in recognition of Mr. Neville Reynolds, the man whose idea it was to start Coolbinia-Yokine Junior Football Club.

This prestige's award is to the player who is not necessarily the best footballer but one who has put himself out to improve his football skills and has shown through his character and actions that he has his Club at heart. In plainer terms he is our Club's Best Player Representative.

The points through which this award has been chosen are quite stringent and a player must qualify on all points to be considered.

The seven points which qualify a nominee are as follows:-

1. Should have attended training regularly.

CONGRATULATIONS LEON - A TRULY FINE EFFORT.

THE TONY ZIMBULIS MEMORIAL AWARD.

(Awarded Annually to the Best Club Person)

THE WINNER FOR 1987.... Charles Musca and Lino Santella.

It was considered by the committee that Charles the Coach of the 15's and Lino who coached the club's 12's grade throughout the past season contributed considerably more than was required. Their devotion and enthusiasm to ensure the club succeeded both on and off the field should be recognised.

Thanks and congratulations to you both for your tremendous efforts.
