PRESIDENT'S REPORT

As another season draws to an end we have time to reflect on our successes and future of the Bombers JFC. This year we fielded teams from Auskick through to the 16s grade with two sides in the 10s competition. All teams performed admirably with three out of our four youth grade teams making the finals - culminating in a premiership for our 13s side. Only the second team in the history of this club to do so with the last being the 13s team in 1998. In addition, the current healthy financial status of the club means we can continue to provide outstanding facilities, resources and equipment to all our teams.

For the first time this year the 12s were jointly coached by Wayne Hartzler and Kevin McSweeney. Following an influx of players and a slow start, the team finally gathered a bit of momentum and showed great improvement and progress during the year. The team was also fortunate to represent both East Perth and later in the season WC Eagles in Little League fixtures. With further improvement and hard work the team can look forward to a fruitful and successful transition into youth grade competition next season.

The 13s were coached by Graham Begg his third season with the team and ably supported by Greg Quain. The team enjoyed outstanding success throughout the season and after finishing third at the end of the home and away games swept all before them with some outstanding performances to beat Cardinals by 10 goals in the first final, then over ran the previously undefeated Cobras in the Second Semi before thumping Ballajura by five goals in the Grand Final to take out the 2005 13s premiership. Congratulations to the team and to Graham on being named this year's Bombers Team and Coach of the Year.

The 14s were lead by a newcomer to the coaching ranks, Kelvin Sharp, with assistance from Jim Vellios. After having played in a Grand Final in 2004 the team was unlucky this year to suffer both injuries and player losses, sometimes leaving them greatly undermanned. Whilst they played some outstanding footy and fought hard to make the finals, the team was knocked out in the Elimination Final. The team possesses a wealth of talent, and with indications of a bigger squad to choose from next year, and the further development of Kelvin as a coach, they are bound for greater success in 2006.

The 15s saw a return to coaching ranks by Kevin Hall. The team was part of a combined East Perth/Claremont competition, which was a strong and tough competition. With players having difficulties attending all training sessions and often having to play undermanned, wins were hard to come by. However, the team showed great improvement as the year progressed and their endeavour and effort could not be questioned. The team enjoyed some great individual performance with David Hall being rewarded with selection in the State schoolboys team.

The 16s also had a great season in a combined competition which saw them beat Marist for the first time ever and if not for a controversial point nearly beat the undefeated Ballajura team. The team progressed to the preliminary final and if were not for some bad luck could also have made a Grand Final appearance.

Congratulations to Leo Schaafsma and Chris Prast on a great job and coaching effort. Lets hope the team can stay together and take the next step and go all the way in 2006.

Highlights during the season included a number of WC Eagles players who came down to training and ran some drills and signed autographs for our youth grade teams while the junior grades were serviced by Essendon players who ran a clinic for those age groups earlier in the year. The club also announced the naming of the clubrooms and stand in honour of a great club stalwart in Charles Musca and from 2006 it shall be referred to as the "Charles Musca Stand". The floodlights are also finally up and running and with some tweaking of the ground for next season will make for a better Oval and training facility.

On a personal note I would also like to extend a special thanks to Chris and Jenny Sara for all their hard work during the season without whose efforts my job and the smooth running of the club would fail abysmally. Special thanks to Kendal O'Reilly and later Sandra Dalli for their efforts during the year to ensure the canteen was fully stocked and ran smoothly and to Errol Couch for ensuring I didn't miss a beat during the year, being our Ground Coordinator during the finals and organising trophies.

Many thanks to all the parents for supporting the club and who assisted with washing jumpers, providing oranges, acting as goal umpires, runners, boundary ump's etc. Special mention to a group of people whose role is often over looked but by no means less important and that is our Managers who ensured team lists and payments etc were handled competently.

Finally special thanks to both Matthew de la Hunty as Secretary, fundraising and producing the Annual report, and Ted Boronovskis for developing and maintaining the website and digitising the club's history of photos. Matthew is looking to step down after 5 years of service – the longest serving Secretary in the club's history. Last but not least, our new Treasurer, Anne Ford has been a valuable addition to the committee this year.

The club can now look forward to a fruitful and productive 2006 season.

12s COACH'S REPORT

My position as the elected coach for 2005 was a great challenge. We were not sure just how many new players to the side would show up on registration day to help boost the numbers from the previous year.

We knew the game was on when 5 new kids rocked up with their parents to sign up all at once.

The team was a mix of past soccer players with past footballers. It did not take long before most of the players had nicknames. The nicknames worked well, due to having 3 Daniel's 3 Michael's and 2 Joshua's.

The boys did well in forming a mateship in a very short period of time, which went along way in forming a great bond of players. The year started with some losses during settling period but after that there were some fantastic wins where the game was played in high spirit. By the end of the year it was clear that the boys teamwork and improved skill levels as well as believing in themself payed off. It could be said that there was only really one team that had the upper hand to the Coolbinia Bombers and that was the Morley Bulldogs. The season ended with that great last win of the year on a full size oval in the torrential rain against Mt Lawley. We saw the boys all come off the ground with a running belly slide thru the club boundary mud puddle, showing sign of true grit for things to come in 2006.

2006 will see the team move into the full size oval with 18 players on the field and where finals are played. To all the boys that played - thank you and we look forward to see you next year, along with any additional players that you guys may be able to work on to play with the club. Remember we now need those extra players to fill an 18-person side plus up to 7 extras for continuity. Please let the club (Kevin or Wayne) know if you have any names and addresses of mates you think want to play in the 13,s next year.

To the manager (Kevin McSweeney) and all the parents thankyou for all the support during the year.

To all the players, Alex Yates, Andrew Scaldaferro, Adrian Glendinning, Daniel McGee, Daniel Bin Omar, Daniel Mcsweeney, Jason Dick, Jordan Dandrilli, Joshua Wright, Joshua Wheeler, Lachlan O'Reilly, Mathew Liscia, Michael Hart, Michael Travaglini, Michael Vizzari, Patrick Thomas Travis Hartzler, Tyler McCamish, Anton Calabro, David Lazarus and Callan Adler - well done.

A champion team will beat a team of champions.

Re Wayne Hartzler (Coach).

13s COACH'S REPORT

What a phenomenal year our 13s team has had, making the finals and winning the Premiership. After being the benchmark team of 2004, we faced a 2005 with 3 of our opposing clubs having combined their multiple teams. This promised tough opposition!

We began 2005 having retained every player from 2004, and added new players Marco "Mad dog" Marcello, Alex "Raging Bull" Rajcevic (returning), Kadin "Slippery" Bauer, Julian "Far out" Faraone, Josh "Whiteline Fever" Chiat (returning), Domanic "The Dominator" Matsumoto, and Scott "The Scrapper" D'Mello. This gave us a full list of 25, including established players Ashley Boyes, Steven Lee, Jake Dalli, Blake Tilley, Billy Duncan, Tyronne Gibson, Mark Schaafsma, Simon Douglas, David Quain, Brendan Ford, Sam Begg, Jack Boronovskis, Jamie Doddemead, Paddy Keeffe, Joey Mirauda, Alec Sara, Nelson Lyall, and Josh Georgieff.

We set our goals; basically improving individually and as a team, and significantly, making the finals. Finals would be one of several big challenges, along with adapting to full rules, full-sized grounds, and the tougher opposition. It has not been easy with 25 players balancing game time for all with our goal of on-field results, but I feel we have struck the right balance.

The transition to full ground size was initially pretty tough; clearly this stifled our flowing game style and goals were harder to conjure. Despite this we started off the year with solid wins, before an undermanned side went down to arch-rivals Mt Lawley. On the rebound we notched a 4 win streak (uncluding an 11 goal thrashing of Ballajura Blue), before going down narrowly to top side the Northern Cobras. We won 3 out of the next 4 (got our revenge on Mt. Lawley, but narrowly lost to Cardinals), before an undermanned side suffered our heaviest loss of the year (8 goals) to Ballajura Blue. A solid win over Bayswater locked us into third spot and delivered us the double chance for the finals. Our strengths included a top class group of midfielders, a solid and sometimes spectacular defense, hard-running wingers, and a well-balanced forward line. Our superior teamwork and ball use, coupled with a deserved reputation as the hardest tackling side in the competition, made us very competitive.

Congratulations to all players on a fine year. Making the finals (finishing third after the home and away series) is one thing, but to perform at a such a high level in the finals (beating 2nd placed Cardinals by 63 points; beating previously undefeated top team Northern Cobras by 23 points; and beating Ballajura Blue by 32 points in the Grand Final) is a superb achievement. This is a very good team and very worthy Premiers. Congratulations also to our trophy winners. Let's look forward to another big one in 2006.

A special thanks to Assistant Coach and Team Manager Greg Quain for his fantastic support and many hours of work. A big thanks also to Team Runner and Assistant Manager John Dalli, expert boundary umpire Phil Douglas, and everyone else who has pitched in. Thanks parents for your support, particularly understanding the constraints imposed by a 25 player list. In last year's report I said we should look forward to singing the club song in 2005. We did, and we enjoyed it. Go Bombers, go Premiers!

Graham Begg

14s COACH'S REPORT

The 2005 year is the first for myself in the coaching role. Rod Astbury has done a great job for the last three years, including getting last year's team to the 2004 Grand Final. Whilst we didn't quite get there again this season, some great football was played nonetheless, and there were many positives overall. We still made the finals, but whilst most of the other teams had an influx of players and full team lists, we often had to play with only 17-18 players. We were dogged somewhat through the season with injuries like rolled ankles, groin strains, hamstrings and back strains - the most serious being Adam's broken arm (We all hope Adam makes a full recovery). Despite these hurdles, the reduced squad showed great character all year and pulled off some solid victories.

The season in general got off to a bit of a shaky start, however by mid season we found our feet and started putting some great wins on the board. Everyone got a lot of game time and we became a tougher, fitter side as a result. Struggling to field a full team all year meant that less-sighted players were drawn more into the game and given more responsibility. There were outstanding efforts by each and every player. None of us will ever forget Travis T kicking 2 goals against the Cobras (half of our score!) on a dirty day at Des Penman.

We finished 5th in the qualifying rounds which gave us a crack at the first elimination final. Mt Lawley came out of the blocks fairly quickly, and by quarter time they had about a six-goal break on our boys. We went on to outscore them for the next three quarters but unfortunately not enough to overhaul the lead they built in the first quarter.

We were lucky through the season with most games being played in good weather, however I felt most of the bad weather was on training nights. The team and coaching staff think it's great standing in pouring rain on a cold winter's night instead of watching the Simpsons - we just love football so much.

As my own coaching skills develop, I have tried to encourage the team to adopt greater fitness in their game, tactics and methods of maintaining possession and an aggressive desire for the footy. Thanks must go to the Club and Stirling CC for the installation of the new flood lights which turn night into day and allow training to continue late into the evening, (even if the Simpsons *are* on).

I must thank the other parents who assisted through the season, mums who recorded the stats, Jane for first aid, Rod's help during the game, Peter doing a great job as runner making sure the boys "man up", Brenton, Josh, John and all the dads who covered water, goals, scoreboard, Lex for doing the boundary, Matthew managing the team, Miles and Nicola for the canteen and barbie and a great help and many thanks all season for training nights to Jim and "Windows".

Congratulations to the players who received trophies, polled in the district F&B and who are part of the East Perth squad. A huge well-done to the players (8) who reached their 100 games this year. It speaks volumes for your commitment to the game, and shows the depth of experience that this team has.

I have really enjoyed this year of coaching and very much look forward to next season. It looks like we will gain a number of quality players from other clubs next year, who like the feel of your team and our club. This is a credit to the way you boys conduct yourselves - gaining the respect of your opponents every year by always playing hard, but fair, footy. I do hope we will progress next season and hopefully finish higher on the ladder but most of all, whatever happens, let's enjoy it and have some fun along the way.

Kelvin Sharp

15s COACH'S REPORT

The 2005 season has come and gone and it is now time to look back and appreciate what a season it was. Once again the team competed in a cross boundary competition, which saw sides from both the East Perth and Claremont Football districts. As in previous seasons the Claremont sides were very strong and hard to beat as were a couple of the East Perth sides, namely Ballajura and Bayswater.

The team this season was made up of 25 eager and willing boys ready to take on all comers. After nominations during training, the team decided on naming David Hall Captain and Robert Faraone and Michael Georgieff Vice-Captains. Training commenced in March and by the first game it was evident everyone was keen to do well. The first game was against Ballajura, who proved to be too good and went on to win. As it turned out they were possibly the best team in the competition.

As the season progressed our boys improved with each outing however managed only a couple of wins for the season. All games were very competitive with some losses being by small margins. A number of games were played with a depleted side, with players suffering from injury, having other commitments and going on school camps, etc.

Although the side was not too successful on the scoreboard I could tell at training and on game days the boys were enjoying the football experience. I have known and coached many of these boys for a long time now and it has been great to see them develop over time in both football and life in general. I would like to thank Bill Grierson, my manager, who has done a great job all year, Stacey Gougoulis for assisting at training and at games, Chris Sara, Errol Couch and all the parents who helped during the season. Even though we didn't win too many games the season was a success thanks to you. A special thanks to James Grierson who ran the boundary for most games. James broke a finger and could not play but was always ready to help.

Congratulations to the trophy winners; Fairest and Best Perry Sanders, runner up David Hall, equal 3rd place to Michael Georgieff and Gus Chetkovich and Coaches Award to Ari Freund. Well played and good luck in your future careers. Well done also to Michael Georgieff, Chris Passaris and Daniel Allsop for passing 100 games. A special mention to David Hall, who represented WA in the State Schoolboys Team in Canberra. A great effort to all those boys.

To all the players, thank you for a great season I enjoyed the experience and best of luck in the future.

- Kevin Hall

16s COACH'S REPORT

This year began with intense pre-season training, with a squad of 28, of which, I had eleven new players from other clubs. We based the beginning of our campaign for the 2005 Season on commitment to each other and the club.

During this time I conducted a player profile on each team member, this profile left me with 24 hopeful forwards and one Docker supporter. Obviously we had to work quickly to produce a back line.

Our Season started with 129 point belting by Ballajura in round one and an 11 point loss to Marist in round two and being my first year as Coach I thought – well, this could be my last. Just to show the true spirit and determination of this team our game in round six – we played Ballajura to a draw and only to lose one more game for the home and away Season – We finished 2nd on the ladder with 10 wins, 1 draw and 3 loses, which I believe to be a sensational effort.

Our finals football started with some of our more quality key players having injuries, but with the positive attitude, hard work, concentration and the need to never give up, the players got within 2 goals behind at ¾ time at the Preliminary final, however they were unable to bring it to glory.

All players showed good development in their fitness, ball skills, and the understanding of the game and most importantly playing as a team. I'm sure if this group of players continues another season together it will take them one step further to winning a Premiership. The talent at the club is promising, with some of our players having the ability to play at a much higher level in the not-too-distant future.

On behalf of myself and the players, I would like to thank all the parents who helped during the Season in various jobs, such as water carriers, goal umpires, boundary umpires and recording game stats.

I would like to make a special thanks to the Manager, Chris Prast for all his assistance and support, always having encouraging comments and a positive attitude towards the team. Also Salv, for being entertaining, and being my runner and delivering messages and words of encouragement to the players during the game. I'm sure there is not a runner that persists doing roly-polies on the ground during a game and using an unusual pain remedy for backache.

To all the boys in the team – well done, you should all be proud of your success throughout the season and I hope to see you all playing for the Bombers in 2006. I would also like to congratulate Vince Mirauda and his committee for all their efforts and support given to all the players of the Bombers Junior Football Club and to Graham Begg for taking the 13's to win the 2005 Premiership.

Fairest and Best

Aaron Wheeler

Aaron is a coach's dream come true – he understands what is needed from him, his attitude towards football is focused and he puts 100% into training, which reflects in his game. His work ethic and skills suggest a very promising future. Congratulations Aaron.

Runner Up

Perry Marvelli (Cap)

I asked Perry to take on the responsibilities of Captain, which he accepted without hesitation, he showed leadership qualities, developing him into a valuable team member. Perry has a natural skill and hard at the ball attitude which will take him to a higher level of football. Thank you Perry.

Most Courageous

Scott Horsburgh

Scott has a never say die attitude, continually works hard and always has his head over the ball – meaning being in front, first to the ball, in the midst of the packs. Scott has good ball skills and understanding of the game and suggests a promising future. Well-done Scott.

Valued Key Position

Alex Schaafsma

Alex put in a huge effort all Season as our number one ruckman. Alex won 98% of all his ruck taps even though he was hindered with knee problems but was still a major part of our success throughout the season. He was also valuable around the ground taking winning marks and penetrating kicks into our forward line. Thanks Alex.

REGISTRAR'S REPORT

Well!! What a successful year we have had. We had 193 players in the 9's-16's competition, including 17 clearances in and 10 clearances out.

Again, we were faced with mastering a new computer programme. The coaches and managers coped admirably, and I am still working towards further improvements. One aim I have is for the inclusion of games played tallies for each player. It has been a season long struggle to obtain these figures from the association. I have attached a list of players and their totals so far. These figures do NOT include the junior carnival games (players will be credited with one game) or finals games. I will add these prior to the 2006 season.

If any names are missing, please contact me ASAP to rectify the matter.

Thank you to all families for paying fees prior to the end of the season. Next season, you will notice a slightly different format for registration and fee paying- all to make my life easier.

I would like to take this opportunity to thank all the coaches, managers, committee parents and mostly, my husband Chris, for all their help, patience and support over the season.

Thank you and cheers,

Jenny SARA

CLEAN UP COOLBINIA DAY

.....

On Sunday 18th September, at 9am, we will be having our final clean-up and pack away morning at the clubrooms.

Coaches/managers are to return all equipment and jumpers (washed of course) on this day.

Assistance with the general tidy-up of the rooms by any other parents who can make it down will make the morning quicker and merrier. (Some refreshments will be provided for the helpers!)
