## President's Report 2012

Well what a year 2012 our 25<sup>th</sup> Anniversary Year has been. There have been quite a number of significant achievements over the course of the year and I'd like to share them with you.

Our season kicked off with a Family Fun Day to allow the younger members of the club to celebrate our 25<sup>th</sup> Anniversary and the commissioning of our fourth light tower. The light tower was a three year project which was led from start to finish by our immediate past President Graham Begg. Lindsay Dick (Coach of our Year 10 team) from DCE Electrical was the electrical contractor who made it all happen and the full ground can now be used at night for training. Gents you've helped us create a facility which is the envy of many clubs in the district. Thank you.

In June we celebrated our 25<sup>th</sup> anniversary with a function at the Mt Lawley Bowling Club. Keith Henneker led a dedicated group which organised this function and a great time was had by a large group of past and present parents and volunteers and even some past players.

On the field, our Auskick Centre continues to provide an excellent environment for our youngest members to learn the game and importantly have some fun with their parents. The number of Auskickers at Coolbinia increased by 35% this year – testament to the amazing job Wayne French and all of the coaches and assistant coaches have done in the past few years. A strong Auskick centre underpins the future of the club so thanks again to everyone involved in the Auskick program.

Our girls football program continues to prosper with strong numbers of young ladies having a kick with us. The Bomberettes Auskick group were coached by Richard Edinger and the Junior Girls by Craig Goodwin. Thanks for your efforts guys.

In the modified rules we fielded teams in Year 4, 5, 6 (two teams) and 7. Thanks to the Coaches and Assistant Coaches of these teams for helping to create an environment where enjoyment, skill development and participation were all important. It was great to get down on Saturday mornings to see the kids enjoying their footy so much.

Our youth teams this year participated in the Year 8, 10 and 12 competitions. Our Year 10 team has again made the finals and we look forward to them doing their best in the coming weeks and maybe bringing home another flag.

## President's Report (cont..)

The Year 8 and 12 teams played with great spirit all year and just missed out on playing finals footy. Boys we are just as proud of your efforts too. To the Year 12 boys who are leaving us this year good luck in the future and we look forward to watching your achievements in football and in life.

Our club has established a reputation for managing events successfully and we were offered the opportunity to host the Year 3 Auskick Gala Day in July and the first week of the district finals series in August. These events significantly increase our canteen takings and enable us to keep our fees low so thanks to all who volunteered to make these events run smoothly.

A number of individual achievements by our club members need to be acknowledged.

Jedd Busslinger (Year 3 Auskick), won the Round 5 NAB AFL Auskicker of the Year award earlier this season. By winning this, he will be presenting a medal on the winners dais at the 2012 AFL Grand Final as well as earning himself and one of his parents a trip to Melbourne for all the Grand Final excitement!! Abraham Kennedy (Year 10) was selected in the WA State Schoolboys team which travelled to Adelaide to compete in July. Thanks to the generosity of our sponsors, particularly Tony Salerno at AHG, and those that attended the 25<sup>th</sup> Anniversary function in June, the club was able to fund all of Abe's costs to participate.

The continued support of our sponsors has allowed us to provide the merchandise the boys and girls have received for the past few years. This has certainly given the club a real identity and a presence - it's great to see the kids arriving at games in their shirts, jackets and with a Bomber bag. Thanks again to AHG, our Platinum Sponsor, for their continued support and for providing the gear bags this year as well. Parents your support of all of our sponsors who are listed on Page 14 is greatly appreciated.

Finally to our committee, coaches and assistants, managers and all of the volunteers who make our club work sincere thanks. We simply can't provide such a great place for our kids to play footy without you. Thanks and well done.

The Coolbinia Bombers JFC has always operated with 3 key focus points: Footy, Family and Fun and I look forward to seeing you all in 2013 as we continue to deliver on these.

Cheers

Luke McNiece

## Registrar's Report 2012

This year the Club fielded 3 teams in the Youth Grades and 5 teams in the Junior Grades. In the Youth Grades we fielded a Year 8, Year 10 and Year 12 team. Our Year 12 team also included a number of Year 11 aged players. All up we had 74 registered Youth players. In the Junior Grades we fielded one Year 4, Year 5 and Year 7 team and two Year 6 teams. All up we had 85 registered Junior players.

This year the East Perth District implemented Age Groupings across all Grades to align with the school years. So, instead of having 13's through to 17's the District had Year 8 through to Year 12. Previously, this was being gradually introduced through the younger Age Groups. In light of this change and taking into account the way that our registration numbers 'fell out' in the Junior Grades, the Club undertook an exercise to realign all players (in the main) into their correct Age Group. We would like to acknowledge the support of Coaches, Team Managers and Parents in successfully managing this transition which, at the end of the day, was in the best interests of the Players and the Club. (cont...)

---

## Registrar's Report 2012 (cont...)

On the note of player numbers, ideally, the Club would like to have two teams in each of the Junior Grades with an ideal number of players in each Junior team being around 18 players (with a minimum of 15) and a squad of around 25 players in Youth teams. Having two Junior teams places the Club in a good position to field a Youth team with good numbers when players move from Year 7 into Year 8.

This year the Club embarked on a player recruitment program by providing \$40 EB Game Vouchers to any players who introduced a new player to the Club. This resulted in 11 new players coming to the Club through the efforts of their mates and \$440 of EB Game Vouchers being shared amongst our existing player group. This incentive will continue into the 2013 season in an effort to continue to increase our player numbers, particularly in the Junior Grades.

In closing I would like to thank all Team Managers for their assistance and ongoing communication during the season which has assisted me greatly in keeping on top of things.

I look forward to doing it all again in the 2013 season; in the meantime enjoy the off season and stay safe.

Craig Austen

# Canteen Report 2012

The Canteen has had a good year overall and this only happens when we have plenty of help from the team managers and good attendance by the families scheduled on the roster each weekend. So a great big thank you to everyone!

There are a few particular 'thank-you's' I want to hand out... one to Wayne French and the French boys for their tireless work on Auskick Sundays helping with bread collection, BBQ and canteen set up. Auskick continues to be our most hectic time with plenty of sales during the session and a bumper queue of customers at the end of the session so it is a steep learning curve for our volunteers. A heartfelt thanks also to Fiona McNiece and Morena Austen for 'holding the fort' on a large number of occasions throughout the year.

It was very helpful to have a supermarket for placing orders each week where I could go and collect the boxed items quickly and easily. Thanks to Max Rayner and staff for supporting our club in this way and giving us a discount as well!

Next year, to spread the Canteen workload around, I would like to find people to take responsibility for the Saturday set-up/close-up and the Sunday set-up/close-up. I will continue to do the canteen stocking during the week but will no longer have a child at the club playing on the weekends so am handing those jobs on.

Please let myself ([clemnico@inet.net.au](mailto:clemnico@inet.net.au)) or Luke McNiece know if you would like to help us out doing one of these tasks, the rewards for volunteering and being part of a well run club are many.

Clemency Nicolson

## *25th Anniversary Celebrations*

This year marked the 25<sup>th</sup> Birthday of the Coolbinia Bombers Junior Football Club. To celebrate and acknowledge this terrific milestone a function was held at the Mount Lawley Bowling Club on Saturday 9th June. This was an opportunity to catch up with others who had been involved with our great club in the past and to spend some time with the club's current group of volunteers and parents.

Our club has grown and become an integral part of the local community through the development of both male and female teams and this event highlighted our achievements and success as a club.

A big thank you must go to Keith Henneker, and Club Secretary, Helen Watson, and the many workers who helped make the event an enjoyable and memorable evening for all who attended!

## Auskick Season Summary

The 2012 Coolbinia Bombers Auskick season was a great season with our numbers ever expanding. Over the years we have created a wonderful environment at our Auskick Centre which is testament to the quality of the people involved at our great club. We are certain the club will benefit from the growth in numbers for many years to come. In total we had over 220 registered Auskick players on our list and this year, we were forced to use the Coolbinia No 2 Ground to accommodate all of our teams! All this results in a great atmosphere on a Sunday morning so if ever you wish to see a heap of smiling faces and footy being played in its pure form, then next season, make your way to our Auskick sessions and you will witness a heap of fun and enjoyment on the faces of our Coolbinia Auskickers and their parents!

This year the Auskick Year 3 format was changed to include a number of Interclub fixtures to allow the Year 3 boys to begin to play footy against players from other Auskick Centres. Our boys played an excellent brand of Auskick footy under the guidance and support offered by the coaches in Jason Dallman, Daryl Collins and Grant Hills. Next year, we hope to have at least 2, maybe 3, Year 4 teams moving into Modified Rules so good luck to the Year 3 boys as they leave the Auskick nest!

## Auskick Season Summary (cont...)

We enjoyed 12 Auskick rounds this year including 2 Year 2 gala days as well as 2, Year 3 Gala Days. These days are always well organised by the East Perth District and enjoyed by all. We were also lucky enough to be invited to play at Medibank Stadium in July. Again, the players who participated had loads of fun playing on a WAFL ground.

Some special congratulatory news during the season went to Jedd Busslinger. Jedd (one of our Year 3 Auskickers), won the Round 5 NAB AFL Auskicker of the Year award earlier this season. By winning this, he will be presented with a medal on the winners dais at the 2012 AFL Grand Final, as well as earning himself and one of his parents a trip to Melbourne for all the Grand Final excitement!! Congratulations Jedd, this will be an experience you will never forget so from all of us at Coolbinia Bombers, we wish you well for the Grand Final and your future football career!

Our Bomberettes program has again been a huge success. Special thank you to Richard Edinger and his band of helpers who all throw a lot of energy and effort into the girls program. It is great to see the pink footies being kicked and handballed around the oval on a Sunday morning and to the parents of these brave and courageous little girls, thank you for being so encouraging. We are proud to be a provider of pathways for female footy and we aim to continue to grow this part of the club.

To the band of coaches who provide a huge commitment, I personally wish to thank you for your efforts and ultimately your enthusiasm which is evidenced by the sheer joy and excitement seen on the young faces of our Auskickers. I must name them to ensure they are acknowledged for their great work: To Toby and Yana Seager (Pre Primary), to Tori Audino (also Pre Primary), to Ben Johnson (Year 1) and his band of wonderful assistant coaches, to Adam Portaro (Year 2) along with his assistants in Daniel Maher, Gavin Kikiros and Duncan Kegg. To Jason Dallman, Grant Hills and Daryl Collins (Year 3), Richard Edinger (Bomberettes) again guys thanks so much for making my job so easy. Special thanks to Adam Portaro and Gavin Kikiros for ground marking the Auskick grids every second week throughout the season. That was very much appreciated and a wonderful example of two men who are absolutely committed to providing the best Auskick program possible for our kids.

To Clem Nicholson (our Canteen Manager extraordinaire), thank you for assisting and managing the canteen on Auskick mornings and evenings. The traditional Auskick Sausage Sizzle is an important part of Auskick folklore and a "must have" at all Auskick events. Clem, your energy and ability to coordinate what is a very busy canteen is brilliant so thanks for your great efforts!

To the parents of our Auskick players, I think you are the best group of Auskick parents in Australia!!! Your preparedness to get in and help with coaching, organising, assisting in the canteen, helping at our gala days etc etc makes for a very successful Auskick Centre. Part of the Auskick philosophy is about encouraging parents to get in and be involved in their child's sports and for me, to sit back and witness the extent of parental involvement at our club is very satisfying. Please do not hold back in your preparedness to offer help because we will always have things for you to help with. The kids love seeing Mum and dad involved so we look forward to having this great support continuing as the Auskickers develop into future Coolbinia Bomber footballers!

Finally, I wish to thank Luke McNiece and the committee for your guidance and support. You have been very supportive and your heart and soul is about the success of the club. This year is my last season as Auskick Co-ordinator and I look forward to still being a parent on Sunday mornings and being involved as much as I'm needed to be! I have absolutely loved my involvement and I will reflect on my involvement with great pride for years to come. I do encourage people to never hold back in offering your time as a volunteer. It has taught me a lot about myself over the last 3 years and to see ultimately kids in a park on a Sunday morning having a kick of the footy with Mum and Dad and really enjoying themselves gives me a great sense of satisfaction.

Looking forward to 2013 already!

Wayne French  
2012 Auskick Coordinator

## Junior Girls Coach's Report

The Junior Girls season started off with just 12 girls, but with some referrals from East Perth and some word of mouth we ended up growing to 22 during the season. The new additions to the Coolbinia Bombers fitted in very well. It has been especially pleasing seeing some of the older girls who have been involved with Junior Girls for a few years develop into some very good players. The girls that came through the Bomberettes from last year have been a fantastic inclusion to the Junior Girls and have certainly held their own. It is a credit to the development that is done in the Bomberettes.

The participation of parents through the year has been great and a special thanks to John Murray & John Worthy for their efforts.

The season has seen lots of variety. The opportunity to play at Medibank Stadium at half time of the East Perth Peel game was a great experience for the girls who could make it. The girls also participated for 8 weeks in a Friday night competition that was run by Swans. The girls certainly represented the club very well. We always had the best numbers participating with full Bombers attire. The highlight for some of the older girls was the chance to join some of the girls from the Swans competition to play at half time of the Dockers game for Womens round. It was a great opportunity and they certainly put on a good show.

The year rounded off nicely with the much awaited Mum (or Dad) v Daughter game on the last Sunday. It might of had rain threatening, but it certainly did not frighten off the parents or the kids. It was a fantastic competitive game which, even with the widened goals for the parents, saw the Girls pull through for a close win.

They are a lovely bunch of girls who are a credit to their families.

Craig Goodwin  
Coach

## Year 4 Coach's Report

This season all the boys have been outstanding not only in their commitment to game day with very few numbers absent, but also with their full and consistent turn out at training. I have witnessed their skills develop throughout the season to a level that makes them a competitive and sometimes dominant opposition.

The boys have shown great mateship and I feel have bonded on and off the field. We have a great group with some outstanding young talent, their progress not only as a team but as individuals has been remarkable.

I was fortunate to coach most of these boys last year in Auskick and with the addition of a few new faces it has been very rewarding to again be part of their football experience. I hope the boys enjoyed the season as much as I have.

I would like to thank all the parents for their support throughout the season - we could not have done it without you guys. I would like to especially thank Shaun Nicholls, Daniel White, Luke McNiece and Craig Austen.

A special thanks to my manager, Louise Jones who carried the bulk of the workload. Lou made it possible for the season to be a success.

Paul Gorman  
Year 4 Coach

## Year 5 Coach's Report

Another footy season has come to an end and what a season it was for the year 5s. I know we are not supposed to keep score (try telling that to the boys), the fact we went through the season undefeated was one small reason why our season was a successful one. It seems so long ago that the season kicked off with a carnival we hosted at home. The effort shown that day was a taste of what was to come for the remainder of the season.

With the changing of rules regarding playing in your year group the team consisted of many new faces. With so many new faces it was going to take some time for the boys to gel, to my surprise it didn't take long for the boys to play great team football. The new boys blended in straight away and a great team spirit was displayed by all along with real sportsmanship. Aidan, Mathew, Leon and James showed real leadership, while Oisin, Illia, Isaac, Josh, Shawn, Henry, Jed, Kyle, Brandon and Sam showed huge improvement and new boys Blake, Dion, Jacob and Ben were a real asset to the team.

I would like to thank Peter Wright for his great work as team manager for a 2<sup>nd</sup> year and Craig Austen for his tireless work for our team and the whole club. To all parents for bringing the boys to training and your support on match days. It has been a pleasure to be involved with you and your boys for season 2012. I hope to see you all next year!

Nick Cox  
Year 5 Coach

## Year 6 Red Coach's Report

Season 2012 has been an excellent one for Bombers Year 6 Red. It was very rewarding from a coach's perspective watching the players skills develop as the season progressed across the whole team.

During the season emphasis was placed on a "run and carry" game style which allowed the players the freedom to take the game on at every opportunity which they did with great enthusiasm. It was also most pleasing watching the players improve with their skills, hitting their targets, tackling opposition players, shepherding and unselfishly handballing to team mates in better positions.

There were highlights from every game played, but the biggest highlight was the team spirit shown by all after a blending of new players to the club with existing players and players coming down from a higher grade to develop

## Year 6 Red Coach's Report (cont...)

into an enthusiastic willing bunch. Our squad for the 2012 season included the following players:-

Sean Agoma  
Thomas Allen  
Edwin Boampong-Appiah  
Matthew Caruso  
Cormac Cox  
Darcy Crowe

Seth Dujardin  
Kieran Dyblik (50 Club Games)  
Julian Granato (50 Club Games)  
Jack Mitchell (50 Club Games)  
Henry Robinson  
Thomas Satterthwaite

Leighton Scanes  
Carmine Scibilia  
Samuel Steel (50 Club Games)  
Ben Tricoli  
Samuel Whyte (50 Club Games)

Congratulations go to those players who notched up their 50<sup>th</sup> club games during the course of the season.

My role as coach is easy in comparison to the Managers role. Special thanks to Christina Caruso who did a great job as Team Manager.

Many thanks to Assistant Coaches, Daniel Whyte and Mel Tricoli and Coaching Coordinator Sam Caruso for their support and encouragement. To Jai, Bruno, Colin, Dom and Paul who assisted as team runners throughout the year. All their football knowledge was greatly appreciated. Also a massive THANK YOU to the entire parent group who assisted with team duties on training nights and game days throughout the entire season. You all contributed in creating a positive and enjoyable environment.

Finally, a special thank you to the players themselves for providing such wonderful memories. An enjoyable season for all! Go the Bombers!

Richard Dyblik  
Year 6 Red Coach

## Year 6 Black Coach's Report

The Year 6 Black Team has gone from strength to strength under the guidance of coaches Ian McKay and Stephen Tipping. The players really gelled as a team very early in the season (no small feat considering most of the players did not even know each other's name on the first game) and they are playing fantastically *together*. All the players are shaping up to be not only great at football, but spectacular sportsmen and women.

Mark Kouroulis, Zach Kouroulis, Adam Italiano, Sean Carroll and Jake Lincoln all celebrated their 50 game milestones, with Nathan Tsolakis and Reuben Pasalich completing theirs before the end of this season.

The highlight of year was the Year 6 Derby played on 21 June. Both Year 6 teams played an excellent game and the friendly competitiveness on and off the field was a wonderful thing to see.

Team Manager, Peta Tsolakis, along with the coaches would like to thank the parents and carers for fostering a great atmosphere, for stepping up and attending to their rostered duties and giving their full support to the team. Their commitment has made this year a very smooth and enjoyable year.

Ian McKay & Stephen Tipping & Peta Tsolakis

## Year 7 Coach's Report

Our Year 7 team was thrown a huge challenge at the beginning of this football season with the loss of a number of our core group of players back to the year 6 teams. This seemed to be an insurmountable obstacle for us to overcome at the time. However, our boys showed their true grit and wonderful character as they shrugged off the difficulties faced by this challenge and through a well-orchestrated recruitment drive strove to rebuild our team.

We started with a team of 18 players who were divided into 3 distinct categories: boys who were new to 'the team', those who had never played football and the remainder 'old boys'. With this formula, we seemed to have an uphill battle to play competitive football, not a pleasant thought before we had even got started!

Bailey, Ben, Caleb, David, Jakeb, James, Josh, John, Kaleb, Keegan, Luca, Matson, Michael, Nathan, Rogan, Sam, Scott and Tahaton - what a surprise package this team has turned out to be – cohesive, competitive and overall a hugely successful season on field. We have finished the season far better than we could have imagined several months ago, and with a bonus 19<sup>th</sup> player (Jack) returning from Canada to slot in to the group and play the last few games.

All of our players have improved their skills and fitness levels throughout the season and the manner in which our year 7 boys have worked together to rebuild and become a very efficient team of players has been a real treat to observe. They should all be very proud and very happy with the results.

I have thoroughly enjoyed coaching and owe many thanks to the terrific group of boys, to our very supportive parent group, to Anthony Lenzo for doing such a great job assisting with the coaching and to Les Emery for his usual and much appreciated efforts as Team Manager.

Several boys reached 50 game milestones during the season and congratulations go to Luca Incani, Josh Smith, Sam Wood, Nathan Emery, David Slater and James Constantine for this achievement. I hope that we can all re-group next year (with a few more boys in the mix) for an equally successful Year 8 team.

Gary Taylor  
Year 7 Coach

# Coolbinia Bombers JFC Day

## Medibank Stadium

**GO THE BOMBERS!!!**

The Coolbinia Bombers JFC day was held this year on the 7th July, 2012 at Medibank Stadium. East Perth hosted Peel Thunder under clear winter skies, showcasing the Auskick year groups as well as the Modified teams at half time.

We had strong numbers from Auskick with 60 participating on the day on the eastern side of the oval as well as the Modifieds who fielded a game in front of the main grandstand for all supporters and members to enjoy.

This year the club was proud to play the year 4-6 Modified teams, but were particularly pleased to be joined on the field by the youth girls! The day was a great success and all kids had a memorable time not only playing in front of a crowd but also cheering on their AFL heroes Jack Clarke and Adam Selwood as they ran through the tunnel 'high fiving' them onto the ground.

A big thanks to Sam Caruso (Modifieds Coaching Co-Ordinator), John Murray & Craig Goodwin (Junior Girls) and Darryl

Daniel Whyte
