TEAM SONG

See the Bombers fly up, up, to win the premiership flag.
Our boys who play this grand old game,
Are always striving for glory and fame!
See the bombers fly up, up, the other teams they don't fear.
They all try their best, but they can't get near,
As the bombers fly up!

YEAR 5 MANAGER'S REPORT

For the Year 5 boys the 2013 season started and finished at the home of the Morley Bulldogs in Coode Street. However the comparison stops at that point. The contrast in skill level and application of the boys from the start to the finish was amazing following 16 rounds of games and coaching under their belts.

The Year 5 coach (Shaun Nicholls) took on a group of boys that had quickly picked up the basics of the game in 2012. In 2013 Shaun is to be commended for his efforts in motivating the boys while maintaining their focus on skill development and fair play. This was demonstrated in the consistent team effort applied in the final 4 games of the year. Each of these games were hard fought, but in each case the Year 5 boys finally prevailed due to their ability to stay focused on task and playing the ball.

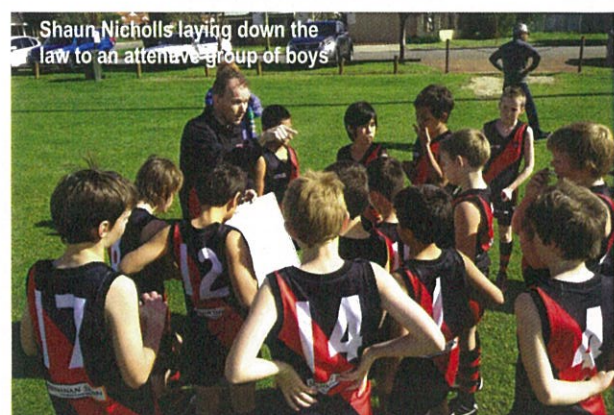

The boys have some great strengths to take forward into 2014 with a strong team bond and three focused groups including: solid defence marshalled by Julian and ably supported by Kinta, Nicholas, Brendan, Les and Jess; a combative and energetic midfield of Jack, Dylan, Michael F, and Daniel; and a skilful forward line developed around James and supported by Josh, Michael T, Will, Jason and Christan. Of note was how quickly our two new members (Jason and Les) fitted into the team and developed skills and confidence, with Jason learning to find open space and kick goals and Les being strong in the contest and willing to compete for the ball – well done to both of them.

Following an extended period in the season when the team was stretched to field 15 players due to injury, it was great to see Daniel back on the field for the last game and Josh with his cast removed, supporting the boys from the sideline. Many of the players were moved from forward to back and visa-versa during the last game due to the frenetic pace and tough physical contest. Their versatility and understanding of various roles on the ground was clearly demonstrated and this is a credit to Shaun's coaching throughout the year. The game culminated in probably the individual goal of the year by Dylan.

We wish the boys a safe and enjoyable summer and look forward to 2014. It is a pleasure to work with a supportive cohort of parents who assist the development of the boys both on-field and off-field. A particular thanks to Marco Tassone for his supporting coach role and Greg Brennan for being the financial sponsor of the team and for assisting Shaun in some skill sessions. Final votes of thanks to the Coolbinia JFC committee members who have made this club run smoothly in 2013.

Alex Gower

Year 5 Manager

YEAR 6 COACH'S REPORT

Another footy season has come to an end and it was another enjoyable and successful one. After a slow start to the season at our carnival at Mt Hawthorn the boys hit the ground running and played some great football in the early part of the season. The effort shown was again of a high standard and the team work and skills improved each game.

With some new faces and plenty of familiar ones the boys continued on from last year and were proving hard to beat and became the benchmark team of the year 6 competition. The new boys blended in straight away and a great team spirit was displayed by all along with real sportsmanship. I have always been very proud of how the boys conduct themselves on the field and this year was no exception with all boys accepting the umpires decision at all times. One low point of the season was the season ending injury to Dion Yianni. Dion was badly missed both as a leader on the field and a very popular member of the team.

I would like to thank Peter Wright for his great work as team manager and all the other dad's who helped out at training and made my job a lot easier. To all parents for bringing the boys to training and your support on match days. It has been a pleasure to be involved with you and your boys for season 2013.

Nick Cox

Year 6 Coach

A special mention to Christina Caruso. The involvement and support she offers our group, even though she has official duties with other Year groups, is unbelievable.

Lastly, thanks to Luke McNiece, Daniel Whyte, Craig Austin, Helen Watson, Keith Henneker, Sam Caruso and Mil Preiato and Year 4 co-coaches Chris Abrahamson and Steve Cathcart. You all make the CJFC a great place to be involved with.

Year 4 Black – 2013

Tyrique Bisnath, Tom Booth, Jedd Busslinger, Lucas Caruso, Jordi Collins, Rory Colquhoun, Kaiah Dallman, Alex Devilee, Xavier Giumelli, Zhan Jankulovski, Rohnan Klifunas, Brad Lawrence, Smiley Mettam, Luca Rados, Vasilie Yiannakis

Bring on 2014! Go Bombers.

Daryl Collins

Coach, Year 4 Black

4

BLACK

YEAR 4 WHITE COACH'S REPORT

Each player in the Year 4 White team can be proud of their 2013 season in terms of effort, individual skill development, but more significantly working as a team and getting better after every game. The boys showed up each week to training and matches with enthusiasm and really enjoyed being part of the team.

The 2013 squad included:

Adam Shainfeld, Benjamin Turibaka, Magnus Cathcart, Aidan Herbert, Harry Whyte, Reagan Warr, Aiden Fraser, Josef McKenna, Seth Charsinsky, Aron Schneider, Joshua Wong, Tony Omelchuk, Avi Kotkis & Lachlan Satterthwaite

Special thanks to our manager Patrick McKenna and to the parents for their support. Finally, big thank you to the players – you guys are a fantastic bunch and I really enjoyed coaching each of you this year. All the best for the seasons to come.

Steve Cathcart

Year 4 White Coach

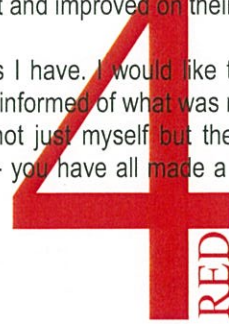

YEAR 4 RED COACH'S REPORT

This season I was lucky enough to be the coach of the Coolbinia Bombers, Year Four Red Team. The boys impressed me with their dedication and enthusiasm at training and on game day every week. They had never played together as a team and all built up a good rapport and were very supportive of each other. They were very keen to do their best and improved on their skills throughout the season.

I hope they have enjoyed their time playing as a team and making new friends as I have. I would like to thank Rose McCormick, my manager for organising each week the helpers roster and for keeping all the parents informed of what was required for match day. Thanks to Shaun Zincke, Assistant Coach for being committed to training and assisting not just myself but the team every Wednesday and Saturday. Thank you also to all the parents for volunteering their time each week - you have all made a fantastic effort. I hope you all have enjoyed this season as much as I have and hope to see you all next year.

Chris Abrahamson

Coach, Year 4 Red

YEAR 4 BLACK COACH'S REPORT

Well the 2013 season was an amazing one for Year 4's in general with 43 kids registering. We lost very few from the Auskick group the previous year, and picked up a few new kids and a Sunday 9's group. Given the positive year we have had, I believe that we will see strong numbers continue through to Year 5 in 2014.

The Year 4 Black team were awesome this year, with individual brilliance shown by many players and incredible team work underpinning their fantastic on field performances.

They were diligent with their application of skills learned at training and improved week to week, with some kids improving dramatically over a few months. At week one, we had some kids who were unsure of their ability and were reserved in their participation on field, but as we progressed, those kids have built confidence and understanding of the game, and now play vital roles in delivering for their team and thoroughly enjoy their footy.

While this years black team have been blessed with a history of playing together since early Auskick, they continue to learn from each other, support each other and are now playing as a unit that has out performed any team they have played this year. I congratulate them and am fortunate to have been involved with a group who I know will be a dominant force in the district for years to come.

I know the parents get as much pleasure and pride out of the fact that the team plays for each other and deliver many great highlights as they share the ball and celebrate each others on field moments.

I would like to thank the support group of people who continue to make the job of coaching easier. Thanks to Tenneill Houlahan, for running with the management role. It is a demanding, often thankless, but vital role, and I appreciate all she has done. Thanks to Ian Booth for the official Assistant Coach duties along with Brett Busslinger, Todd Colquhoun, Michael Devilee (Team photographer ☺), Richard Bisnath for their continued involvement at training and at weekends and all parents who contribute to the strength and success of our group.

YEAR 7 RED COACH'S REPORT

Season 2013 has been an excellent one for Year 7 Reds. It has been rewarding from a coach's perspective watching the players develop and grow as football players. The players can be commended on their conduct on the field and the spirit in which they played the game.

Our squad for the 2013 season included the following players :

Sean Agoma	Seth Dujardin
Thomas Allen	Kieran Dyblik
Damian Armenti	Julian Granato
Edwin Boampong-Appiah	Jack Mitchell
Matthew Caruso	Henry Robinson
Cormac Cox	Thomas Satterthwaite
Darcy Crowe	Samuel Steel
Samuel Whyte	

Congratulations to Thomas Allen, Matthew Caruso, Cormac Cox and Thomas Satterthwaite who notched up their 50th club games during the course of the season.

Special thanks to Christina Caruso who once again did a fantastic job as Team Manager and many thanks to Assistant Coach, Jai Allen whose knowledge and support was greatly appreciated by all.

A massive thank you to the entire parent group in assisting with team duties on game days throughout the entire season.

Finally, thank you to the players themselves for providing an enjoyable season for all.

Richard Dyblik

Year 7 Red Coach

YEAR 7 BLACK MANAGER'S REPORT

This season has seen a lot of up's and down's for the Year 7 Black Team. With a starting line-up of only 14, it was not unusual to start each game with only 11 or 12 players (because of illness, injury or other commitments) and it was quite disheartening to the team to have to "borrow" players from the opposition each and every week, however, knowing this the players would still turn up full of enthusiasm and ready to play their best.

The highlight of the season was the derby against the Year 7 Red Team. There was a very friendly rivalry and close competition between the players and both teams shone with each player putting in their very best effort.

This year, we had three players who celebrated their 50th game milestone. A very big congratulations goes to Mikella Johnson, Ashwin Lobo and Nicholas Sorgiovanni.

The team is looking forward to the 2014 season when the Black and Red teams combine to play their first junior season. It will be a welcomed change to be able to turn up with a full complement of players. The two teams train together and it will be a very easy progression into playing full rules on a full size oval.

Team Manager, Peta Tsolakis, would like to thank our magnificent coaches Steve Tipping and Ian McKay – you could not ask for two more dedicated, fantastic coaches. They have coached and mentored our players to become great sportsmen and women. Steve and Ian we cannot thank you enough. Also, a big thank you to all of our parents who attend to their rostered duties with little fuss and who are always willing to help out and step up whenever necessary. Another big thank you also goes to Marc Lincoln who volunteered to do the boundary umpiring when the team progressed to full rules.

Peta Tsolakis

Manager, Year 7 Black

JUNIOR GIRLS COACH'S REPORT

This year was the first time a dedicated competition was conducted for Junior Girls. Nine clubs across Perth football Districts fielded teams in Modified Rules format. Coolbinia Junior Girls played a key role in this historic year in Junior Girls football and played teams from Morley, Manning, Jandakot, Bassendean, Thornlie, Lesmurdie and Armadale.

The Junior Girls started with 5 or 6 girls at training however numbers rose quickly and the team finished with a core of 17. A large part of the success of the Junior Girls has been the support of Brendan McFaul (East Perth District Development Officer) and of course Coolbinia JFC officials.

Core values of the team are fun, family and football and there was plenty of all on show. George Naumovski (co-Coach) and myself were very pleased with not only the improvements in football skills from the girls but also the cohesion and teamwork the girls developed and displayed.

The Junior Girls format includes girls of Year 4 to Year 7. The physical size and skill level of girls in the competition can vary significantly. Overall the competition was very successful, but there was an occasion that highlighted in a Modified Rules competition, good umpiring, control and coaching is vital for a successful, fun and safe game.

One of the highlights for the year was when Coolbinia hosted four other Girls teams, as well as the Bomberettes program. This was a great display of the growth of Girls football and hopefully inspired more girls and parents to get involved in the competition. In addition, we also conducted skills grading for Skill Certificates. This is a great initiative developed by East Perth and provides the girls with a platform to develop and improve.

I was particularly pleased with the way the Coolbinia Girls freely shared the ball among their teammates week after week. We witnessed plenty of passages of 'champagne footy' where the ball was passed by hand or foot by the Bombers from the back line to the forwards to score another 'sausage roll'. What started with a handful of girls kicking footys around a park, finished with a strong football team who can hold their heads high for a job well done.

George and I would like to greatly thank all the parents who helped out at training and on game days, in particular Max, Patricia, Kell, Geoff, Phil, Ramon, Jacinta and the Linda's. Putting a team together week after week is not possible without the valuable support of the parents, family and friends. Well done to all!

This year has been an absolute pleasure to coach the Girls, meet the parents, and work with Coolbinia JFC. George and I have great expectations for Coolbinia Junior Girls and we expect next year will be bigger and better. See you on the park!

Sean Kenwery

Junior Girls Coach

SUNDAY MODS COACH'S REPORT

This year I was proud to coach the inaugural Sunday Mods Programme. This programme was established to allow students from Carmel School to participate at the club as they are unable to play on Saturday. With the kind support of our committee, Mrs Lynda Fisher (Principal at Carmel School) and Brendan McFaul (District Development Officer East Perth Football District) we formed the team which also included other boys in the area also finding it difficult to play on Saturday.

The year was a great success with the team playing over 6 district and 3 intra Coolbinia club games, finishing in a hard fought game against Ballajura at home showcasing some great skills the boys learnt through year such as Daniel Raiter's "long bomb" of a goal in the third quarter.

I would like to thank Gabbi Schneider for doing a great job managing the team, Sam Caruso for assisting me coach this year and all the parents who helped out at training and on game day.

Go the Bombers!

Daniel Whyte

Sunday Coach & Vice President CBJFC

AUSKICK (Cont'd)

Our Auskick season started a little earlier for some lucky Year 3s and Year 2s this year, with the East Perth District offering our club the opportunity play at halftime of the West Coast v Collingwood NAB Cup Match at Patersons Stadium. This was the first time that many of our Auskickers had stepped out onto Patersons Stadium and was an amazing experience to play in front of so many people!!

Our 2013 Auskick season ran over 12 rounds and thanks to the addition of the fourth light tower, we were able to run a number of night sessions, which our Auskickers always enjoy! Round 8 of our season was also designated the 'Grandparents Round', where our Auskick grandparents were welcomed to the club and offered tea and scones on behalf of the club, while they got to enjoy watching their grandkids playing footy. A big thank you to all of our Grandparents who attended – I believe we even had some join us from interstate, which was fantastic to see!

Throughout the season, our Year 3 and Year 2 teams were also lucky enough to participate in two Gala Days, which are organised by the East Perth District. Coolbinia was fortunate enough to host the first Year 3 Gala Day, which, based on feedback provided by East Perth, was the largest Gala Day run to date, with over 20 teams nominating to participate in the day! East Perth's District Development Officer made a special point of acknowledging how well run the day was, so I must thank everyone involved on the day for making it such a success!! Our Year 3 group also participated in four rounds of interclub fixtures throughout the season, to assist them in preparing for transitioning out of Auskick and into Modified Rules. On each occasion, whether that be the Gala Days or interclub fixtures, our Year 2 and Year 3 groups represented our football club exceptionally well and always played the game in the right spirit – well done boys! To our Year 3 Group, we wish you all the very best in your future footy careers and we hope you always look back fondly on your Auskick days!!

Our Bomberettes program has again gone from strength to strength, with over 40 girls registering this year! Such is the success of our girls' Auskick program, that The West Australian Newspaper asked to come and take some photos of the girls in action during the season, as part of an article looking at the growth in girls participation in football programs in recent years. A special thank you must go to Richard Edinger and his band of helpers for their significant contribution to the Bomberettes, it is a fantastic sight to see the girls chasing the pink footy's around and really enjoying themselves.

I would like to take this opportunity to say a big thank you to our team of coaches. Your commitment and dedication to your teams has ensured not only that our Auskickers' skills are improving each week, but most importantly, that they do so with a smile on their face at all times. To our head coaches Justin Herrington (Pre-Primary), Tori Audino (Year 1), Rob Geerson (Year 2), Adam Portaro and Gavin Kikiros (Year 3), and Richard Edinger (Bomberettes), I cannot thank you enough for your efforts this year. Thank you also to our Assistant Coaches in Andrew Crean (Pre-Primary) Paul Rolfe and Stephen Ryan (Year 1), Loui Dimovski, Darren De Masi and Andrew Scanlan (Year 2), Daniel Maher (Year 3) and Steve Hazebroek (Bomberettes) – your time and commitment has ensured that our Auskickers spent less time standing in line and more time with their hands on a footy!!

To Clem Nicholson (our Canteen Manager), thank you so much for assisting and managing the canteen on Auskick mornings and evenings, and in particular with events such as the Grandparents round!! Thanks also to Jo Edinger, who ably assisted Clem week in and week out. Our canteen runs with effortless ease, and it is because of your hard work and coordination!! Thank you so, so much Clem and !!

Thank you also must go to our Auskick parents. I've been involved with a number of sporting clubs over the years, and in my experience, Coolbinia has the most supportive parent group by a long margin. It is extremely pleasing to see everyone volunteer their time on a weekly basis, whether that be through taking a turn in the canteen, assisting with a skills exercise, umpiring on gala and interclub days, or in the case of our Year 2 group, participating in a Parents v Kids match! The success of our Auskick Centre is attributable to the number of volunteers we have, so again, thank you for ensuring the continued success of our Auskick program.

Finally, I would like to thank our club President, Luke McNiece, and the committee for their guidance and support in my first year as the Auskick Coordinator. In particular, I would like to acknowledge and thank Wayne French for his support throughout the season. In taking on the role of Auskick Coordinator this year, it has given me a great appreciation for how much time and effort Wayne has dedicated to our Auskick Program. We are continually recognised as one of the best run centres in the East Perth District and much of this recognition is attributable to Wayne's leadership. On behalf of the Coolbinia JFC Auskick Centre, I would like to thank Wayne for his tireless efforts, it is greatly appreciated.

Thank you again for your support this year and I look forward to an even more successful 2014!

Ben Johnson

2013 Auskick Coordinator

CANTEEN REPORT 2013

Firstly a big thanks to all the parents who have helped in the canteen this year, your contribution is very much appreciated. Particular thanks to Jo Edinger and her parents, Mr and Mrs Kucera, who have worked tirelessly every Auskick session to ensure the canteen ran smoothly at this very busy timeslot.

I am finishing up as canteen co-ordinator after three years and am ready to hand the position on to the next volunteer. I am just going to outline the typical weeks commitment to that is involved, it is a commitment that can be shared if you are thinking of helping out in this way and have a team friend(s) who would also be available.

The start of the season requires a big stock up at the Cash and Carry in Balcatta.

In a normal week:

By Wednesday of the week I email the bread, egg, milk etc order to Yokine IGA in Flinders St after looking at the game schedule email and estimating our needs. I also text our sausage order through to British Sausage company.

On Friday I collect the IGA order and drop it off to the canteen. I also collect and drop off the sausages then but they could be collected from Thursday afternoon onwards.

Other stock that we may be short of I usually grab at the supermarket when I am doing my personal shopping sometime in the week. Eg cartons of drink, powerade, chocolate bars etc.

On Saturday/Sunday morning I pop in for the set up to check all is organised and leave the parents to it. Alternatively arrangements can be made with the first and last teams to open up/close up.

That's it!

Please grab a couple of friends and contact the committee about helping with canteen organisation in 2014. As a club we enjoy having a canteen and need to step up and run it to ensure it's survival.

Clemency Nicolson

Canteen Co-ordinator 2011-2013

AUSKICK COORDINATOR'S REPORT

The 2013 Coolbinia Bombers Auskick season picked up where 2012 left off, with fantastic numbers again across each of our Year Groups. This year, we had in excess of 210 registered Auskick players on our list, forcing us to again utilise the Coolbinia No 2 Ground to accommodate all of our teams!! This is a fantastic achievement and is a testament to the many coaches and volunteers who dedicate so much of their time to ensure the success of our football club. Auskick is the foundation of every football club, and having such a large number of Auskickers will hopefully ensure that our Junior and Youth grades will continue to benefit in the years to come!

Prior to the commencement of the Auskick season, we were informed that Jedd Busslinger (one of our 2012 Year 3 Auskickers) won the 2012 Round 5 NAB AFL Auskicker of the Year Award. In winning this award, Jedd was fortunate enough to present a medal to a Sydney Swans player on the winners dais at the 2012 AFL Grand Final, as well as earning himself and one of his parents a trip to Melbourne for all the Grand Final excitement!! From the group of Auskickers across Australia who were fortunate enough to attend the Grand Final, Jedd also won the Auskicker of the Year Award!! As a result of this achievement, on 15 February 2013, Jedd received a private training session for him and 20 of his closest mates with Geelong champion Joel Selwood! Upon arriving however, Joel surprised Jedd and his mates by bringing along his brother and West Coast Eagles star Scott Selwood!! Both Joel and Scott put our Auskickers through their paces and then joined them in a sausage sizzle afterwards. It was a fantastic afternoon and one that this very lucky group of Auskickers will never forget.

LUKE McNIECE 2013 EAST PERTH DISTRICT VOLUNTEER OF THE YEAR

Coolbinia Bombers Junior Football Club would like to congratulate their President, Luke McNiece, on being named the East Perth District winner of the Sunday Times WA Football Volunteer of the Year Award.

Luke won the award for the tremendous work he has done at the club during a difficult 12 months, being instrumental in developing the concept which led to "Royals 1 Life Round" last month, to raise awareness of youth suicide and mental health issues.

His other achievements during the last 12 months include the establishment of a Sunday Modified rules competition to enable the local Jewish population to participate in football, the successful celebration of the club's 25th anniversary and the continued success of the Coolbinia Bomberettes junior girls team.

Luke will be invited with a guest to the 2013 Sandover Medal count, where the overall State winner will be announced. The overall State winner will receive a trip for two to the 2013 AFL Grand Final, including flights, accommodation and tickets to the Grand Final breakfast function.

This year, a record 2,115 nominations were received statewide with 150 from the East Perth District. Once again, congratulations Luke!

REGISTRAR'S REPORT 2013

This year we registered 197 players in our Youth, Juniors, Junior Girls (only) and Sunday Mod's grades. On top of this we had 216 registered Auskickers (including 42 Bomberettes).

In our Youth grades we fielded a team in Year 8 and Year 11 in our own right. Because the number of registered players for our Year 9 team was not sufficient to field a team we linked up with Mt Lawley (who were short on having numbers for two teams) to field a combined side Coolbinia /Mt Lawley Boomers which participated in the Year 9 competition. This was a great outcome for all concerned, retaining kids in our great game.

In our Junior grades, for the first time ever, the Club fielded three Year 4 teams. On top of this we had two Year 7 teams and one Year 5 and Year 6 team. The combined Year 7 numbers from the 2013 season (29) will hold them in good stead next year when they move to open rules in Year 8. Over the next couple of years we will need to explore initiatives to increase our Year 5 and Year 6 player numbers so that when these teams move to open rules the teams will remain viable.

The Junior Girls (only) team consists of players from Year 4 to Year 7. We had 15 registered Junior Girls (only) players.

This year the Club:

- Introduced a Sunday Mod's program for junior aged players who are unable to play football Saturday's. This initiative is aimed at attracting players who would otherwise be lost to our game and, hopefully retaining them within the Club through to Year 8 when they can continue their football in the Youth grades. We had 9 registered Sunday Mod's players.

- Continued with the player recruitment program by providing \$40 EB Game Vouchers to any players who introduced a new player to the Club. This resulted in 22 new players coming to the Club through the efforts of their mates and \$880 of EB Game Vouchers being shared amongst our existing player group.

Thanks again to all the Team Managers for their ongoing assistance and communication during the year. This has made my job a lot easier.

Enjoy the off season before we get to do it all again next year.

Regards

Craig Austen

PRESIDENT'S REPORT 2013

2013 has been another incredibly successful year for the Coolbinia Bombers on and off the field.

- Our Auskick Centre continues to be one of the most highly regarded in the District. Over 200 kids and their families had a fun time and developed their skills over the course of the year. Our Auskick program was led by Ben Johnson this year. Ben - thanks for your efforts in making the season run so smoothly as well as organising the Year 2 and 3 games and the gala days. Well done.
- In modified rules, the highlight was having three Year 4 teams for the first time ever at the club. This is a strong group which will underpin the future success of the club if the boys play their entire career at the club.
- In the youth grades the greatest success was the merger with Mt Lawley to form the Year 9 Boomers. Thrown together a few weeks before the season, this fine group of young men represented both clubs with pride and finished just out of the finals.
- Both the Year 8 and 11 made the finals and, as I write this, the Year 11 team has progressed to the Grand Final. Congratulations to both teams on a great season.
- Abraham Kennedy, from our Year 11 team, was selected in the "World 18" team for the National under 16 football championships and was one of the standout players in that team.
- Our girl's football program continues to grow. We had over 40 girls in our Auskick program and for the first year fielded a primary school aged girls team. To Richard Edinger, Sean Kenwery and George Naumovski thanks for your passion for growing this increasingly important part of our club.
- The inception of our "Sunday Mods" program for kids who can't play modified rules footy on Saturdays was a great success thanks to the passion of Toby Whyte, the leadership of Daniel Whyte and the support of Sam Caruso and Gabi Schneider. After the success of this year's program, we see this becoming an entrenched part of our club in the future.
- The purchase of new jumpers, shorts and warm up jackets for the boys has lifted our standard of presentation as a club and allowed us to provide some tangible support to our sponsors. Thanks to Nat Salerno, our Merchandise Coordinator, for her efforts.

To all of our volunteers, a sincere thankyou. All of your efforts are appreciated. Special thanks to our coaches for their hours of dedication in helping our kids enjoy their footy and our managers for all of their work supporting the coaches.

To our sponsors, both financial and in kind, continued support of our club helps us to keep our fees down and to provide the new kit the kids received this year. Special thanks to the sponsors that sponsored a set of jumpers this year.

Finally I'd like to sincerely thank the club Committee of Daniel Whyte, Ben Campbell, Helen Watson, Craig Austen, Clemency Nicolson, Nat Salerno, Keith Henneker, Wayne French, Ryota Yamada, Pamela Baldwin, Ben Johnson, Shaun Nicholls and Dave Vos. Your efforts to make our great club run have been tireless - thank you.

Special thanks to Helen, Clem and Ben who filled key executive roles in 2013 despite not having a child playing at the club.

Cheers

Luke McNiece

President
