INTRODUCTION

The Constitution of the Coolbinia Bombers Junior Football Club (subsequently referred to as the 'CBJFC' or the 'Club') must comply with the requirements laid out in the Associations Incorporations Act (2015). Provision is made within the CBJFC constitution for the making of by-laws and policies to facilitate the day to day operations of the Club. These policies and by-laws are in addition to those rules and by-laws made by the governing association, which in turn are governed by those of the AFL and WAFC. If there is any discrepancy between these by-laws and those of the governing association, then those of the latter shall apply.

The Club's by-laws have been introduced to assist in making the CBJFC a pleasant environment for all players and Parents and Family Members involved in junior sport to enjoy. They relate specifically to the operation of the CBJFC and are generally established by a motion carried by seventy-five (75%) majority of all members present, and entitled to vote at a meeting of the Club's Management Committee, as laid out in the Constitution. However, alterations to the by-laws can also be made at an Annual General Meeting or Special General Meeting of the Club.

1. GENERAL

- 1.1 The by-laws are to be read in conjunction with the Coolbinia Bombers junior Football Club Constitution and Policies.
- 1.2 The by-laws are to be adopted by the Coolbinia Bombers Junior Football Club Officials, Team Officials, Parents and Family Members, Players and any other body associated with the Club.
- 1.3 The Management Committee shall have the power to make, alter and rescind any by-laws that it considers necessary for the effective administration of the Club, provided that no by-law may be inconsistent with the CBJFC constitution.
- 1.4 Any misinterpretation of a by-law is to be referred to the Management Committee. The interpretation provided by the Management Committee will be accepted as the true meaning.
- 1.5 Any clarification on the wording, interpretation, meaning or definition of a bylaw provided by the Management Committee will be added to these bylaws in order to avoid future misinterpretation.
- 1.6 The terms: 'Club Official' and 'Team Official' referred to in these by-laws refer to any person who represents CBJFC in any capacity.
- 1.7 The 'Affiliated Council' referred to in these by-laws is to be interpreted as the governing district football the Club participates unless otherwise stated.

That decision once taken and the action of singing the song (or not), shall then apply for ALL subsequent games over the remainder of that season, irrespective of any perceived score or game outcome.

Any singing of the Club song should at all times be undertaken within the 'spirit of the game' and in accordance with WAFC guidelines.

Registrations requiring transfer will not be accepted until a time as specified by the association. Online registration will remain open through-out the season, however, will be subject to section 7.6 – Excess Registrations.

REGISTRATION DAY(S)

The first Registration Day each year will coincide with the AFL's nationally gazetted registration day usually held on a Sunday late in February. The completion of this initial registration day represents the closure of the priority registration period for past players.

A second Registration Day will be held on an evening during the week immediately following the first registration day is open to any player.

If, after all Registration Days have been held, there remains insufficient numbers to field the

anticipated number of teams, every endeavour will be made to recruit sufficient players e.g. on loan from other clubs, school promotion etc.

Players who have applied for registration but have had their application rejected will be notified in a timely manner not exceeding seven (7) days following the decision to reject the application. At an AGM, the election of up to three (3) additional Management Committee members may take place to assist where required. Committee Members will form part of the Management Committee and assist any position mentioned in by-law 6.1 to 6.8 and members of the Executive Committee.

7. PLAYER ALLOCATION AND TEAM SELECTION POLICY

PLAYER ALLOCATION

When required due to fielding multiple teams in the same Year group, Player allocations will be undertaken in such a way that the paramount requirement is that each team is considered of equal strength and ability.

Player placement shall be conducted within the by-laws issued by the affiliated council, especially those dealing with re-allocation of players in circumstances where multiple teams from the one club, and within the same age-group, are considered by the council to be of unequal strength.

7.1 ANNUAL ALLOCATION PROCESS

- 7.1.1 Each season all players within the same age group will be notified, through the club Registrar, of training start dates. Players will train together in one pool until the Coaching Coordinator grants permission for separate sessions to be conducted. This permission will normally only be granted once players have been separated into equally balanced teams.
- 7.1.2 No player should be considered 'tied' to any particular team or coach from one season to the next
- 7.1.3 The Coaching Coordinator in conjunction with the appointed Team coaches will collaborate and undertake a consultative process of allocating players to teams according to these Player allocation and team selection Bylaws
- 7.1.4 Once the Coaching Coordinator has ratified the team allocations, players and parents can be notified and separate training sessions undertaken from that time.
- 7.1.5 Any subsequent registrations following initial team allocations will be assessed by the Coaching Coordinator and players allocated following consultation with the respective coaching staff and according to these bylaws.
- 7.1.6 The final decision on Player allocations will rest with the Coaching Coordinator in consultation with the Management Committee.

7.2 TEAM MIX

The following considerations apply to the team 'mix' in different age-groups:

- 7.2.1 Mix of players from different schools while considering player friendships. Each progressive year it is desirable for some movement of players between teams, for example in friend groups to encourage new interaction between players.
- 7.2.2 Generally due to the numbers required to field a "full team" the team numbers reduce when progressing from Junior Modifieds to Youth Football. Players need to be flexible with regards to re-allocation.

7.3 SPECIAL CONDITIONS AND REQUESTS

- 7.3.1 Every endeavour will be made to accommodate individual player requests, however the overall teams balance is considered of paramount importance.

- 7.3.2 Players previously registered for CBJFC will have standing over new registrants.
- 7.3.3 The preferences of financial players will be considered before those of non-financial players.
- 7.3.4 Players who are recruited to the Club are not to be promised a team placing by the coach or parent who recruited the player.

7.4 PLAYING OUTSIDE OF AGE GROUP

- 7.4.1 The Club will seek to register players in their correct age-groups wherever possible as opposed to playing players 'up' in older age groups.
- 7.4.2 Any request for a player to play the season outside their year group must be formally submitted and approved by the association and/or WAFC as per the association bylaws.
- 7.4.3 Prior to any request for a player to play the season outside their year group being escalated to the association for approval, it must be approved by a vote in favour of the application by at least 50% of the Management Committee.
- 7.4.4 Should a team in a higher age group be short on numbers for a particular game, a request to allow players to 'play-up' week to week, can be made through the Coach Co-ordinator. It is expected in such circumstances any such request shall be offered to **ALL** players in the lower age group and the process shall **NOT** be one based on perceived ability, size or any other selection criteria.
- 7.4.5 The decision for any player to nominate as 'available to play-up' in a higher age group rests solely with the younger player and his family. Coaches thus shall not hand select, coerce or decide which players they may deem 'suitable' to play in the higher age group.
- 7.4.6 Should the requirement for players to 'play-up' be ongoing or repeated throughout the season, Coaches and Team Managers will ensure the opportunity is shared amongst all interested players and shall not be restricted to a specific player or subset of players.
- 7.4.7 No player shall 'play-up' more than the allowed number of games under the competition by-laws. Should a player play more games than allowed in a higher grade, without Management Committee and Association approval under By-law 7.4.3, such player shall forfeit the right to play in either grade for the remainder of the season.
- 7.4.8 Any players playing in a higher grade under a 'play-up' request shall notify the Registrar and their Team Manager to have that game recorded towards their personal club game tally.

7.5 PLAYER POACHING

- 7.5.1 Poaching of players will not be tolerated either intra-club or inter-club.

7.6 EXCESS REGISTRATIONS

- 7.6.1 If after registration there are too many players for one team but insufficient for two:
 - 7.6.1.1 Steps must be first taken to locate other players, either locally or from other clubs, to make up the required numbers.
 - 7.6.1.2 Players registered with CBJFC in a previous season have higher standing than players registering for the first time with the club.
 - 7.6.1.3 If a previously registered player does not commit to re-registering prior to

CBJFC By-laws

5:00pm on the nationally gazetted registration day, then that player will forfeit said higher standing.

- 7.6.1.4 Players excess to needs will be asked if they would prefer to transfer to a team in another club or remain with CBJFC.
- 7.6.1.5 When an additional team cannot be formed, excess players will be given the option of a clearance/permit to another club for the season. A refund will be provided in the event that a player is unable to continue with the Club in such circumstances.
- 7.6.1.6 The registrar will maintain a waiting list consisting of all players who missed out on selection and, should a position become available at some point in time over the season, wait listed players shall receive first right of refusal based on a 'first come first served' basis.
- 7.6.1.7 Teams competing in Junior/Modifieds football (Year 3 to Year 6) have no upper limit or cap on overall squad playing sizes from a competition perspective. The Club strongly encourages facilitating as many players as possible.
- 7.6.1.8 Should there be a significant number of Junior Football players register after team nominations have been completed, the Management Committee reserve the right to place restrictions on late registrants, so as not to dilute the experience for pre-existing team members.

7.7 INSUFFICIENT REGISTRATIONS

- 7.7.1 Subject to Bylaw 7.4 Players must play in their correct age group, where if they were not to do so would disadvantage their age group because of lack of numbers. Players may play up (or down a grade – age permitting) as requested by the coach of the team to cover shortages of players on that day:
 - a. at the discretion of the coach of that age group
 - b. where there are surplus players in the age group they are leaving (i.e. permanent move)

7.8 TEAM SIZES YOUTH GRADES

- 7.8.1 Youth grades will be limited to team sizes in line with competition rules and regulations. Team sizes will consist of the on field and maximum allowed bench sizes. As outlined in 7.6.1.6, the Registrar will maintain a wait list of players over and above these limits. Any increase in player numbers within an existing team shall first come from this waitlist.
- 7.8.2 Any increase on the limit as outlined in 7.8.1 are subject to Team Management request and the approval of the Coaches Coordinator in consultation with the Executive Committee.
- 7.8.3 Should any increase in maximum team numbers be approved under 7.8.2 , a selection and rotation policy must first be approved by the Coach Coordinator in consultation with the Management committee. This selection policy must include allowance for both home and away as well as finals selection criteria, to ensure all participants are fully advised.

7.9 RE-ALLOCATION OF PLAYERS

As part of the selection process, all coaches will be made aware of the fact that the Management Committee reserves the right to re-allocate players in any age-group to redress any shortfall in numbers or ability (as per instructions from the affiliated council).

8. PENALTIES

8.1 PLAYERS

- 8.1.1 Players who do not attend training sessions in correct football attire (as determined by the coach and sanctioned by the Management Committee) will not be permitted to join in the normal training drills. This includes protective equipment, such as mouth guards, as sanctioned by the Management Committee
- 8.1.2 Any player receiving one (1) red card, three (3) yellow cards or any Club suspension for misconduct in any one season, will be ineligible to win an end of season trophy, except Best Finals Player, as long as the player has made no further infringement. Players who incur a yellow card, red card or Club suspension in a final will not be eligible to win the Best Finals Player.
- 8.1.3 Players failing to attend training sessions, without reasons given to the Coach or Team Manager may, at the discretion of the Coach, be excluded from the team for part of a game, or for the full game, immediately following the missed training session/s. Parents and Family Members will also be notified and provided with the reason for exclusion.
- 8.1.4 The Management Committee will be responsible for the handing down of appropriate penalties to players who are reported by their Coach for continually causing problems or disturbances at training or on game day.
- 8.1.5 Any player found to have caused embarrassment to the club before, during or after a game will automatically receive a two (2) game suspension and a warning. The warning will state that any further embarrassing action by the player may result in instant expulsion from the Club. Examples include: removing jumper in an aggressive manner, fighting, and verbal abuse of spectators or opposition Club representatives, physical aggression etc.
- 8.1.6 A player assaulting another player, either verbally or physically, with intent, at training or during a game, shall receive a minimum of a two (2) game suspension plus any other penalty the Management Committee deems appropriate.
- 8.1.7 It will also be the responsibility of the Management Committee to allocate fitting penalties for players for any other reason, including infringements of the rules during a game which were not noticed and duly reported by a field umpire. A Club incident report must be completed and forwarded to the Club President for action.
