PRESIDENT'S REPORT 2022

As season 2022 comes to a close we have the opportunity to reflect on what was a different and at times challenging season. Long held club traditional events such as wind ups and Awards nights also provide us with an opportunity to reflect and while we acknowledge there were challenges predominantly as a result of the pandemic these club events also provided us with reminders of the many great moments and memories created at our fantastic community club. Commitment was certainly the key for this season and at the bombers we are fortunate to have so many shining examples of strong commitment and outstanding service to our club reflected but not limited to some of the following examples:

To the 600+ Auskick, Starkick and 21 Modified and Youth Teams Coolbinia Bombers players and families, new and existing who year on year demonstrate commitment to their club and teams we congratulate and thank you.

To the Coolbinia Coaches, Managers and Team Volunteers who have committed week in week out and often found themselves this season covering more than one volunteer role and at times battling to get a team on the oval on behalf of all members we thank you. The care and support you provide to the players, teams and club is outstanding and underpins the success we enjoy as a club.

To the Coolbinia Committee your commitment to providing the platform for the club and day to day support to the volunteers, players and families is outstanding. Like the team volunteer, we found ourselves quite often covering more than one committee role and the support provided during these times was greatly appreciated.

The Coolbinia Bombers values include fun, friendship, participation and skill development and it is pleasing to look back and note the fun experienced both at training, matches and team and club social events such as player teas and NAIDOC/Buddy Round Celebrations. Participation rates remain strong from Auskick and Starkick to Year 12 in both the boys and girls pathways. Player skill development and coaching education are a key focus for the club and we were able to expand on this in the past year introducing Summer Skills Sessions held in the very early pre-season along with a variety of coaching education opportunities held throughout the year with this valuable knowledge achieved by coaches flowing through to the players.

As in previous years we looked to add to our infrastructure with the aim of improving the overall enjoyment and operation of the club. This year we were pleased to complete a refresh of the club website, complete the works and installation of new goalposts for both the full and modified ovals, purchase new goal pads and roll out the use of our new Match Day Container (sea container). A special thanks to Emma Simms and Chloe Cushing for their enormous support in seeing these projects through to completion.

The Spirit of Junior Football and how we represent the club and participate is so well captured by our players and teams and this is our standout success as a club. Along with this we enjoyed a few extra special stories throughout the season:

Eight teams competing in the Youth Finals Series. Congratulations to:

Premiers
Year 7/8 Black (Girls)

Runner Up Premiers
Year 7 Black (Boys)
Year 7/8 Red (Girls)
Year 9/10 (Girls)
Year 10 (Boys)

- Congratulations to past player Sarah Lakay for achieving AFLW selection and debuting for the West Coast Eagles.
- Congratulations to Jedd Busslinger, past player and Club Captain for his WAFL League debut with East Perth.
- Congratulations to players achieving State selection, East Perth Colts and Rogers Cup Squad Selection as well as Development Squad representatives.
- Congratulations to Ricky Mesiti Runner Up Metro Central Fairest and Best.
- Congratulations to Brad Smith - Year 5 Red Coach for his outstanding achievement in receiving the East Perth District Modified Coach of the Year Award.
- Congratulations to Matt Townsend (Club Coach) - East Perth District Club Person of the Year for Coolbinia Bombers.
- Congratulations to the Year 12 Graduating Female Players and Club Captains Alice and Jess.
- Congratulations to the Year 12 Coolbinia/Mt Hawthorn Demons Team, Coaches Duncan Kegg and Gavin Kikoris and Team Volunteers for your outstanding commitment to your respective clubs and the Demons Pathway. This year, we had nine Coolbinia Players and three Mt Hawthorn Players who achieved Playing Life Membership.
- Congratulations to all the Club Award Recipients and Non Playing Life Members for your achievements and outstanding service and contributions to the club (Please see details further in the annual report on the award recipients).

Finally, I would like to say a very special thank you to committee members Michelle North and Emma Simms who will be stepping down from their respective roles of Merchandise Coordinator and Girls Football Coordinator. Michelle and Emma have been long term committee members who have provided outstanding service to all at the club. We have been exceptionally fortunate to have had the benefit of the countless hours of volunteering from these special people and their efforts have further developed the club we are today. We are pleased to know however both Michelle and Emma plan to remain on as General Committee members in the future. Thank you to Sam Delany, our Club Treasurer over the past three seasons and will be stepping down this season. Sam, we have greatly appreciated your valued contributions overseeing many changes and optimisation in the clubs financial space, thank you.

Thank you for being a part of the Coolbinia Bombers and we hope everybody enjoys a wonderful summer and we look forward to a bigger and better 2023.

Kyla Tilbury-Kegg
President

REGISTRAR'S REPORT 2022

This year had its challenges but also presented lots of feel-good moments.

We started the year transitioning into new processes passed down from the WAFC as well as our Mods and Youth Programs migrating over to the new PlayHQ Registration Platform. There were some challenges with the transition over and countless hours I was not expecting. However, the moment Round 1 kicked off and the players lined up for their first game of the season, it all felt worth it!

As with every year we saw some players move onto other clubs or sports, but we also welcomed a whole bunch of new faces. Sadly, our Year 9 team folded this year due to low retention. It was extremely hard to not be able to fulfill a team for this year group and something we held very close to our hearts. However, we worked together with the coaches, players & parents to find new clubs so they could continue playing footy. We hope they had a wonderful season at their new respective clubs.

Like always you have your families who help at every moment they can. They help simply out of the goodness of their heart and because they can see it takes an army to run a football club. Thank you to each parent and player who helped throughout the season. We could not have done it without you! You know who you are!!

This year we fielded a team in every year group across our boys and girls' competitions, bar one. We had a total of 21 teams this year which included our two combined Coolbinia/Mt Hawthorn Teams under our Merge Agreement with the Mt Hawthorn Cardinals, as well as a combined Year 11/12 Girls Team for the first time with the Noranda Hawks.

We saw a minor drop in numbers this year. This was not completely unwelcomed as we are at the point where our club is running at full capacity for training oval space and home game allocations week to week. It gave us some perspective on how our club can run in years to come with the space available to us.

Our registrations for the 2022 Season were as follows:

Year Group	Number of Players
Year 3	41
Year 4	40
Year 5	39
Year 6	41
Year 7	36
Year 8	37
Year 9	0
Year 10	23
Year 11	16 (*15)
Year 12	20 (*9)

Year Group	Number of Players
Year 3/4 Girls	20
Year 5/6 Girls	25
Year 7/8 Girls	37
Year 9/10 Girls	30
Year 11/12 Girls	12 (*15)
Auskick (K-2)	132
Bomberettes	27
Starkick	33

TOTAL REGISTRATIONS - 609

*Mt Hawthorn & Bayswater Registered Players in Coolbinia/Mt Hawthorn & Bayswater/Coolbinia Combined Teams.

This year I felt very fortunate to meet and get to know more members of our club, building new relationships and stronger relationships with those I have already come to know.

Thank you to the committee for being so awesome! I really enjoyed volunteering alongside you and getting to know the new members of the committee. An extra special thankyou to Kyla, Michelle, Mike, Damien, Emma & Chris for being so supportive throughout the year. I am ever so thankful for the countless phone calls and support you gave me.

Thank you to the Coolbinia members - players and parents - for allowing me to share another year in your footy journey at the Bombers. It has been a pleasure to watch the players grow and develop on and off the field.

An extra big thankyou to the Coaches & Team Managers. I know we all felt this year was that 'little' bit harder than previous years, especially from an admin and governance level. Many of you faced challenges of varying degrees and most of you handled it and embraced it with such dignity. It does not go unnoticed nor unappreciated!

Thank you to my husband Dean and four kids – Owen, Corey, Beau & Charlee! As I said in my speech at the Club & Youth Awards night…sorry (haha)! You once again supported me in my love for the club and community and I appreciate it more than you know. I am proud to see how you also give back to the club at such young ages.

Bring on 2023!!

Where we create new and everlasting memories once again!
#GOBOMBERS
#GODEMONS

Chloe Cushing
Registrar

TREASURER'S REPORT 2022

Following on from the club's strong performance in 2021, the Coolbinia Bombers Junior Football Club has had another encouraging season, with a higher than anticipated income and lower overall operating expenses.

The club recorded a net profit of $3,871 for the 2021-22 financial year, which was $99 lower than what had been budgeted for.

Although the canteen sales and sponsorship income were lower than had been hoped for, income from registrations and grants were up, and merchandise sales carried the day, more than double the forecast amount. 2022 saw the first registration fee increase for the club in several years, which was necessary to offset the ongoing price increases of canteen supplies and merchandise, as well as insurances, equipment, service fees, and contractors. At the same time, the method in which the WA Football Commission collected its player levies changed, with that money going directly to the WAFC at registration, so did not count toward registration fee income for the club. Total income for the year was $179,780, which was $1,740 higher than anticipated.

Overall, the club's total operating expenses were $131,704, $366 under budget for the financial year. The overall operating expenses would have been lower except for additional pressures which included higher than anticipated team photo costs, an unexpected and substantial 2021 season payment that was invoiced late in the year, and a substantially higher registration fee refund total.

The cost of sales was $44,205, about $2,200 higher than forecast, due mainly to higher than anticipated saleable merchandise and honorariums, although this was partially offset by the purchase of fewer canteen supplies than expected and as noted previously, merchandise sales were also much higher, which negated this overspend. As of 30 September, the balance of the club's Bendigo Bank accounts was $109,141.68.

For the past few years, the question of whether the club should be registered for GST has been raised due to the increasing trend in annual turnover. The committee agreed to register for GST in 2022, and as of April this year, the club has been registered for GST. For the two quarters 1 April to 30 September 2022, the club has accumulated $6,182 in GST credit. As the club registered for GST after the period of player registration, it is anticipated this GST credit will be carried over into the 2022-23 financial year to mitigate the impact of GST payable to the ATO in the January to March 2023 quarter, when the GST received will outstrip the GST paid.

Finally, it never ceases to amaze me just how much work goes into running a club the size of ours, and the time all the volunteers – committee members, coaches, and managers, and all the partners – devote to ensuring all that everything just works. Without these volunteers, there is no way we could deliver the services our community expects within the budgetary constraints we impose. The volunteers at Coolbinia are what make this such a prosperous club, both financially and as a community.

It has been a privilege to continue to be part of this family, and once again, I acknowledge the tireless effort of the committee and the support they provide.

Sam Delany
Treasurer

AUSKICK REPORT 2022

2022 was another incredible year for Auskick at the Coolbinia Bombers. We had 191 participants across our 5 groups – Kindy/Pre-Primary, Year 1, Year 2, Bomberette's and Starkick teams.

Each week the boys and girls came down on Sunday morning, rain or shine, and brought big smiles and lots of energy as they learnt the skills of AFL football.

In Round 4, we held Super Kids, Superheroes Round. 14 Auskickers from Coolbinia were invited to Optus Stadium to meet Josh Kennedy, do some footy drills, and tour Optus Stadium in their superhero gear. Several of our players had their photo taken which was in the West Australian newspaper.

June brought with it the KPP/Year 1 Gala Day which was held at Hamer Park in the pouring rain! Never have we seen so many kids loving playing in the rain!

Our Auskickers and Starkick kids had the experience of a lifetime, playing at halftime of the West Coast Eagles v Geelong Cats game at Optus Stadium on Saturday 19th June. One of our Starkick legends Taj Deluca even got to go into the Geelong rooms and meet his hero, Joel Selwood!

Saturday 25th June was our twilight fixture and Sock it to Sarcoma fundraiser which was extra special. We held our NAIDOC week celebrations on Sunday 17th July, which included a wonderful welcome to country by Aunty Robyn Collard and included the unveiling of the very special new acknowledgement of country sign in our garden. The whole club came together, and we had special 'buddies' from across the club joining in to run the Auskick sessions.

Our Starkick program is continuing to go from strength to strength, with incredible leadership from Rob Geersen, Starkick Coordinator and his amazing team of volunteers who help make the program as amazing as it is.

Finally, our Year 2's participated in a new 'Rookie Series' which was an opportunity to play home and away games for 3 rounds against Mt Lawley Inglewood and Mt Hawthorn, as a taster for the Year 3 Modified program. They finished their Auskick journey with a final 'Festival of Footy' gala day event held at Ellenbrook.

Last but not least, we thank our amazing Auskick Coaches and Managers. The success of the program is due to your dedication and positive attitudes each week, even in stormy weather (which is more often than we might like in Auskick!). We thank you for all your efforts.

None of this would be possible without our amazing volunteer team. Our coaches across each group were incredible as were the team managers. Our 2 Auskick coordinators Rebecca Dunstan and Linda Heise did an incredible job to keep everything going, even during the peak of Covid-19. We can't wait to see everyone in 2023 to do it all again!

Rebecca Dunstan and Linda Heise
Auskick Coordinators

STARKICK REPORT 2022

As I look back on what was the 8th year of Starkick at Coolbinia, it's amazing to think of both the year that was, and how Starkick has evolved and grown over that time. Not just at Coolbinia, but to have 16 clubs running the Starkick program from Albany all the way up to Karratha is testament to what the Coolbinia Bombers Junior Footy club put in place all those years ago. Even more exciting for the program is a Starkick volunteer form Joondalup JFC, was awarded the AFL's National disability and Inclusion Volunteer of the Year award. Where this will end up, no one knows, but one thing that won't ever change is the fact it all started at our little junior footy club, which I personally, am so proud of.

This year was pretty special once again for our players and families. We started the year welcoming 7 new faces to our team with 33 players in total registered for Starkick by year end. A few of the highlights for season 2022 included:

- Mother's Day – a great way to start the year with lots of footy fun with our Mums
- Welcoming Sports Minister David Templeman to Starkick. The Minister was so impressed with what he saw at Coolbinia he gave a speech to Parliament the next week.
- Having the players from the Coolbinia AFC integrated team come to join us for a session
- Indigenous round – always a special event and we love being a part of this at the club
- But the most amazing experience I leave till last…..

It has to be how Joel Selwood, the Geelong Captain personally reached out to our very own Starkick Superstar Taj and as a result our Starkick players and players from the rest of our Auskick group, got the amazing chance to play on Optus Stadium when Joel and his Cats teammates came to Perth.

I still pinch myself to think this happened to one of our players and for our club. The kids and families had such an amazing time and the impact that moment has had, the video story that resulted, has had a significant impact far and wide. I'm hopeful we continue to see more of these opportunities for our players and the club as I know everyone enjoys them so much.

I want to recognise all the parents and kids for being a part of Starkick in 2022. Without you supporting the club we have nothing. So from the bottom of my heart – Thank you for believing in our club and giving us a go. To my fellow coaches, Bryn Sawford, Nick Smith, Byron Savage and Ja Smith. Our club is lucky to have such selfless people committed to helping the kids each and every weekend. You are each very special humans. Also thank you to our team of volunteers, many who have been helping out for 8 years now! Without you Starkick would not run as it does, and you may not realise it but you help make the magic happen.

Finally to the committee and all those that do so much for our club – Thank you. Whenever I have asked for help, equipment or anything we may need, it has always been readily forthcoming. I'm really grateful for the support you continue to give our group. I look forward to season 2023 and all the fun that will bring.

Rob Geersen
Starkick Coordinator

2022 BOYS CLUB CAPTAIN REPORT

2022 was a challenging year from a player's perspective as not only did teams have to deal with the usual injury concerns but Covid also hindered player availability. Despite this, all teams displayed effort, determination, and teamwork throughout the year. This wouldn't have been possible if not for the hard work and dedication from players, coaches, and volunteers.

The season launch is usually the first big event of the year, but its cancellation meant that the club had to wait until the NAIDOC week celebrations to come together. NAIDOC week started with the painting of the centre circle which has become a yearly tradition. That Sunday morning the Coolbinia community came together to witness a smoking ceremony and the unveiling of artwork designed by Emily Collard along with an acknowledgement to country. This was then followed by the annual Auskick buddy round, where youth teams partnered up with Auskick teams to help run drills and hopefully inspire the Auskickers to continue enjoying football.

It was good to see many players achieve milestones throughout the season including a 150-games milestone which has not been achieved in several years. Well done to all those players. On a personal note, it was a big thrill to be awarded life membership along with eleven of my teammates.

Most youth teams participated in finals, with a few making it into grand finals. Everyone put in a big effort but unfortunately only one team won a premiership. Hopefully we can convert more grand final appearances into flags next year.

I thoroughly enjoyed my time as a Club Captain, and I encourage anyone with the opportunity to take on the role to do so as it is a fulfilling experience. I wish everyone the best for next season. Go Bombers!

Mitchell Kikiros – Boys Club Captain

2022 GIRLS
CLUB CAPTAIN REPORT

We have both played footy for a number of years now, and this year we saw girls footy continuing to grow immensely. This could not happen without the dedication from our community, coaches, committee, parents and most importantly the passion from the girls. At the start of the season, it was uncertain if there was going to be enough numbers to form a year 11/12 girls team, thankfully Noranda Junior Football Club were able to help us out and we merged together for our final year and some great memories were made.

It was great to see all youth girl teams make it to finals, with the 11/12's unfortunately not making it past the second round. The 9/10's pushed through to the grand final but fell short of the premiership. It was very impressive to see two year 7/8 girls teams representing the club and even more impressive that we saw a grand final derby, with the 7/8 black team coming on top. This is really exciting and promising for the future of girls footy.

During the season it was fantastic to see our Coolbinia community come together during various club events, with one of the most memorable being the NAIDOC buddy up round which brought our senior teams come down to help out our Auskick and Starkick programs, which came with a lot of fun and laughter, despite a bit of rain.

Year 11 and 12 girls volunteered to come down and train with the junior teams, which was a great experience for the younger girls to see older girls still playing and involved with footy, we hope this becomes a tradition.

We would like to thank everyone who was part of the club, who made the experience enjoyable, fun and saw us grow not only as players but as people.

Alice Singer and Jessica Flintham
Girls Club Captains

CLUB AWARD WINNERS

PRESIDENT'S TROPHY

2022 RECIPIENTS – MICHELLE NORTH & CHLOE CUSHING

The President Award is always a challenging decision due to us being so fortunate to have many outstanding volunteers across our team volunteers and committee and to that end I would like to give a special thank you to all official volunteers who this year more than any other have gone above and beyond on how they have contributed. The care provided to the players and the club is something special to observe, thank you.

This year's award goes to two special volunteers who both hold significant roles on the committee however contribute broadly in so many ways across the club and beyond. Michelle and Chloe contribute is so many ways including but not limited to the following:

- Michelle - Merchandise Coordinator for the past 6 years, canteen support, event support.

- Chloe - Club Registrar, social media support including our awesome videos over the past two years, canteen support, event support, footy ops committee member.

There is no off season for these roles and their efforts are year-round. Michelle and Chloe's care and support of the players, volunteers and club is far reaching and has a great impact on how we are able to perform and operate as a club.

Congratulations and thank you.

DOUG MCGREGOR AWARD

2022 RECIPIENT – EMMA SIMMS

The Doug McGregor Award is named in memory of a well-respected elderly statesman whose service to the Club was second to none. He served for over 20 years as resident timekeeper and in many other roles over his time with the Club, he went through two generations seeing his children and grandchildren play for the Club.

The recipient of this award is going back-to-back which is a testament to the outstanding volunteer she is.

Emma is the clubs Girls Football Coordinator and is a leader in her space progressing the Girls pathway not only through her efforts internally but also externally assisting fellow East Perth Clubs with their program development as well as the Talent Pathway at East Perth. However, Emma extends beyond her Girls football role and gives back to the club and the wider football community in many ways, supporting all of our football programs at the club inclusive of governance and of course equipment where you will regularly find Emma at her second home, the sea container!

Emma, we value your extensive contributions across the club and wider football community and congratulate you on the positive impact you have made.

KEITH HENEKKER AWARD

2022 RECIPIENT – AMELIE CARRABBA

This Award recognises the club's top Female player who has been outstanding and has excelled on the field across the season. The recipient is determined by the player that has scored the highest total votes in the Fairest and Best voting across all Female Youth grade teams:

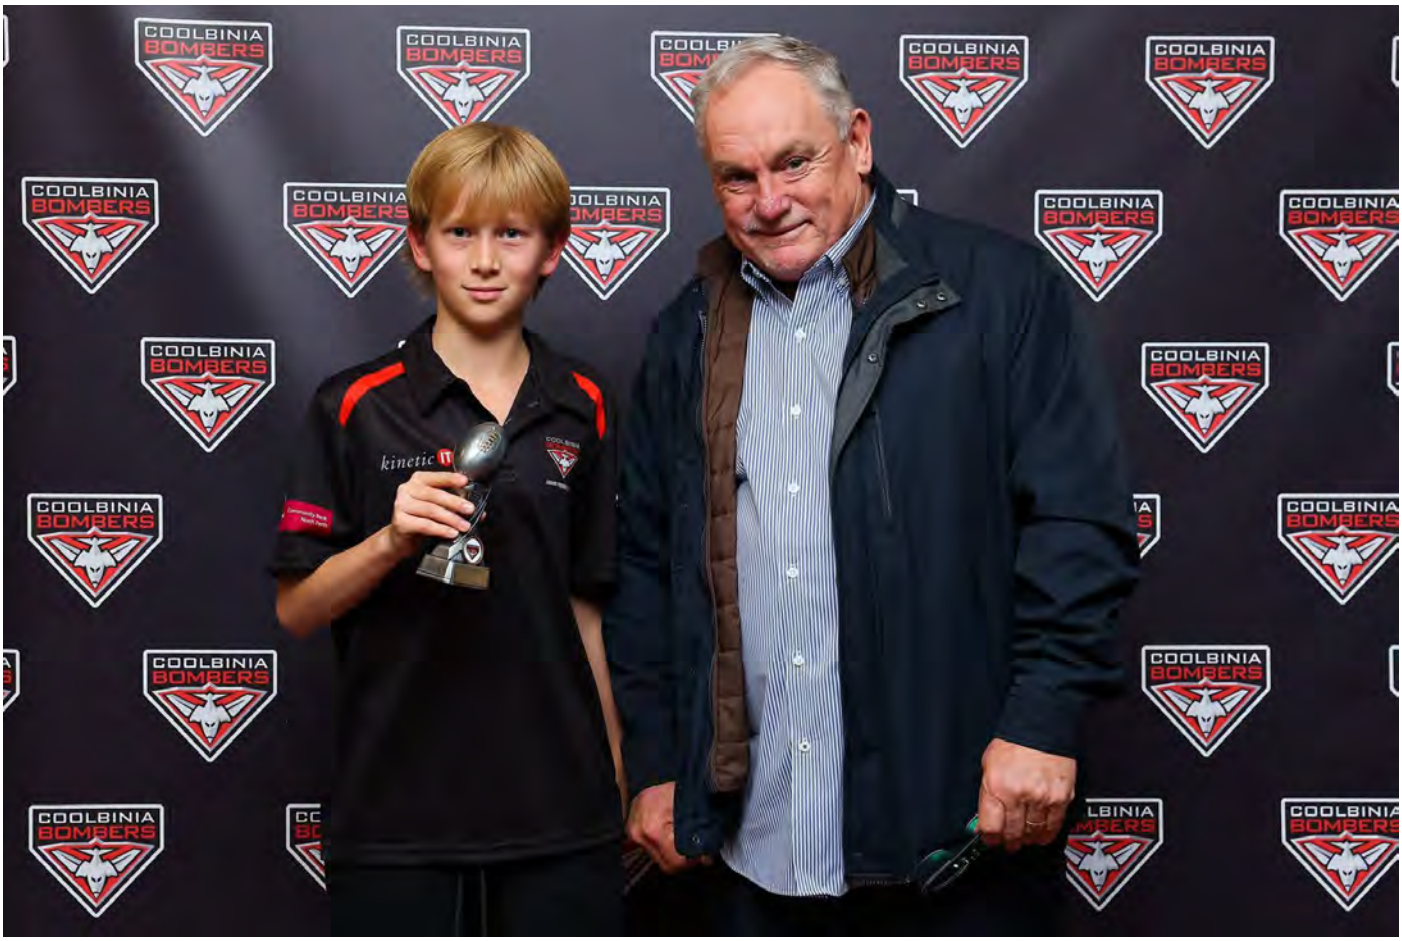
Congratulations from Y7/8 Girls Red team – **Amelie Carrabba**.

CRAIG AUSTEN AWARD

2022 RECIPIENT – FINLAY JENNINGS

This Award recognises the club's top male player who has been outstanding and has excelled on the field across the season. The recipient is determined by the player that has scored the highest total votes in the Fairest and Best voting across all male Youth grade teams:

Congratulations from our Year 7 Red team – **Finlay Jennings**



ERROL COUCH BEST TEAM AWARD

2022 RECIPIENT - YEAR 7/8 RED GIRLS

Errol Couch Best Team award is awarded to the team at the Club which shows great sportsmanship on and off the field, is respectful to other teams, coaches and officials and whose parents provide great support to both the team and club.

It can be difficult to single out one particular team that has excelled above the others, especially when we have had such great contributions across the club. Year 7/8 Red's contributions stretch beyond their team and into the wider club:

Highly committed and professional Team Volunteers in Matt Townsend, Mat Norris, Libby De Masi and Scott Robinson. This team of volunteers not only support their team but demonstrate whole club commitment through attendance by all members at club events and coach manager meetings and coaching education sessions. The coaches have provided ongoing leadership and support as the youth girls have moved into the squad training model, Matt Townsend (head coach) and Mat Norris (assistant coach) volunteered their coaching time in the delivery of the Summer Skills Training Sessions.

Further to this Matt Townsend has coaching roles within the East Perth FC Rogers Cup team and Metro Development Squads (and with his youngest son's team over at MHJFC). Mat N is a Bombers Committee member and an assistant coach with Year 5 Red. Runner Scott Robinson has been a big support with training but also is a Team Manager with the Year 11 Demons team.

Parent support from this group includes Jani who acts as the club photo coordinator and Steve who is a great club supporter through assistance with our signage across the club.

Year 7&8 Red player Emily Collard created the artwork for our Acknowledgement of Country signage and she was involved in the oval painting for NAIDOC round this year. Her aunty Nic Merson has been a huge supporter of our club - previously a Team Manager - but in recent years has provided leadership and cultural consultation for our club's NAIDOC celebrations

There was a strong contingent of Year 7 and 8 players (across both Red and Black) teams at the club's NAIDOC & buddy round @ Auskick this year.

This team reflects all the values in the 'Coolbinia Way'. Thank you and Congratulations.

DOLPH DANTI AWARD

2022 RECIPIENT – LACHLAN COLEMAN

Dolph Danti Award is named after a respected Clubman who served the Club for over ten years who passed away in a car accident while travelling to Kalgoorlie. He served in many roles including coach and committee member. This award is given to a young person who has helped around the Club in an outstanding way.

Lachlan has provided great support to the Year 6 Black team, volunteering over several seasons as the Assistant Coach. Lachlan supports the coaching pathway and player development through his attendance at Club and WAFC Coaching education sessions.

Lachlan is a terrific young person and role model, who embraces the Spirit of the Game and has dedicated considerable time to supporting junior football (and still manages to keep up with his own footy playing for the Mt Lawley Amateurs)

We are fortunate to have young people like Lachie engaged in our club. Congratulations Lachlan.

LIFE MEMBER INDUCTIONS

2022 PLAYING LIFE MEMBERS

Life membership is the highest honour our club can offer and is awarded when players complete 9 seasons of home and away Football OR reach 150 games. Congratulations to the following new Playing Life Members.

Alex Cooper

Theo Economo

Evan French

Liam Kegg

Mitchell Kikiros

Raphael Martino

Kai Nazemi-Salman

Jake Rubenstein

Kayden Taylor

2022 NON-PLAYING LIFE MEMBERS

Non-playing Life Membership is not automatic and is only considered for individuals who have demonstrated outstanding service to the club as a Volunteer for a period of at least 9 years. Periods of that contribution must show an impact and benefit to the wider club, not just solely service given to the one team or group.

KYLA TILBURY-KEGG

Life membership is the highest honour this club can offer, and Kyla Tilbury-Kegg is certainly one worthy of such recognition.

Kyla started her Volunteering journey back in 2014 as a Team Manager and went on to join the Committee in 2016, holding a number of positions on this club's leadership for the last 7 years. First as General committee person, then holding the important role of Vice President for 4 years, as well as Coach Coordinator in 2020.

For the last 2 seasons she has led this club and given her heart and soul to our community as Club President. I know how hard she works, the effort the time, but most importantly in my view, the passion she has to ensure every player at Coolbinia has the best experience possible – as that is why we exist.

It's a great Honour to induct Kyla Tilbury–Kegg as Life Member of the Coolbinia Bombers Junior Football Club in 2022.

CHLOE CUSHING

For many families at the Coolbinia Bomber, Chloe has been an early part of their welcome to the club. She has held several important roles during her time, including Auskick Coordinator, Canteen Coordinator and more recently as Registrar. Across this time, Chloe has certainly met and interacted with a countless number of families, coaches, managers and players.

Since stepping forward to be Auskick Coordinator in 2014, she has continued to support the club across a long period, often taking on several roles concurrently. Chloe held the Auskick role for 6 years, assisting also as Canteen Coordinator for two years of those. In 2019 she signed up to be a Team Manager, a position she still holds, and shifted her position on the Committee to be the Club Registrar since 2020. Chloe is an active volunteer and makes herself available for so much more than just her official roles, be it season launch, a busy bee or event such as the awards night tonight.

Chloe and her husband Dean have four children that are involved with the club, and I think it's fair to say that the Coolbinia Bombers are an important part of the Cushing Family. With this life membership, we honour Chloe, and recognise the impact she has on our club, as well as the support she has provided the wider Bombers families across her 9 years of fantastic and dedicated service.

IAN YIANNAKIS

Ian is an exceptional individual who leads by example and sets high standards in his personal and business lives. Ian is a great example of what it means to be a quality citizen and if anyone wanted to choose a shining example of someone in the community to model themselves on, Ian is one of the people they should choose. He is a highly trusted person and lives life by following quality values and morals.

Ian Yiannakis has served the club through various team roles, as well as on the committee and other volunteering which include Treasurer (2014 – 2019), Team Manager (2018, 2019, 2020, 2022), and Coach Volunteer (2021).

Ian, on behalf of the Life Members and the Committee of the CBJFC, we congratulate you and welcome you into the Life Membership Club of CBJFC.

We congratulate and welcome all our new Coolbinia Bombers JFC Life Members.

STATE & DISTRICT REPRESENTATIVES & AWARDS

AFLW

Congratulations to past player Sarah Lakay on her AFLW Debut with the West Coast Eagles and being a Rising Star Nominee.

WAFL

Congratulations to past player Jedd Busslinger on his WAFL League Debut with the East Perth Football Club.

STATE U18's BOYS

Congratulations to past player Jedd Busllinger on his selection in the WA State U18's Team.

STATE U16'S GIRLS

Congratulations to Lucy Greenwood and Mia Pappas on their selection in the WA State U16's Team:

STATE SCHOOL BOYS U12

Congratulations to Lachlan O'Rourke on his selection in the SSWA 12's Boys Team.

STATE SCHOOL GIRLS U12

Congratulations to Sophie De Masi on her selection in the SSWA 12's Girls Team.

STATE SCHOOL GIRLS U15

Congratulations to Lucy Greenwood and Niamh Brown (Train-on) on their selection in the SSWA 15's Girls Team:

EAST PERTH ROGERS CUP SQUAD MEMBERS

Congratulations to the following Rogers Cup Squad Members in 2022:

- Sophia Bishop*
- Niamh Brown
- Rosa Dickie
- Lucy Greenwood*
- Chloe Hamer-Mathew*
- Natasha Harrison
- Layla Firns*
- Neve McAlister*
- Savannah Muir (Claremont FC)
- Mia Pappas*
- Annabel Parkinson*

*Past Player

EAST PERTH COLTS SQUAD MEMBERS

Congratulations to the following Colts Squad Members in 2022:

- Owen Cushing (Debut 30th July)
- Adam De Masi*
- Jamie Hawes (Debut 21st May)
- Liam Kegg
- Kayden Taylor
- Alexio Yiannakis (Debut 1st May)

*Past Player

And we would like to acknowledge past player Darcy Miller on being the 2022 Hec Strempel Medal recipient (Best & Fairest).

EAST PERTH DEVELOPMENT SQUAD MEMBERS

Congratulations to the following Development Squad Members for in 2022:

FUTURES SQUAD

Owen Cushing
Archer Davey
Benjiman Filear
Jesse Icanovski
Zaiden Ladyman
Deakin Miller
Kaleb Rodriguez
Henry Ashton (train on)
Riley Pearson (train on)

METRO DEVLOPMENT SQUAD

Lily Chapman
Chloe Chau
Amy Crockford
Evie Fourie
Mya Murphy
Daisy Phillips
Maya Pocrnja
Melda Pocrnja
Winnie Townsend

15's SQUAD

Rylan Candy
Chanro DeBeer
Benjamin Matuszklewicz
Benjamin Nesbit
Kael Wallace

14's SQUAD

Laleih Familton
Nate Lindquist
James McGinty
Archie O'Donnell (Subi)
Kyan Perera (Subi)
Daniel Russo

METRO CENTRAL FAIREST & BEST

Congratulations to Ricky Mesiti from the Year 7 Black Team on receiving the Runner Up Fairest & Best Medal for the MC Year 7 Black Division.

NB: Names listed above are those of Junior Football age up to Year 12.

YEAR 3 RED REPORT

Well done to all the year 3s who transitioned from Auskick into Mod's footy in 2022.

The year got underway with over 40 registrations with many familiar smiles from Auskick as well as some additional new friends. After an exciting start to training in April, the boys were split into two teams, playing with those teammates throughout the season. The kids transitioned from Auskick to the new rules and the gameday matches with relative ease.

Enthusiasm, fun, mateship and a little bit of competitive spirit was very much the theme that the boys adopted throughout the year. For us coaches, witnessing their development as players, their development as a teammate and their development as a person was a great privilege and something we felt very fortunate to be a part of. We are very proud of the kids and their efforts.

On behalf of the team, we'd like to thank all the parents for their support throughout the season. Getting the kids to training, getting them to gameday (with a mouthguard) and of course their support on gamedays. We appreciate the commitment your family has made and hope that you also enjoyed watching the kids develop and have fun throughout the year.

Many thanks to our official team volunteers: Bella Buntain (Manager), Jordan Horner (1st Aid), Brooke Tilley (Interchange), Troy Nguyen (Coach), Nathan Douglas (Coach).

We would love to see all the kids back in 2023 for another fun season.

Martin Jacobs - Coach

YEAR 3 BLACK REPORT

Coaching team: Lyn Ronchi - Team Manager, Adam Woodacre – Coach, Brad Gundlach & Chris Oppenheim – Assistant Coaches.

Learning, understanding and generally enjoying ourselves was the main objective from the Yr. 3 black team in 2022.

With myself learning the ropes as a first time coach and the kids coming away from Auskick into real football, the challenges were to build enjoyment, understand the rule changes and develop their skills with focus on kicking, handball and correct tackling techniques.
Ads with previous years, we had a split Red and Black team. We found a few had previous friendships from school and generally gelled well with the other players after a few nervous introductions.
Most of the initial training sessions worked on the general skills to see which players would benefit from additional work within the training times. Most found the tackling drills easy, but if not slightly apprehensive to begin with. With confidence, they began to get in and work hard.
With support from family and friends, as well as the coaches and club officials who came down when they could, the kids flourished throughout the season. Concentration lapses did occur when the opposition got on top, in addition with some intimidation and bullying, but the constant positive reinforcements the team and families gave them kept their spirits high. Dealing with this as a team and having your teammates lift you up made them all feel that nothing could stop them.
All the boys progressed well, with a many showing what they are capable of when giving specific targets to hit during a game. The overall satisfaction on their faces when they accomplished it was a delight to see.

We had a great season full of positives (and some negatives), and we fought through COVID with minimal loss of players for games which kept the team together.
I am excited to hear that many will be coming around again to develop and continue playing our great game. With the continued support of parents, volunteers and the Coolbinia Football Club, I know the boys can reach their potential and enjoy everything about AFL and their development.

A big thankyou to all the parents, coaches, volunteers who helped us on game days from setting up the oval & packing it away, washing jumpers, bringing oranges for half time and cheering loudly from the sidelines each Saturday, the kids wouldn't be there without you. So thank you and I look forward to doing to all again in 2023.

Thankyou Coolbinia Bombers Yr. 3 Black Team. I hope I've helped you in your development as you all have helped me.

Adam Woodacre - Coach

JUNIOR GIRLS 3-4 REPORT

The Bombers 3/4 Girls welcomed an influx of new talent this season with team numbers growing from 9 in 2021 to an amazing 20 this year. Ranging from first time rookies to grizzled Auskick veterans, the team came together as a tight-knit group immediately.

It was obvious from our pre-season training run that we had some seriously talented and tough new players to add to our team. Prior to our first game of the season we lost one of our most athletic new players Leah to an off-field injury, but she made the long trip to Caversham to watch our first game of the season. First timers Shanita, Violeta and Sandra turned in incredible debut games and our first win was in the bag. Round 1 was a stunning success, until the coach forgot to sing the song!! A mistake that was not repeated. Sticky the Octopus, our weekly prize given to the girl with the stickiest tackling tentacles went home with Shanita who amassed an astonishing 14 tackles!!

Leah and her dad Edin attended and helped at many training sessions to support the team despite being unable to train. Leah passed her final fitness test and debuted in Round 9, she played the final 5 games of the season showing incredible poise and footballing instincts…look out next season!

The Sir Doug Nicholls round was a special night for the girls. Vanessa - Neesha's mum - donated her time and considerable skill so the girls could have temporary tattoos celebrating Indigenous imagery.

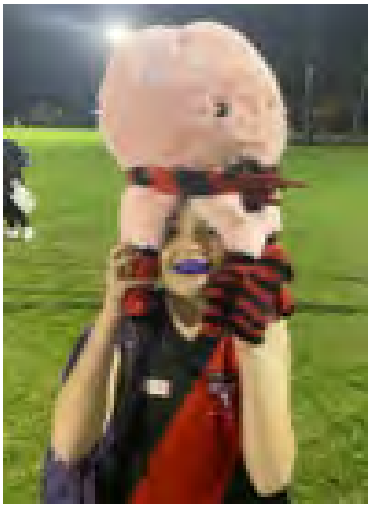
NAIDOC Round was another highlight of the season, Mabel read the pre-game acknowledgement before Tianna and Shanita co-captained us to another strong victory.

The players' tea lead to the destruction of countless Marco's Pizzas and parent's ear drums as the girls still managed to scream and muck about even after a physically draining game of footy in the wet

Fun was the biggest winner of all on the season, thanks to the girls for being extremely brave and extremely hilarious all season long. Thanks too to the parent group for all digging in and delivering such a great season for the girls.

I think I speak for the whole team when I say “When does pre-season start?”.

Michael Smith - Coach



YEAR 4 RED REPORT

It was a productive season for Year 4 Red. We invested heavily in the Rookie Me Coach tools from coach AFL. We had a rigid training structure around the 4 quarters method finishing each training with a competitive game that demonstrated what we had been training in either defence, attack, or ball in contest. We found this kept the boys engaged and enthused at training while quickly developing their skill level. Our focus for the year was on winning the ball and contested battles.

In the first 5 grading matches of the season Year 4 Red lost only 1 match and played with a hunger for the ball that was exciting to watch. Following the split of the divisions we found ourselves in a competitive and skilled division with only 5 other teams. From here on in we only managed to win 2 other matches but were extremely competitive in every match losing most by only one or two goals. The boys began to appreciate the idea of football being a game of momentum and understanding that even when 5 goals down the momentum could be turned back their way if they believed in each other. The boys also began to learn how to execute some game day strategies that they became very enthusiastic about. Such as midfielders always setting up behind our ruck and nominating one player off half forward and half back to hit each centre bounce to provide extra numbers. They developed a strong belief that with numbers and each other's support they could win most contests and force the ball forward.

Their final game of the year against the Bayswater Bears was possibly their best and was by far the most even contribution across the team making it impossible for the coaching staff to pick a best player at the end of the match due to the whole team effort. The game started off with us unable to score in the first quarter and falling 3 goals behind. But from here the boys lifted their intensity to dominate possession of the ball. They won the next 2 quarters and nearly pulled off an excellent come from behind win. The parents and coaching staff of the Coolbinia Reds couldn't have been prouder of how the boys stood up for themselves.

This great season was made possible due to the help of a team of dedicated volunteers. It may take a village to raise a child, but it takes an army to train a football team. I would like to give a big thanks to Team Manger Coralie Bishop, Assistant Coach Richard Lienert, Assistant Coach Scott Irvine, Assistant Coach and Runner Eoin Halley, First Aiders Nicole Irvine and Chandra Balaratnasingam. As well as Trish Halley and Eva Radovic for filling in roles at different times. Thanks also to the parents for getting the kids to training and matches each week. The turnout was strong throughout the season. I look forward to seeing what this playing group brings to the field next year. Awards for the season are as follows:

Lucas	Appleby	Colman Medallist and Clutch Player Award
Lincoln	Balaratnasingam	Game Changer - Best Set Shot on Goal Award
Christopher	Bishop	Interceptor Award & Best Defender Award
Kobe	Bishop	Best And Fairest
Jobe	Brooker	Slipperiest Forward Award
Logan	Butler	Best Mongrol Punt Kicker
Obie	Caffieri	Best First Use Tap Ruckman
Angus	Godridge	Bish & Bosh Best Tackler Award (Tied)
Austyn	Davies	Game Changer - Decision Maker Award
Andrew	Fanowrios	Team Spirt Player of the year Award
Alex	Guelfi	Best First Year Player (Tied)

Benji	Halley	The Gut Runner Award
Charlie	Hicks	Best First Year Player (Tied)
James	Irvine	Best Goal on the Run Plater
August	Lienert	Hungriest for the Ball Player Award
Lucas	McGrath	Sportsmanship Award
Nate	Radovic	Bish & Bosh Best Tackler Award (Tied)
Nathaniel	Sibosado	Game Changer - Best Kick Award
Nicholas	Theodoropoulos	Pack Buster Award
Max	Ward	Best Draw and Give Award

Peter Bishop - Coach

YEAR 4 BLACK REPORT

Wow what a year! I'm so proud of our little superstars as we've managed to grow and develop as a group collectively on so many fronts. One of my goals from the beginning of the year was to really get this group playing as a unit, commit to their training and to play at their very best. That's all we asked!

We wanted to ensure that our kids had great experiences. Things like rallying around a player that's kicked their first goal. At the start of every quarter we'll belt out three, two, one BOMBERS and singing the bombers club song win, loss and draw was a non-negotiable. As a coach, we wanted the players to know what it's like to be part of a team, a club, how to be confident and support one another and more importantly to have fun.

In addition to observing a number of players really coming along in their development, I had two key highlights for the year. Our first night game "FNF" at Ballajura oval – The boys literally soaked up this experience as they played at night, in the rain and it was their first-time experience getting ready in the change rooms. Our boys pumped them by 10-12 goals under very wet conditions. After the game we had two of their coaches approach Matt and I commenting that we should be extremely proud of our group as our boys held their structure and how they played for one another was something they really admired.

Another highlight was our "Let your football do the talking" mantra. At the beginning and throughout the season we played against some clubs that used profanity or tried to really intimidate our players. We came up with "Let you footy do the talking". Boy did it work! Whenever we had a player bring to our attention that an opposition player was saying unpleasant things, I would say to the group, what do we say boys, and they would all reply, Let your footy do the talking. How good!

I was very fortunate to have some amazing help and support this year. I had the best crew this year. I truly felt like I could really focus on kids that required the attention and the kid's strengths and weaknesses due to this support.

Sam & Travis Casserley – What a manager! Sam you were so helpful, organised and brilliant this year. I thoroughly enjoyed sharing our boys moments together with you and Travis. I really appreciate your time & assistance this year and be prepared for my call up next year. Travis, you have so much to offer our boys and I appreciate you stepping up as runner. I welcome you also retuning next year. Thanks mate.

Matt Cope - Our Assistant Coach, I'm so glad you put your hand mate. For a first-time coach you've been great with the boys and have really slotted in nicely. Your help with warmups game day and drills at training really alloyed me to focus on the kids. You've been a good sounding board also come game selection and tactics. Well done mate.

Lee Benger - Our First Aider. Puts his hand up for first aid again and again. Thank you for your support and the role you played on game day looking after the welfare of our players and for the banter on the sideline. I've enjoyed having you involved and there's no doubt Tate thrived this year with you being involved.

Max Barbaro – We just wanted to say a huge thank you for helping us out when we most needed it. From Interchanger, covering as manager, to working the siren it hasn't gone unnoticed. You're a star!

To the **Parents** – Seriously, I would need another page to thank you all. Honestly, on behalf of the coaching group and our volunteers we thank you for all your support and kind words this year. To hear such positive feedback from a number of you means the world to me and the coaching group. I find the role we play in your kids' development in team footy/sport is a privilege, rewarding and fulfilling. It encourages me to come back and volunteer such a great bunch of kids next year.

In closing, to all the parents and kids. Keep kicking the footy in the off season and don't be afraid to get the bin out for target practice. We look forward to seeing you all next year and wish you all the best.
Go Cats!

Denis Muzaferovic - Coach

YEAR 5 RED REPORT

Pre-season coaching goals:

- Continue players practice of kicking, handballing on both sides of the body
- Introduce contact bumping and shepherding allowed in Yr 5

..... TICK & TICK !

We noticed continued improvement in these skills through training practice and game day execution.

Again this season we welcomed some new players and families to the team with new registrations and player movement.

Grading of teams occurred twice in our competition which I felt was positive for the players development. This exposed them to a balanced mix of competitive matches and importantly a few where dominant results either way added to the learning experience. Best of all players were lucky enough to play a Derby in the final round, belting out the Bombers Club song!

In fourteen rounds of footy the players adapted to the new contact rules, learned positional play, be team oriented, be accountable on the field and how to contest their own ball. Their decision making improved, playing with flair was encouraged and team spirit was alive and kicking!

Thank you to the volunteer group. Coaches - Mat Norris and Steve Shadgett. What can I say, it's an absolute pleasure to coach along side you fellas and witness first hand the passion, knowledge and true care you put into each and every player that wears the jumper. We as coaches keep reminding ourselves, "its all about the players"
Team Manager - Karl Weber, our new draftee! you have been the complete package for our team with your organisation and definitely enabled the coaching role to run smooth. The players really appreciated your contribution of extra game day awards. Much appreciated. First Aider - Vanessa Smallwood, a big thank you once again for attending to our budding AFL champs "tears", bumps, scrapes, sprains, niggles and keeping a watchful eye over them.
Interchanger role - introduced this season and a superb B.O.G. effort on the ipad by Mike Smith, Lauren Peake and Sandy Atfield.

Thank you to all our parent volunteers, pitching in where necessary and for always applauding their players and being their biggest fan.

It's a pleasure to coach Year 5 Red. The players are to be applauded for their positive attitude and behaviours this year, on and off the field, at training and game day. We as volunteers take great pride in seeing the smiling faces, enjoyment, and development all players experience playing football.

Brad Smith – Coach

YEAR 5 BLACK REPORT

Thank you very much to coaches Matt Noble and Nic Crowe for a great season of training sessions, game day inspiration and overall unity.

Thank you to my amazing team manager Amy Carrol who works constantly behind the scenes during the week and also on game days. Thank you to our first aider Christine Sowman, our interchange operators Cat and Steve Russo for helping every week in the GameDay roles. Thank you also to the other parents who have helped out during the season and for the parents that offer us compliments for our efforts.

Every single player has come a long way with their skills, their attitude and their resolve.

Respect for each other, the other team and the umpires was the key message we instilled in our boys every week. We had a lot of fun as coaches and it was a true pleasure to consistently watch passages of play from our boys that would have given West Coast a run for their money!!

Covid (and to a lesser extent injuries) had its biggest impact on the team to so far with only a handful of the 14 games this season fielding the full 19 players.

Most weeks, we lent players to the other teams with even one week, giving the other team 4 players!

Our boys just rolled with it and had fun. Some weeks were tough and even though we were not keeping score, the losses still felt real. However our boys all took the feedback in their stride and worked harder at training to bounce back the next week.

We also had some great wins (including one on a freezing cold rainy day that we were outplayed in the first quarter but we bounced back and won the game convincingly). There may have also been a rematch that felt “ohh soo sweet“ to have a big win (even with us playing clean, fair and lending them a player every quarter).

Key message for the off season is:

“Do not put that football under your bed and forget about it till next March!! Keep honing those fundamental skills so that the rest of your game becomes easier and more enjoyable for you”

- Keep kicking that footy. Kick to a mate, family member, the dog or even to yourself. (Always remember the ball drop technique)
- Practice throwing the ball up in the air and take overhead marks.
- Kick or handpass at targets.
- Keep up your cardio!
- Have fun!

Have a great off season to everyone and I can’t wait to see you all back there next preseason!

Ray Sarich – Coach

JUNIOR GIRLS 5-6 REPORT

We had a great year with the girls really building in confidence as the season progressed. It was really pleasing from a coaching perspective to see the girls really try as hard as they could to implement what we were asking them to do.

We had a real focus on the correct technique for tackling and picking up a ground ball. British bulldog quickly became our favourite drill of the season with the girls asking for it each week!! We used that to really refine our tackling and taking on a tackler to the point it really became a strength for us. Every training session the girls through themselves into whatever we had lined up for them and they really brought back a lot joy in footy for me which I really appreciated. Everything was done with a laugh, a smile and with their best efforts which is really all a coach can ask for,

The only downside to girls footy is not being able to keep the group together each year, at the start of the season we had pockets of friendships and by the end we all knew each other, got on really well and importantly really played great team footy. It would be great to see this group stay together, either way the year 6 girls in this years team are well prepared for the step up to Yr 7 / 8 footy, I know they will embrace it and do well and for this year's Yr 5 girls they will show the way to the Yr 4 girls stepping up.

I'd also like to thank some people who really helped me this year,

Eleanor was our assistant coach and did a great job, in round 2 she found herself coach as I caught Covid and from all reports the girls did very well. Nothing was too much trouble for Eleanor and I'm really grateful for her assistance. Dave was also an assistant coach and doubled up as runner for second half of the year, Dave was a great help and would do anything required to help. He also put up with my messages so thanks a lot Dave. Anthony was the runner for the first part of the season before Covid and work issues slowed it down, Anthony was also a great help and every time he was able to be there he would do whatever was required to assist. Maggie was our Interchanger guru and had it nailed quickly, often I'd go to tell her a move and she already had it, thanks so much Maggie. Lee and Sally were regular first aid helpers, whilst there were games we kept them busier than I'd like they provided great comfort to the girls when they needed it, thanks so much to you both.

Finally, a big thank you to Rachael our very efficient team manager, I think Rachael had the hardest job of all of us. Being a first-year coach, Rachael was a great support for me and through her organisation and management allowed me to focus on coaching, I couldn't have done it without her. The parent group were very supportive for the whole season which was not only appreciated by myself and the coaching team but by the girls too, thanks a lot to all of you for your support and kind words throughout the season.

Gus (Paul) Prior – Coach

YEAR 6 RED REPORT

Final Year of mods footy for our group. Our boys have graduated to youth football. Congratulations boys.

2022 was another good year for our Red team. We have built on from year 3 to year 6, in preparation for the boys to move onto the next phase of their footy journey.

We had a squad of 20 players this year, which is a great result with lots of familiar faces returning and also welcoming a couple of new players to the team. This meant we had good numbers most weeks and we had a full squad of 20 for 3 rounds this year. The players have really progressed this year with their football, not only ability but footy IQ. Following our game plan and expanding it every season in our mods journey, the players are starting to get what is needed for the team to get going. We had some great team passages of play this year, which will only get better as the boys mature into their bodies.

A big thank you to our 2022 team manager, Jacky Mills. You are a star. Getting our team organized, from all communications, year 6 quiz/pizza night, game day duties and having to keep pulling me back into the coaches box, we thank you for all your time, effort and hard work this season. Your efforts are what makes our team function as one. Jacintha Bell our first aider, thank you again taking super care of our boys when needed and also to Ryan Ossy-Orley for stepping in when needed for the team.

We had our illustrious runner Gary Cunningham back for 2022, thank you for all your efforts on game day. The splits in the mud at Ballajura was a highlight. Thanks for getting messages out to the boys and clocking up some km's over the season. Also, thanks for filling in at training weekly, the players loved having you join in with them.

Assistant coach Marcus Easthope, another great season and the progress we have witnessed along the journey has been awesome. The boys really look up to you and thank you for all your time and efforts this season.

One of our motto's this season was #WEMOVEASONE. This was certainly the case for the red team on and off the park. A big thank you to all the families within our team. We are just that, one big team. With a number of parents helping out on training nights, game day duties/ warm ups and just getting their players to training and game day on time, thank you all for your efforts this season. The team culture is built around everyone involved within the team.

We had a number of players play their 50 games this season. Congratulations to Zach, Cruz, Jacob C, William, Sam Q-S, Hudson, Alex S, Nate, Felix & Fletcher. From round 10, we were lucky to get to celebrate a 50th for the last 5 rounds of the season, with the final round having 5 boys playing their 50th. It was a fantastic way to finish mods footy. For next season, we could potentially see another 6 players celebrate their 50 games in the first 5 rounds of season 2023.

Lastly to the players WELL DONE. It's been an absolute privilege to coach you all this season. Every player brings something unique to the squad which makes the experience that much more special. Keep practicing with the footy over the summer and see you all in season 2023.

Michael Icanovski – Coach

YEAR 6 BLACK REPORT

At the start of season 2022, the coaches and team manager had a meeting with the players and asked them what they would like to achieve this season. The team agreed that they wanted to continue developing their skills, learn some game plans and get prepared for youth football next season. The players and the coaching group made a strong commitment to each other that we would all do everything we could to achieve these goals. An email was sent to the parent group outlining this commitment and highlighting how we would like to achieve the goals going forward.

Everyone involved with this season's team would agree that the team more than achieved these goals and we all shared a fantastic season of football.

I was very proud of how each night after training there was always a large group of players that stayed behind putting in extra effort and just having a good time, this was a very good sign that this was a very committed and tight group.

On the field the team was very competitive in all facets of the game and showed pride in the bombers jumper every time they wore it. They always played in the correct spirit of the game and showed towards the end of the season that they are all more than ready to make the jump to youth football next year.

Some of the main highlights for this season were the derbies against Year 6 red, which were both very high-quality games and our final game of the season which was against a very strong Ellenbrook team. Other highlights were off the field as a social group and getting to know each other more at Lachlan's footy games, then when we had a player's tea whole Year 6 playing group pizza/quiz night and The Camfield team windup – which was fun for all involved.

On behalf of myself, Jodee, and Lachlan – Shout out and huge thanks to all the players, volunteers, and entire parent group of this team. There were never any problems getting the things done needed each week that kept the games going, your attitudes and support of the team could never be questioned and contributed to the season's success. We hope everyone got as much out of the season of watching your boys play and develop as we certainly did.

We look forward to seeing all the boys back in 2023 for their first season of Youth footy! Onwards and up boys! Thank you, everyone.

Shane Coleman - Coach

YEAR 7 RED REPORT

2022 was our first year of Youth footy and with it the introduction of scores, ladders and the prospect of playing finals. Fortunately we maintained a majority of the same playing list from the 2021 season, whilst welcoming along one new boy to the Bombers and one boy returning after a year off. 2022 also saw another year of continued development for the boys in the Red Team where we kicked off the year with a great but disrupted preseason, with plenty of new and existing training drills and a number of different fitness activities knowing the boys needed to build the required fitness levels for play on the bigger ovals.

Even with the disrupted preseason and the new faces in the team we were ready for what the competition would throw at us from the first ball up, and after a round 1 win we were excited for the year ahead. What we weren't ready for was the changes to our game plan due to the jump in oval size which had us quickly searching for new tactics on how to defend the wider, longer grounds. As we found it difficult to cover the whole ground we went back to the very basics and worked hard on our brand of footy. We lived by a simple set of rules, hunt the ball, give 2nd efforts and have clean hands and I'm happy to say when we played this brand of footy we were competitive in most games.

Unfortunately, we were hit hard throughout the season as we were not able to field our full team in any of the 14 games. A combination of 5 broken bones, almost season ending concussion, unending muscular injuries and the ongoing battle with C-19 absences usually meant we had somewhere between 13 – 14 players each week. We began evening up with our opposition however after a few games we realised it was detrimental to the team. This allowed us access to the year six group of boys who were very keen to help us out not to mention get another game played each weekend. This change had a positive impact on our boys and we thank the seven boys who joined us across the back half of the season. When we did have 15 plus players we always needed to pass players across to our opposition as they were also short possibly due to the same reasons. Sadly only 4 boys played all 14 games this season. We wish to congratulate "50 Games" milestones being notched up by Lukas, Rich, Spider & Leon and to Lachie who was selected in the Under 12 State Schoolboys side. This is a really significant achievement as a recognition of his skills and abilities and we are all very proud of him.

Being the only East Perth team in our division, we travelled each fortnight to mostly play against teams far away in The Swan District areas. I'm not sure why, but we lost every one of our away games, on the plus side we won nearly all of our home games, this is something we need to explore and work on in 2023. Ultimately playing finals in 2022 didn't happen as we just didn't have the continuity of players on field or at training.

I need to highlight the high level sportsmanship we showed on and off field across the season. Each week the team continued playing hard but fair footy as a team, even though we were mostly short of players or playing with boys we barely knew, we were gracious when winning and we held their heads up high when we didn't. Although frustrated on many occasions they never retaliated on field even when decisions or the result went against them. I'm very proud of how they represented themselves and the club across the season.

Huge thanks to our volunteer team who turned up every week (C-19 aside) and gave 100% for this team. Without Lindsay, Gwyn, Ed & Rich we could not have achieve the high standards we again set this year. Their positive focus was to continue building good skills while ensuring the team culture was embraced by

everyone including the new boys, not to mention caring for the many injuries and knocks throughout the season. To our wonderful families who came down to support our boys either on training nights or on Sunday mornings, thank you for your support all season. It was a tough introduction to Youth footy however we cannot possibly do this without your assistance and the faith you give us to prepare your boys in the best way to play, learn and have fun each week. So to Aiden, Alex, Ben, Blake, Eames, Emmitt, Finn, Henry, Lachie, Leon, Levi, Lukas, Max, Rich, Silas, Spider, Tom & Tyler thank you all again for a wonderful but challenging season, everyone involved in the team couldn't be any more prouder of you all with the way you conducted yourselves both at training and on game day. All of your football skills have improved again this season and the step up into Youth football has begun.

Clearly, these boys love this club, this team and all of the boys around them and It was wonderful to coach the Year 7 Bombers Red team in a challenging 2022 season. I look forward to seeing all the boys back in 2023 where we continue on our Youth footy journey and we look to improve their skills, grow their love of the game and build on their mateships.

Trophy Winners:

- Fairest & Best - Finlay Jennings
- Runner Up Fairest & Best - Henry Pearson
- Second Runner Up Fairest & Best - Lachlan O'Rourke
- Most Improved - Aiden Scott
- Most Determined - Ben Lohman-White
- Most Consistent - Lukas Charlsley

Michael Pearson – Coach

YEAR 7 BLACK REPORT

Our motto this year was **"Reward For Effort"** and the coaches were very proud of the playing group and parents to fully commit to training and game day. To have at least 14 of the 18 players available at training sessions enabled the coaches to carry out game simulated exercises with the entire squad and to have all players on the same page. Having the boys being accountable for themselves and taking ownership was the base for our success this year.

As per last year our goal this year was to introduce structured drills at training to implement on game day to have the players start thinking about the team before the individual. This was evident with players starting to direct traffic on the field and to keep teammates switched on at training.

We had a big focus on the players playing all lines of the ground and equal playing time to enable the players and coaches to work out where they play their best footy and positions they enjoy playing. This allowed the coaches come finals to put players in set positions, knowing they can play multiple positions if needed during the game.

Enter finals, to go into the first final against Thornlie who we had not beaten all year was daunting and it showed as we were convincingly out played. To back up the next week and win a Preliminary Final in front of a big crowd, to see the boys play good team footy and to earn their spot in a Grand Final was very rewarding. To play in a Grand Final was never part of the conversation at the start of the year and we can't give enough credit to the boys to go out and nearly beat a side who we haven't got within 10 goals of all year. Just shows if all players contribute with a bit of self-belief and playing their role you are always a chance and the boys gave it everything. Thank you so much boys we couldn't have been more proud of you and what the team accomplished this year.

We had a number of players play 50 games this year and congratulations to Levi, Ben, Noah and Logan. Great effort boys.

The coaching group would like to acknowledge Aaron and Logan who were new to the side who were great additions to the team and to welcome back Liam and Phoenix who had last year off and both added depth to the team. The team would like to also thank Bohdi who trained with us this year, Bohdi became very popular and will be remembered for his goal kicking celebrations which the boys loved. Thanks Bohdi.

Once again, we were very fortunate to have some amazing people help the side this year:

Sean Galvin & **Trevor Leach** - Thank you for all that you bring to the team, always looking at where we can improve, either it be change in drills at training or changes on gameday. I felt we all fed off each other and were always going in the same direction and this was reciprocated by the boys on gameday. Thoroughly enjoyed your company and so did the boys. Thanks Fellas.

Chloe Cushing - Our team manager, went to a new level with her organizational skills and as always did a lot of work behind the scenes with Teamapp updates sent out to the parents/carers each week. Providing

updates with spreadsheets for player game day awards, organizing our parent night, players teas, coordinating matchday setups, birthdays the list goes on. Couldn't do this without you. Thanks again Chloe.

Peter Elgin - Put his hand up for first aid again. Thank you for your support and the role you played on game day. Always looking after the welfare of the players and always helping at training and could always be called upon to help. Thanks mate.

Adrian Mesiti, **Dave Barbaro, and Tim Leahy** - Thank you for helping at training and your support on game day. Without you we wouldn't have seen the huge improvement in the boys skill levels with the one on one's and offering advice to individual players to help them improve. Thanks Fellas.

Max Barbaro - You are an unbelievable parent/mum which every side would love to have. Always the first person to put your hand up to help. Where do we start, washing jumpers, weekly washing of training bibs, interchange, goal umpiring, match day set up, supplying sausages for BBQ's, Gatorade for the finals, the list goes on. Thanks so much Max.

Cara Little, Jacintha Bell, Louisa Leahy & Kyle Besser - Thank you so much for putting your hands up to carry out all the game day roles, you don't realize the stress that this takes off the coaches, Chloe and the team to have such reliable parent helpers. Thanks again.

To the **Parents**, like the boys we have all become closer and your commitment to get the boys to training and game day on time really helped the coaches. Can I say when I look back on the season, one of my favourite things to do was to look over during a game and seeing you all there supporting your boys together was special. You are a great parent group and are worth a couple goals a game. Keep on doing what you are doing.

Finally, to the boys you showed you are committed to the team and you backed up your motto and you were rewarded with all your hard work. Great effort boys and thank you for an amazing season.
Remember, keep your hands on the footy in the off season and look forward to every player returning next year.

Trophy Winners:

- Fairest & Best - Ricky Mesiti
- Runner Up Fairest & Best - Zachary Besser
- Second Runner Up Fairest & Best - Benjamin Leahy
- Most Improved - Corey Cushing
- Coaches Award - Aaron Keenan
- Best Team Player - Riley McGinty

Damien (Damo) Cranwell – Coach

YOUTH GIRLS 7-8 RED REPORT

Wins and losses were never going to be how this playing group was going to measure their success this season. That was very clear to us all from the teams first training session right through until the final game that just happened to be the grand final. Our success this year was in the way the team bonded as a group, were selfless for each other and always played with respect and dignity. They are a credit to themselves, led exceptionally well by our team Captain in Charlie. Charlie led by example and the girls were hooked and followed.

Junior sport should be as much about fun and engagement as possible, girls, I'm so proud of the way you continue to embrace this mindset, always finishing every game with a big smile on your face regardless of the scoreboard. I commend you on the way you continued to conduct yourselves, especially in some difficult situations. Your encouragement, care and support for each other was a joy to watch. You showed incredible resilience both individually and as a team, each challenge only resulting in further binding our group. The girls tried their very best for the entire season which is as much as we can ever ask for. It will be fantastic to watch you continue your journey and grow women's footy at Coolbinia Junior Football club.

Without doubt the season's highlight was the response the girls showed in the face of adversity. After being on the receiving end of an unpleasant spate of events from a particular team, to turn up the way the girls did in the follow up final and completely outplay the opponent in all aspects of the game was amazing to witness. The entire playing groups never say die attitude with their sustained effort and will to win each and every contest really defined this team and their season.

We celebrated some milestone games with Ameli, Alexis C and Evie all reaching their 50 games tally for Coolbinia Bombers this season, a great achievement.

A big thanks to our fantastic parent group for all their support and passion throughout the season, always in good spirits and always willing to assist as and where required. Matt, Scott, Danielle and Rob, your ongoing assistance at training and on matchday certainly makes a coach's life easier and was greatly appreciated by all.

We were certainly incredibly lucky to have Libby as our team manager. Thank you for your tireless work whether at home or from the other side of the country. The season would not have been as enjoyable without you.

Girls, it has been a pleasure coaching you this season. I wish you all the best for the future.

Trophy Winners:

- Fairest & Best - Amelie Carrabba
- Runner Up Fairest & Best - Chloe Chau
- Second Runner Up Fairest & Best - Winnie Townsend
- Coaches Award - Charlie Filear
- Most Consistent - Alexis Crooks
- Rising Star - Sophie De Masi

Matt Townsend – Coach

YOUTH GIRLS 7-8 BLACK REPORT

It was a long season, from preseason to premiership. There were plenty of ups, downs and detours along the way leaving us all with plenty of memories. Along with the support team we couldn't be any more proud of this team.

The resilience: Some long road trips on cold nights against some physical opponents. Every time we found ourselves down on the scoreboard and challenged by an opponent we found the will to fight back. A number of times players battled on through injuries to help out the team. This steely determination was the reason we had such a successful finals campaign.

The milestones: We loved celebrating two 50 game milestones (Evie and Stella) in style. We look forward to seeing more milestones as you continue your footy journeys.

The improvement: Every single player developed their skills and gameplay over the season taking their game to a level. It was great to see all players whether they be first year or experienced players determined to improve and become better.

The team first mentality: Everyone was willing to do whatever it took to help the team succeed. And the team embraced the challenge to recognise the selfless acts that made us such a great team. This became a central part of our team identity and as a group you made sure you noticed and celebrated everyone's contribution to our success.

The training standard: The training standard was incredible this season. There was a shared commitment to training with excellence for the season including rainy and cold nights. We pushed each other to increase our fitness and improve our skills to be the best team we possibly could.

A big thank you to the parent helpers who helped make the season the success it was. The parent and family group gave incredible support throughout the season and the final series! A special thanks to Jenny (Assistant Coach) who brings all of the positive energy to the sideline we could possibly need and Kerryn (Manager) who has kept us organised, on time and in the right place every week. Also to Linda and Lisa who took on essential match day roles and Tim our runner and training assistant.

Trophy winners:

- Fairest & Best: Elsie James
- Runner-up Fairest & Best: Melda Pocrnja
- Second Runner-up Fairest & Best: Daisy Phillips
- Most Courageous: Saoirse O'Reilly
- Most Valuable Player: Stella Bardon
- Best Team Player: Aria Civitella

Luke Chapman - Coach

YEAR 8 RED REPORT

Hey Bombers

In the wise words of Brian Taylor current AFL commentator 'Wooooooooowwwwweeeeeee' what a season. The 2022 season saw this talented and humble team learn and grow exponentially. Advancing their game style, pressure, skill level and belief. We saw a few player movements from last year as we said farewell to Will Taboni and welcomed Rueben Beamish Burton, Daniel McFarlane (DMac) and Jett Edwards.

I would like to thank Bombers Black team/coaches Murph, Glen and Dan for working in with us to put together a great and first ever preseason training program where we did some beach runs, Lake Monger laps and hill sprints… At the beginning of the year I was asked to place this side in a division. This decision was based on the previous year's performance, player ins and outs and an honest evaluation. We requested the second division. During grading games (our first five games) the team started fast and furious against teams that we had never seen before nor heard of. Bombers Red put together five matches of brilliance, at times playing with only 12 players on the field due to Covid or long term injuries. Well, they toughed this period out and were honoured with a Division 1 berth. Rounds 6 thru 10 were massively challenging. an easy win against High Wycombe followed by 4 hard earned lessons by the top 4 teams. And the team was left wondering if it was the right decision to be placed in the top division. After much soul-searching, hard hit outs at training and match simulation the boys began to find their feet, play as a team and eventually found belief in themselves. Rounds 11 through 14 was some of the best 13 year old footy I have seen. Skilful, measured and the pressure! This team learned the benefits of bringing the heat… 15 goal win over High Wycombe. 7 goals over Kalamunda at home, 8 goal victory over Sth Perth Green and then the highlight of the year in which every single player fired a 9 goal win over Mt Lawley. The boys and parents were ecstatic! As you can see these games were not close which speaks volumes about how the boys were applying themselves and the form they were in.

I'd like to congratulate this group on a fantastic and memorable year, not just because of the W's and L's you produced but for the resilience and respect you were able to earn from all players and coaches in the competition because Of the hard and fair way you played footy this year! Finals footy is a different game completely and I am so glad that you were able to experience footy at this level. Team Red won their first finals match a hard earned victory over a quality side South Perth Green, incredible game fellas! And challenged the premiers all game only to be out ran in the last quarter in their Prelim final against Sth Perth Gold.

I must mention two milestone games from this year Dunghala Briggs 50 games, Daniel McFarlane 50 games and James McGinty 100 games. Congratulations boys!

I hope this year has been fun and worthwhile for all involved.

I'd like to give a huge thank you to 'Bug' Julia Creasy our tireless Team Manager, thank you for being so bright bubbly and organised. Also I would like to thank 'Jabba' Joel Blechynden and 'Wiz' Trent Wehr for being the best assistant coaches in the comp and always putting their best foot forward in helping and coaching our young players. It was a pleasure working with you both. 'Doc' Tracey Markus our superstar, super caring First Aider, thank you for all that you did this year and Tom Spurling thank you for taking over the reigns as runner, the assistant coaches bodies are a big banged up! Your upbeat and friendly approach was brilliant and appreciated by all of the players, parents and coaches! Sam Delaney and Kat Blythe thank you for your time and help with interchanger, Adam Scott thank you for being our umpire when required and Nathan Edwards for being flexible (not literally) and helping out in various roles throughout the season.

Parents thank you for all that you have done in supporting us and your young fella this season from taxi to chef, from goal umpire to shrink it is a big enjoyable task and I thank you for your huge efforts!

Finally Bombers Year 8 Red boys…

Thank you for the wild ride, it was awesome. You were awesome, and I am super proud of the year you guys put together.

Well done

Trophy Winners:

- Fairest & Best - Jett Edwards
- Runner Up Fairest & Best - Isaac Scott
- Second Runner Up Fairest & Best - James McGinty
- Rising Star - Oliver Spurling
- Most Courageous - Lucas Blechynden
- Best Team Player - Archie O'Donnell

Matt O'Donnell - Coach

YEAR 8 BLACK REPORT

They say “a picture is worth a thousand words”…..and we are privileged to have hundreds of them!

As I write this report, I’ve been able to take a moment to scan through & reflect on a large catalogue of action shots taken on each of my players in full flight, many thanks to our unofficial team photographer Glen Ludlam. It’s amazing how this one volunteer within our footy family has been able to capture so many happy memories from our 2022 footy season, bringing much needed perspective & pride to myself as Head Coach, as well as smiles to the players and families who have endured what has otherwise been a tough season if you purely go by the ladder.

Together with the Year 8 Red Team, we enjoyed a fun filled preseason with some solid beach sessions and laps around Lake Monger, hill runs and time trials. Thank you to Matty-O, Trent & JB for helping us build on the comradery between the Red & Black teams, something which I’m grateful for and am positive will hold the playing group & club in good stead for years to come. We also wish to take this opportunity to congratulate the Red Team on a sensational season – awesome work guys!

This year we welcomed Charlie & JP into our team, a dynamic duo of goal sneaks and absolute characters off the field. Both lads brought the kind of spirit & swagger that we love to have in the Black Team and we hope to see them both pull on the bombers jumper again next season.

Armed with a full squad, our season proper started off with a bang as we made light work of Vic Park in Round 1. From then onwards, sadly it became much less about the W’s & L’s as we dropped a few games by less than a kick whilst struggling to field our strongest team, suffering a few injuries to some key players in amongst absorbing our fair dose of illnesses & player absences amongst other forces of nature which we couldn’t control.

Not willing to concede, “resilience” quickly became the coaching groups mantra and without a doubt the players leant into this by training hard and demonstrating an unwavering ability to compete against much stronger & larger squads, week in week out, whilst also being able to find the enjoyment in just playing the game. Strangely enough the boys also enjoyed the ‘suicides’ each week at training after a loss, a fun arrangement struck between the players & coaches. Thankfully the coaches got to dodge a large bullet in this regard.

Our footy family cheered especially hard for our 50 gamers this year. Congratulations to Bas, Jacky-G, EJ and Kyan (Skip) on reaching this milestone in your short yet successful football journeys.

Finally, the fabric of the Black Team remained as strong as ever and was typified by the endless support given by everyone involved with our footy family. A massive shout out goes to Kyla, Chloe & Damo who supported me throughout the year, my Assistant Coaches in Glen & Daniel (I literally couldn’t have done it without you guys!), Flick our tireless Team Manager, Ed our First Aider, Seb who lead the Interchange with Cat’s support, Jake our back up Umpire, our various parent Goal Umpires, Hendo for keeping the Bowling

Club open on ‘selection nights’ ☺ and last but not least the Pintabona’s - especially Basil who is the most generous person you’ll ever meet & head organiser of our end of season wind-up!

To sum things up, our players have been humbled in 2022, yet have earnt the respect of their fellow teammates, opposition players and everyone who was able to watch them go about their business.

These young men will come back bigger, stronger and more resilient next season, you can count on it and I personally cannot wait to see them enjoy every success to which they deserve.

“Go Bombers”

Trophy Winners:

- Fairest & Best - Daniel Russo
- Runner Up Fairest & Best - Quinn Hill
- Second Runner Up Fairest & Best - Laleih Fmailton
- Most Valuable Player - Nate Lindquist
- Most Courageous - Sebastian Cowan
- Rising Star - Jean-Paul Marion

Ryan Murphy - Coach

YEAR 10 REPORT

The Year 10 team entered the 2022 season with optimism and determination. There were plenty of changes to adapt to, new coach, new manager, three new players and new training regime, joining with the Yr11's and Yr12 for squad training on Tuesdays. Together, we set out to improve, both individually and as a team. The growth that was achieved across the season was outstanding, filled with progress and success, and despite falling heartbreakingly short of a premiership, I couldn't be prouder of these young men and their development.

Our overall focus in 2022 was on building our teamwork and trust for each other as players. We worked on a game style that was filled with pressure and valued each possession. Mixed results across the early games in the season gave us lots of learning on where our strengths and weaknesses were, and the boys did a fantastic job of developing their skills, improving their decision making and demonstrating on-field leadership when it mattered.

As regrading occurred and the division was settled, we saw several teams come down from the Red division. Each game was a tough proposition. We felt the step-up in competition and intensity - losing three in a row. By Round 8 the team's approach had adjusted and our improvement started kicking in. We didn't lose a match in the following eight games, qualifying for the Grand Final and ending the season on top of the ladder. Our last game of the year was an absolute cracker of a match. They say that a single game should never define a team, and I agree, but it's certainly worth recognising the effort and commitment shown by the Year 10 team on this day. It was something to behold. Coming up against an exceptionally athletic and skilful team in Belmont / Redcliffe, our boys put up one of most thrilling contests I have seen in junior football. They chased, they tackled, they won so many contests and moved the ball so cleanly, it was exactly how we had hoped to play.

The game didn't disappoint with a thrilling conclusion, finishing normal game time dead even on 10 goals, 10 points apiece. At this stage, we had lost one player to a broken collarbone, another to a fractured wrist, and a third had pulled a calf muscle. The boys had done as they had been asked and had emptied their tanks to try and steal the victory, but there was more required. Two extra five-minute periods of play saw the lead change three times, and after 90 minutes of sensational effort, at the final siren, we fell two points short on the scoreboard. A heartbreaking finish, but an epic and prideworthy performance.

Football is a great revealer of character and the growth across the season by our Year 10's has been one that I will be forever grateful to have had a front row seat. Can't wait for what's in store for these young men in 2023! #GOBOMBERS.

Trophy Winners:

- Fairest & Best - Benji Matuszkiewicz
- Runner Up Fairest & Best - William Norman
- Second Runner Up Fairest & Best - Chanro De Beer
- Best Clubman - Joshua Kegg
- Most Improved - Leo Kriletich
- Coaches Leadership Award - Rylan Candy

Northy (Michael North) – Coach

YOUTH GIRLS 9-10 RED REPORT

The 2022 season for us was a lot to take in. This started at preseason when we tried to learn a style of football that was very new to a lot of our girls: a lot of run and carry, learning to take risks and all the while supporting each other in doing their job. If every player does their individual job, the team runs smoothly.

Our first 5 games we showed that our brand of footy wins games. This saw us being promoted to top division and being the team no one knows about. During the first 5 games the coaching staff really tried to change things up with players in unusual spots and working out where everyone's best positions and player combinations in the middle, forward and back.

The next 9 games were very tough. A few major injuries depleted our roster but the girls had their sights set on a top 4 finish and pushing deep into finals. We finished third on the ladder and made it to an incredibly tough elimination final in the first round, scrapping a victory to make it into the preliminary. Our girls rode a massive high into the next game, really putting it away early and securing a Grand Final spot.

The day of the big dance we once again had a depleted side: we only had 16 healthy players out of our original 25. It wasn't long before we lost our only bench and everyone had to play 100% game time. Wow did the girls put in the effort. No one had gotten close to Kalamunda all season, but at half-time there was only a goal in it. Unfortunately in the second half we ran out of legs and Kalamunda, being a dominant force all year, pushed away.

I give the girls so much credit for what they achieved and how they went about it. We faced a lot of challenges this season and I couldn't be more proud of how they handled themselves. Being the coach of this team was incredibly fun and once again I'm a proud coach.

Trophy Winners:
Fairest & Best - Savannah Muir

- Runner Up Fairest & Best - Nia Dias-Kelly
- Second Runner Fairest & Best - Lucy Ward-Dickson
- Most Consistent - Emily Barwick
- Rising Star - Freya Beasley
- Most Improved - Mya Murphy

Jarrod Bennetts – Coach

YEAR 11/12 RED DEMONS REPORT

The coming together of the Mt Hawthorn JFC and the Coolbinia JFC to form the Coolbinia/Mt Hawthorn Demons continues to be a great success. After being combatants in past years this year's Y11 transition to one team was easy and fun.

Big thanks to Warren Bow (Assistant Coach/Runner), Ian Yiannakis and Scott Robinson (Co – Managers), Stuart McKay (First Aid), the Mt Hawthorn/Coolbinia committees and finally the Y10 and Y12 players and coaching staff.

My attempt to summarise the season is as follow.

Roughly 30 players joined up at 15 players form each former club.

We fielded a maximum of 24 players and a minimum of 19 each week. (Thanks to Mitch Kikiros Y12 for helping one game). Tyler Rumbold, Tom Stocks, Hamish Kiddie, Rory Wallace, Caden Barnett and Daniel Spencer just couldn't get up and about too much due to injury or illness or both. Some like Alexio Yiannakis was caught up with EP duties, some were managing their bodies after PSA footy during the week, a lot had Covid days off, and Angus Gow had other fish to fry and didn't get out on the park. Games total played ranged from fourteen to none.

Congratulations to all players who reached their 100th and or 50th Game. Jesse Icanovski, Cronan Mulvey, Oscar Weston, Amos Robinson, Lachie Hall, Lachie Boylen, Tom Stocks, Ollie Diaz, Euan McKay along with Jayden Fogarty who played his 50th game.

Being in a Y11/12 Competition and with all our team being Y11 we were surprised to be placed in A Div for the first five games. Results went as expected during this time. But some standout players the first five game included Euan Mckay, Owen Cushing, Lachie Boylen and Oscar Weston. Other memories from round (1-5) include Riley Tough taking mark of the year and goal of the year in the same play, a tight three-point loss to Aveley and the drawn match that we initially thought we won by 1 point.

The fixture traditionally has a nice week off to reassess gradings after week five and we used this to organise a Perth Bridges run on the Sunday long weekend. Turnout was superb, it was a lovely day weather wise and it was fantastic to all go back to the Windsor Hotel with many parents to have a bit of a social after. Special mention to Jo and Tim Weston, Martin Boylen and myself for completing the run too. Standouts were Lachie Hall and Euan McKay, then followed a large group, Jesse Icanovski, Alessio Caruso and Stefan Cilemanoff were a fair way off the pace bringing up the rear.

The three weeks of June footy before mid-year school holidays saw us drop down to B grade with a renewed confidence. Amos Robinson came into the form I had heard he was capable of during this time, Joe Collins was marking everything going his way, Lachie Hall was in and under every pack and we were well on our way to our first win until an unusual 30-40 minute stop in play in round eight took the wind out of our sails and turned a likely win into a disappointing loss.

A two-week bye followed. People were jumping on board though. We had Issac Parker and James McCague sign up – two very welcome players. We had a well-deserved 11 days off footy and set ourselves for a tilt at the last six weeks.

This block saw us have a nice win against High Wycombe by 3 points, (nice late goal Jesse Icanovski) we didn't know the song so sung the Cardies one. There was a great buzz and confidence even this late in the season. We were competitive for long periods during all games in this block but generally had one bad quarter. Something to look at for next year. Great efforts during this time were Angus Motherwell's game one day post his flight home from the UK (remarkable effort) the marking exhibition from Oscar Weston and Issac Parker during the Aveley game, Ryan Herbert's surge into form from the back pocket and Stefan Cilemanoff's goal kicking late in the season after his switch from full back to full forward.

Thanks to everyone involved. See you in 2023

Trophy Winners:

- Fairest & Best (Dual Winners) - Lachlan Boylen & Owen Cushing
- Runner Up Fairest & Best - Euan McKay
- Best Clubman - Alexio Yiannakis
- Most Courageous - Lachlan Hall
- Best Team Player - Riley Tough

Steve Mulvey - Coach

YEAR 11/12 WHITE DEMONS REPORT

We started the season with the majority of our year 11 premiership team returning and the addition of two new players. It didn't take long for COVID and injuries to dwindle our numbers and it became a struggle to field a team after the first game. With Steve Mulvey's cooperation and the close link established in the pre-season with the year 10 and year 11 teams, we played up several year 11 boys and were competitive for the most part.

An injection of 5 new players in round 9 strengthened our team significantly and gave us the ability to challenge most teams in our division. We scraped into finals by percentage and had a good win against Noranda in the elimination final. It was in this game that one of our long serving players reached an elusive milestone and notched up 150 games played. Taking on Caversham in the qualifying final was always going to be a tough challenge having had a draw and two close losses earlier in the season. Our boys gave everything they had but fell short by 10 points.

The highlight of the season by far was the awarding of life membership to twelve boys.
Such a big achievement and something to be very proud of.

Gavin Kikiros – Coach

Season 2022 is the last season of junior football for the year 12 team and it was amazing to see so many players return to the club given the increased study/work commitments from most of our squad.

It was great to see so many parents still involved with our group and helping out on both game day and during training sessions, the game cannot go ahead without significant help in ground setup/packaway, goal umpiring, boundary umpiring, scorer, interchange steward, first aid and team manager. It is a big job to run a game of footy, as players and coaches we thank you! We also say a massive thanks to the Committee particularly President Kyla and Registrar Chloe for all their help in getting us to field a team on some difficult weeks.

Whilst we have had a difficult season in terms of player availability due to Covid and injury the last few weeks of the season and into finals we finally got some players back and saw us play with the form the team is capable of. The energy and standards at training were excellent. As coaches Gavin and I could not be more proud of the success that the players have achieved over the years - 3 premierships, 4 grand finals, 2 preliminary finals but more importantly what great footballers and young men you have grown into. We've also had great times with beach training sessions, boxing sessions, fundraising, Pot Black nights, buddy rounds and our epic Footy Trip to Melbourne.

As coaches whilst we have been with the team since Auskick days – lots of training sessions! It's safe to say we feel that this group has given us more than they know and we wish them all the best in their continuing football journey and with their future endeavours.

Go Demons
Duncan Kegg – Coach

Trophy Winners:

- Fairest & Best - Alex Cooper
- Runner Up Fairest & Best - Jacob DeSantis
- Second Runner Up Fairest & Best - Jai Hills
- Coaches Award - Luke Vervest
- Most Inspirational - Theo Economo
- Bravest Goal Kickers - Charlie Williams

YEAR 11-12 GIRLS REPORT

We were really fortunate to be able to merge with Noranda JFC this year to form a Year 11/12 Girls team and continue the pathway for our girls to play community football.

Early in the pre-season, we were expecting our first female Coolbinia-Mt Hawthorn Demons team this year, bringing the female pathway into alignment with our youth boys. We did not get the numbers together to form a Demons team in 2022, but we are well on the path to this happening next season. Big thanks to Michelle for organising our new Demons uniforms and to Kristina and Natalie at MHJFC for their leadership.

The merge with Noranda went really well, with new friendships being formed across different clubs and schools. We had to train at Lightning Park due to scheduling issues, but the Noranda crew did everything they could to make our players feel right at home. We played a few games at Coolbinia Oval in our Red/ Black sash jumpers but for the most part we wore the Brown and Gold strip. As a merge team, our girls had two different Awards nights along with an end of season trophy day at LP.

There are some people who went above and beyond to help make this merge work. We had great leadership from team captain Hannah (NJFC) and from our own club captains, Jess and Alice. Big shouts out to Noranda crew: Charlie, Jason, Mark M, Jo, Claire and Shae for all their support. Coolbinia parents James and Mark D were regular contributors and we are really grateful for your support. We are really lucky to have great people and strong relationships within our East Perth District and across our conference. It's the invisible glue that ensures our older youth players can keep playing footy and have a quality experience in doing so.

Emma Simms - CBJFC Girls Football Coordinator

Season 2022 was a different one for our senior girls this year with a whole series of first. It was the first time both Noranda and Coolbinia would field a combined girls side, the players on the field increased from 15 to 16 a side, 2 new coaches and we had the first A and B divisions in the Metro League.

After the regrade period, we found ourselves in A division and rightfully so, the skills the girls had shown and how quickly they bonded showed we were above the B division teams. With a very talented team of Rogers and State girls entering our competition the task was not going to be an easy one. With this in mind the goal was set to see how far we could go in the finals and try and prepare ourselves the best we could. This was achieved with the team winning the first final before going down in a close one in the Prelim. As a new coaches for this team both Mark and myself could not have been prouder of how the team came together at the start of the season and embraced the merge, they gave it their all and had a fun time doing it.

This team was able to work so well thanks to Emma and the Coolbinia team, it couldn't have gone any better. Thank you to Lauren for being our manager for the year as well as the parents that helped out with all the duties whether it be medic, runner, goal umpire, doing the votes or packing away grounds. We really appreciate it and can't do it without your support.

Trophy Winners:

- Best and Fairest - Jaylee Smith (NJFC)
- Runner Up Best and Fairest - Lia Dak (NJFC)
- Coaches' Award - Jessica Flintham (CBJFC)
- Most Consistent - Rosa Massaboi (NJFC)
- Most Improved - Daisy Holder (CBJFC)
- Best Clubperson - Hannah Aufdemkampe (NJFC)

Jason Nankivell - Noranda/ Coolbinia Coach
